HUMEHA 83.4" Modular Loveseat Sofa Instruction Manual

Model: B0DTK5BFY7

INTRODUCTION

Thank you for choosing the HUMEHA 83.4" Modular Loveseat Sofa. This manual provides essential information for the safe and proper assembly, operation, and maintenance of your new sofa. Please read these instructions carefully before beginning assembly and retain them for future reference.

SAFETY INFORMATION

- Keep the sofa away from open flames or high heat sources to prevent fire hazards.
- Supervise children and pets around the sofa to avoid entrapment risks or injury.
- Always follow the manufacturer's instructions for care and maintenance to ensure product longevity and safety.
- Do not exceed the weight capacity of 300 lbs per seat. The total weight capacity for this 2-seater model is 600 lbs.

SETUP AND ASSEMBLY

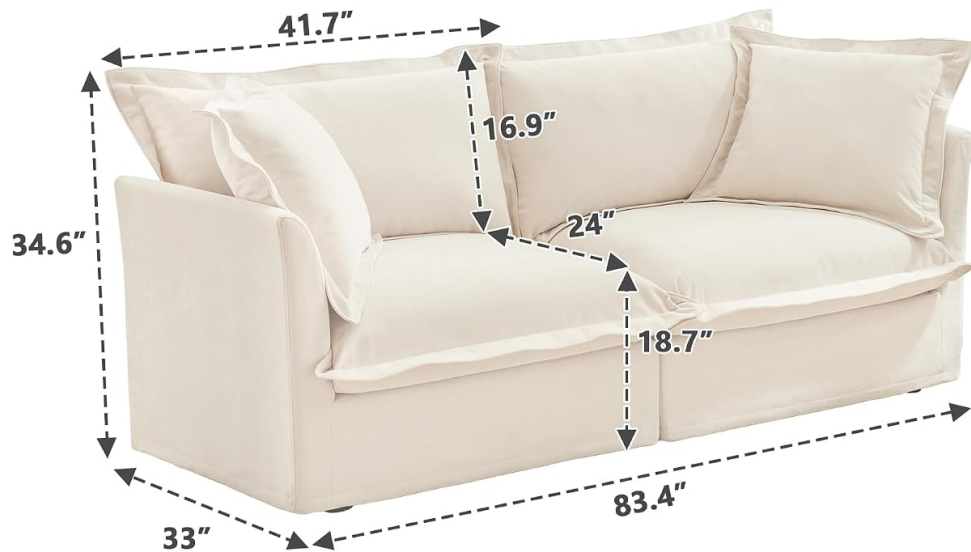

Your HUMEHA Modular Loveseat Sofa is designed for easy assembly. All necessary accessories and tools are included. Please follow the detailed instructions provided in the packaging. Note that the sofa seat is vacuum-packed and requires approximately 48 hours to regain its full elasticity and comfort after unpacking.

Unpacking and Component Identification

Carefully unpack all components from the packaging. You will receive 2 parcels, which may arrive at different times. Verify that all parts listed in the assembly guide are present before proceeding.

After assembly, allow approximately 48 hours for the vacuum-packed cushions to fully expand and regain their intended shape and firmness.

OPERATING AND USAGE

The HUMEHA Modular Loveseat Sofa offers flexible configurations to suit various spaces and needs. Its deep seating and plush cushions provide exceptional comfort for relaxation.

Modular Design

The modular design allows you to reconfigure the sofa to best suit your living space. Components can be

arranged as a loveseat, or combined with other modules (sold separately) to form L-shaped or U-shaped sofas, or single chairs with movable ottomans.

CARE AND MAINTENANCE

Proper care will help maintain the appearance and longevity of your sofa.

Cleaning the Slipcover

The sofa features a removable slipcover for easy cleaning. Remove the slipcover and follow the manufacturer's washing instructions provided on the care label. Typically, chenille fabric requires gentle washing to maintain its texture and color.

General Care

- Regularly fluff and rotate cushions to ensure even wear and maintain shape.
- Vacuum the sofa periodically using a soft brush attachment to remove dust and debris.
- Address spills immediately by blotting with a clean, dry cloth. Avoid rubbing, which can spread the stain.

TROUBLESHOOTING

If you encounter any issues with your HUMEHA Modular Loveseat Sofa, please refer to the following common solutions:

- **Cushions not fully expanded:** Allow up to 48 hours for vacuum-packed cushions to fully expand after unpacking. Gentle patting can help accelerate the process.
- **Sofa feels unstable:** Ensure all assembly connections, especially the legs and modular connectors, are securely tightened.
- **Difficulty cleaning:** Always remove the slipcover and follow the specific care instructions on the label. Do not machine wash cushions that are not designed for it.
