ALIYIQI Mid Century Modern Sputnik Chandelier

ALIYIQI Mid Century Modern Sputnik Chandelier (16-Light, Gold and White)

Installation and User Manual

1. Introduction and Overview

Thank you for choosing the ALIYIQI Mid Century Modern Sputnik Chandelier. This 16-light fixture, featuring a gold finish and milky white glass globes, is designed to enhance your living space with its unique aesthetic. This manual provides essential information for safe installation, operation, and maintenance of your new chandelier.

Key Features:

- Unique Sputnik design with a long brass linear frame and 16 small milk white glass spherical shades.
- Adjustable height for customizable lighting, suitable for various ceiling types including sloped or uneven ceilings.
- Requires 16 G9 bulbs (not included), offering full dimmability when paired with compatible bulbs and a dimmer switch.
- Ideal for dining rooms, kitchen islands, living rooms, bedrooms, and home office areas.

2. Safety Information

Please read all instructions carefully before installation and use. Retain this manual for future reference.

- **WARNING:** To avoid the risk of electric shock, always turn off the main power at the circuit breaker before installing or servicing the fixture.
- All electrical connections must be in accordance with local codes, ordinances, or the National Electric Code (NEC). Consult a qualified electrician if you are unfamiliar with electrical wiring.
- Ensure the mounting surface can support the weight of the fixture.
- Do not exceed the maximum wattage specified for the bulbs.
- Handle glass components with care to prevent breakage.
- Keep children away from the installation area.

3. Package Contents

Verify that all components are present and undamaged before beginning installation. If any parts are missing or damaged, contact customer support.

- Chandelier Frame (Brass Linear Frame)
- 16 x Milky White Glass Spherical Shades
- Mounting Hardware (including ceiling plate, rods, screws, wire nuts)
- Installation Guide

Note: G9 bulbs are not included and must be purchased separately.

4. Setup and Installation

This chandelier is designed for straightforward assembly. Follow the steps below and refer to the included installation guide for detailed diagrams.

1. **Prepare for Installation:** Turn off power at the circuit breaker. Clear the installation area.
2. **Assemble the Rods:** Connect the desired length of extension rods (15.7" or 19.6" or both) to achieve the preferred overall height. The fixture offers height options from 22.8" to 42.4".
3. **Mount the Ceiling Plate:** Secure the sturdy ceiling plate to your junction box using the provided hardware. The 180° rotatable adapter allows for installation on flat, sloped, or vaulted ceilings.
4. **Wire the Fixture:** Connect the chandelier's electrical wires to your household wiring according to the installation guide. Ensure all connections are secure with wire nuts.
5. **Attach the Chandelier Body:** Carefully lift and attach the chandelier body to the mounted ceiling plate.
6. **Install G9 Bulbs:** Insert 16 G9 bulbs (not included) into the lamp holders. Ensure bulbs are fully seated.
7. **Attach Glass Shades:** Carefully screw each milky white glass spherical shade onto its respective lamp holder.
8. **Restore Power:** Once installation is complete and all components are secure, turn the power back on at the circuit breaker.

5. Operating Instructions

The ALIYIQI Sputnik Chandelier is designed for simple operation once installed.

- **Power On/Off:** Control the chandelier using your standard wall switch.
- **Dimmability:** For dimming functionality, use G9 dimmable bulbs and a compatible dimmer switch (both not included). The fixture supports 3-color adjustable light when used with appropriate dimmable bulbs and switch.
- **Bulb Type:** The fixture requires 16 G9 bulbs, each with a maximum wattage of 7W.

6. Maintenance

Regular cleaning will help maintain the appearance and performance of your chandelier.

- **Cleaning the Metal Frame:** Wipe the brass frame with a soft, dry cloth. Avoid abrasive cleaners or chemicals that may damage the finish.
- **Cleaning the Glass Shades:** The milky white glass globes may accumulate dust. Gently wipe them with a soft, dry microfiber cloth. For more thorough cleaning, a slightly damp cloth can be used, followed by drying with a clean, dry cloth. Ensure the fixture is turned off and cool before cleaning.
- **Bulb Replacement:** Always turn off power at the circuit breaker before replacing bulbs. Allow old bulbs to cool completely before removal.

7. Troubleshooting

If you encounter issues with your chandelier, refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Light does not turn on	No power to the fixture; Loose wiring; Faulty bulb; Faulty wall switch	Check circuit breaker; Verify all wire connections; Replace bulbs; Test wall switch.
Lights flicker	Loose bulb; Incompatible dimmer switch/bulbs; Loose wiring	Tighten bulbs; Ensure dimmer and bulbs are compatible; Check wiring connections.
Dimmability not working	Non-dimmable bulbs; Incompatible dimmer switch	Use G9 dimmable bulbs; Ensure dimmer switch is compatible with LED/incandescent dimmable bulbs.

If these steps do not resolve the issue, please contact ALIYIQI customer support.
