### 3. PRODUCT FEATURES

- **Bluetooth 5.4 Connectivity:** Experience stable connections up to 15 meters and ultra-low latency ( $\leq 40$  milliseconds), ideal for gaming and synchronized audio.
- **IPX7 Waterproof:** Designed to withstand sweat and rain, making them suitable for workouts and outdoor activities.
- **HiFi Stereo Sound:** Advanced audio technology delivers crisp highs, rich mids, and deep bass for an immersive listening experience.
- **ENC Noise Reduction:** Equipped with 4 noise-cancelling microphones to reduce up to 95% of background noise, ensuring clear calls even in noisy environments.
- **Extended Battery Life:** Up to 6 hours of continuous playback per charge, with the charging case providing over 36 hours of total battery life (approximately 42 hours total).
- **LED Battery Display:** The charging case features a digital LED screen showing real-time battery levels (1% to 100%) for both the case and individual earbuds.
- **Ergonomic Design:** Designed for a secure and comfortable fit, with three sizes (S/M/L) of soft silicone ear tips to suit various ear shapes.

## 4. SETUP

---

### 4.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. Connect the provided Type-C charging cable to the charging port on the case and a USB power source. The LED display on the case will show the charging progress.

- The digital LED screen displays the charging case's power level from 1% to 100%.
- Individual battery indicators for left (L) and right (R) earbuds show their charging status.
- A full charge for the case typically takes 1.5 hours.

## 4.2 Pairing with Your Device

The Monyhigh S48 earbuds feature one-step auto-pairing for convenience.

1. **Step 1:** Open the lid of the charging case. The earbuds will automatically power on and enter pairing mode.
2. **Step 2:** On your smartphone or Bluetooth-enabled device, open the Bluetooth settings.
3. **Step 3:** Search for available devices and select "S48" from the list to connect.

Once paired, the earbuds will automatically connect to your device when removed from the case. To disconnect, simply place them back into the charging case and close the lid.

# One step Auto Pairing

**Step1:** Open the Lid, Earbuds Auto Power on

**Step2:** Open the Phone Bluetooth, Click the <S48>to Pairing

## 5.2 Making and Receiving Calls

The Monyhigh S48 earbuds utilize Environmental Noise Cancellation (ENC) technology with four microphones to ensure clear communication.

- **Answering/Ending Calls:** Double-tap either earbud.
- **Rejecting Calls:** Long press either earbud for 2 seconds.
- The ENC microphones actively reduce background noise, making your voice clearer to the person on the other end.

## 6. MAINTENANCE

To ensure the longevity and optimal performance of your Monyhigh S48 Wireless Earbuds, follow these

maintenance guidelines:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Ear Tips:** Remove the silicone ear tips and clean them with mild soap and water. Ensure they are completely dry before reattaching.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Water Exposure:** While IPX7 waterproof, avoid prolonged submersion in water. If exposed to sweat or rain, wipe them dry before placing them back in the charging case.
- **Charging:** Use only the provided Type-C cable or a certified equivalent for charging. Avoid overcharging.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your Monyhigh S48 earbuds, please refer to the following common solutions:

- **Earbuds not pairing:**
  - Ensure both earbuds are charged.
  - Turn off Bluetooth on your device, then turn it back on.
  - Forget "S48" from your device's Bluetooth list and attempt to re-pair.
  - Place earbuds back in the case, close the lid, wait a few seconds, then open and try pairing again.
- **No sound from one earbud:**
  - Ensure both earbuds are charged.
  - Try placing both earbuds back in the case and taking them out again.
  - Clean the charging contacts on both the earbuds and the case.
- **Poor sound quality:**
  - Ensure the earbuds are properly seated in your ears and you are using the correct size ear tips.
  - Check the audio source for quality issues.
  - Move closer to your connected device to avoid interference.
- **Earbuds not charging:**
  - Ensure the charging cable is securely connected to both the case and the power source.
  - Verify the power source is active.
  - Clean the charging contacts on the earbuds and inside the case.

If these steps do not resolve the issue, please contact customer support.
