Demabon T59

Demabon T59 Smart Watch User Manual

Model: T59

INTRODUCTION

Thank you for choosing the Demabon T59 Smart Watch. This manual provides essential information for setting up, operating, and maintaining your device. Please read it thoroughly to ensure optimal performance and a safe user experience.

WHAT'S IN THE BOX

- 1 x Demabon T59 Smart Watch
- 1 x TPU Silicone Strap
- 1 x USB Magnetic Charging Cable
- 1 x User Manual

SETUP GUIDE

1. Charging the Smart Watch

Before initial use, fully charge your Demabon T59 Smart Watch. Connect the magnetic USB charging cable to the charging

points on the back of the watch and plug the USB end into a power adapter (not included) or a computer's USB port.

- **Charging Time:** Approximately 2 hours
- **Battery Life:** 3-6 days of active use, up to 30 days standby.

2. App Installation and Pairing

To unlock the full potential of your smartwatch, download and install the "Da Fit" app on your smartphone.

1. Enable Bluetooth on your smartphone.
2. Scan the QR code provided in the watch's packaging or search for "Da Fit" in your smartphone's app store (Google Play Store for Android, Apple App Store for iOS).
3. Download and install the "Da Fit" app.
4. Open the "Da Fit" app and click "Add Device".
5. Find "T59" in the list of available devices and click it.
6. Confirm the Bluetooth pairing request on your smartphone.
7. Once connected, the app will display "Connection Successful".

OPERATING INSTRUCTIONS

Basic Navigation

- **Swipe Up/Down:** Scroll through menus and notifications.
- **Swipe Left/Right:** Access quick functions or different watch faces.
- **Tap:** Select an item or confirm an action.
- **Side Button:** Press to return to the home screen or wake the device.

Calls and Message Notifications

With Bluetooth one-touch connection, you can directly use the smartwatch to answer and make calls, or check call records. Receive and read notifications from SMS, Facebook, WhatsApp, Instagram, Twitter, TikTok, Snapchat, and other apps.

Note: You cannot reply to messages directly from the watch.

Image: The Demabon T59 Smart Watch screen showing notifications from multiple social media and messaging applications.

AI Voice Assistant (DA GPT)

The DA GPT AI assistant offers powerful language understanding capabilities. When connected via Bluetooth, it can answer questions, provide suggestions, and offer information. Through voice commands, you can set alarms, check the weather, control music, and more.

- To activate: Tap the AI Voice icon on the watch.

- Speak your command clearly.
- Note: Answers are usually displayed up to 400 characters. Ask DA GPT to simplify answers if needed.

HEALTH MONITORING

The Demabon T59 Smart Watch provides comprehensive health monitoring features. **Note: This product is not a medical device, and the data is for reference only.**

24/7 Heart Rate Monitoring

Monitor your heart rate throughout the day with the VC30F_S live detection sensor, utilizing advanced photoplethysmography (PPG) technology for precise and real-time tracking.

Image: A man playing tennis while wearing the Demabon T59 Smart Watch, which displays a heart rate graph and BPM reading.

Blood Oxygen (SpO2) Monitoring

Track your body's blood oxygen saturation (SpO2) in real-time. This feature helps you adjust exercise intensity and maintain optimal physical condition.

Image: Two hikers in a snowy landscape, with a close-up of the Demabon T59 Smart Watch displaying a 97% SpO2 reading and a graph of recent oxygen levels.

Blood Pressure Monitoring

The watch can monitor blood pressure. For accurate readings, ensure the watch is worn correctly and remain still during measurement.

Sleep Monitoring

Track your sleep quality at night, including wakefulness, rapid eye movement (REM), light sleep, and deep sleep. The

unique nap tracking feature helps manage short daytime rests.

Image: A woman sleeping, with a close-up of the Demabon T59 Smart Watch displaying detailed sleep data, including total sleep duration and sleep stages (awake, REM, light, restful).

Stress Detection

Enjoy continuous stress monitoring with detailed data, allowing you to track your stress levels at different times throughout the day.

Image: A man and woman running on treadmills, with a close-up of the Demabon T59 Smart Watch displaying a stress level graph and current stress rating.

Women's Health Tracking

The smartwatch intelligently reminds you of your menstrual cycle and provides intimate reminders and care based on AI algorithms and watch sign monitoring data.

Image: A woman drinking water, with a close-up of the Demabon T59 Smart Watch displaying a menstrual cycle tracking interface and a calendar view of physiological cycles.

FITNESS TRACKING

The Demabon T59 Smart Watch enhances your fitness plan with over 120 sports modes. Each mode ensures the accuracy and comprehensiveness of data, helping you better analyze your sports performance.

Image: A man running outdoors, with a close-up of the Demabon T59 Smart Watch displaying a workout summary including duration, steps, and calories burned. Icons for over 120 sports modes are shown.

PRACTICAL TOOLS

The smartwatch includes many practical functions to provide convenience and entertainment:

- **Weather Forecast:** Get real-time weather updates.
- **Music Control:** Control music playback on your smartphone.
- **Camera Control:** Remotely control your smartphone's camera.
- **World Clock:** View time in different time zones.
- **Alarm/Stopwatch/Timer:** Essential time management tools.
- **Raise to Wake:** Automatically wake the screen when you raise your wrist.
- **Find Phone:** Locate your misplaced smartphone.
- **Calculator:** Perform basic calculations.
- **Water/Sedentary Reminder:** Prompts to stay hydrated and active.

MAINTENANCE

Water Resistance (IP68)

The Demabon T59 Smart Watch features IP68 waterproof protection, making it resistant to dust and immersion in water up to 1.5 meters for 30 minutes. **Note: It is not recommended to wear it in the shower or while swimming, as hot water or prolonged immersion may affect its performance.**

Cleaning and Care

- Wipe the watch and strap regularly with a soft, dry cloth.
- Avoid using harsh chemicals or abrasive materials.
- Ensure the charging contacts are clean and dry before charging.

TROUBLESHOOTING

Issue	Possible Solution
Watch not turning on	Ensure the watch is fully charged. Press and hold the side button for several seconds.
Unable to pair with smartphone	Ensure Bluetooth is enabled on your phone. Make sure the watch is within range of your phone. Restart both the watch and your phone. Check if the "Da Fit" app is updated to the latest version. Forget the device in your phone's Bluetooth settings and try pairing again.
Inaccurate health data	Ensure the watch is worn snugly on your wrist, not too tight or too loose. Keep your arm still during measurements. Clean the sensor on the back of the watch.
Notifications not received	Check app notification settings in the "Da Fit" app. Ensure your phone's notification settings allow the "Da Fit" app to send alerts. Verify Bluetooth connection is stable.
