## Chipolo C24W

# Chipolo POP Tracker Tag User Manual - Model C24W

## 1. INTRODUCTION TO CHIPOLO POP

The Chipolo POP Tracker Tag is a versatile Bluetooth item finder designed to help you locate your personal belongings. It features a loud sound, broad compatibility with both Apple Find My and Google's Find My Device networks, and a durable, water-resistant design. This manual provides essential information for setting up, operating, and maintaining your Chipolo POP.

## 2. SETUP GUIDE

### 2.1 Initial Activation & App Download

1. **Activate Chipolo POP:** Gently press and hold the center of your Chipolo POP until you hear a short beep, indicating it's powered on and ready for pairing.
2. **Download the App:** Depending on your device, download the appropriate app:
  - For Apple devices (iOS): Use the pre-installed **Apple Find My** app.
  - For Android devices: Download the **Google Find My Device** app from the Google Play Store.

### 2.2 Pairing Your Chipolo POP

1. **Enable Bluetooth:** Ensure Bluetooth is enabled on your smartphone or tablet.

- 2. Open the App:** Launch either the Apple Find My app or the Google Find My Device app.
- 3. Add Item:** Follow the on-screen instructions within the app to add a new item. Your Chipolo POP should appear as a discoverable device.
- 4. Confirm Pairing:** Select your Chipolo POP from the list and confirm the pairing process. You may be prompted to press the Chipolo POP button again to finalize the connection.

Works with  
**Apple Find My**

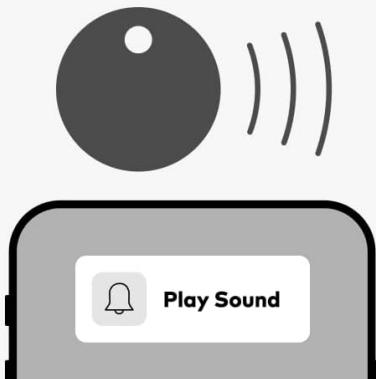

Works with **Android**  
Find Hub
