Generisch Kangmusi 853359

Generisch Kangmusi 853359 Highboard Instruction Manual

Model: Kangmusi 853359

1. Product Overview

The Generisch Kangmusi 853359 Highboard is a versatile storage cabinet constructed from durable cold-rolled steel. It features a mustard yellow finish, two doors, and six internal compartments, providing ample space for organizing various household items. Its dimensions are 68 cm (width) x 39 cm (depth) x 123 cm (height).

Image 1.1: The Generisch Kangmusi 853359 Highboard, a mustard yellow steel cabinet, shown in a living room environment, demonstrating its aesthetic and functional presence.

2. Safety Information

- Always assemble the highboard on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and retighten if necessary.
- Do not exceed the maximum total load capacity of 90 kg. Distribute weight evenly across shelves.
- To prevent tipping, especially in households with children or pets, consider securing the highboard to a wall using appropriate anti-tip hardware (not included).
- Keep small parts and packaging materials away from children to avoid choking hazards.

3. Setup and Assembly

This highboard requires assembly. Please follow the detailed instructions provided in the separate assembly guide included with

your product packaging. Ensure all components are present before beginning assembly.

3.1. Package Contents

Verify that all parts listed in the assembly guide are included. Typically, the package contains:

- Cold-rolled steel panels (sides, top, bottom, back, shelves)
- Door panels and handles
- Legs/base frame
- Adjustable feet
- Assembly hardware (screws, bolts, hinges, etc.)

3.2. Assembly Steps (General Guidance)

1. Attach the base frame to the bottom panel.
2. Connect the side panels to the bottom and back panels.
3. Insert the internal shelves into the designated slots.
4. Attach the top panel.
5. Install the doors and handles.
6. Attach the adjustable feet to the bottom of the base frame.

Image 3.1: The highboard with its two doors open, revealing the six internal storage compartments, designed for organized storage.

3.3. Adjusting the Feet

The highboard is equipped with adjustable feet to ensure stability on uneven surfaces. Rotate the feet clockwise to raise the corner and counter-clockwise to lower it until the highboard is level and stable.

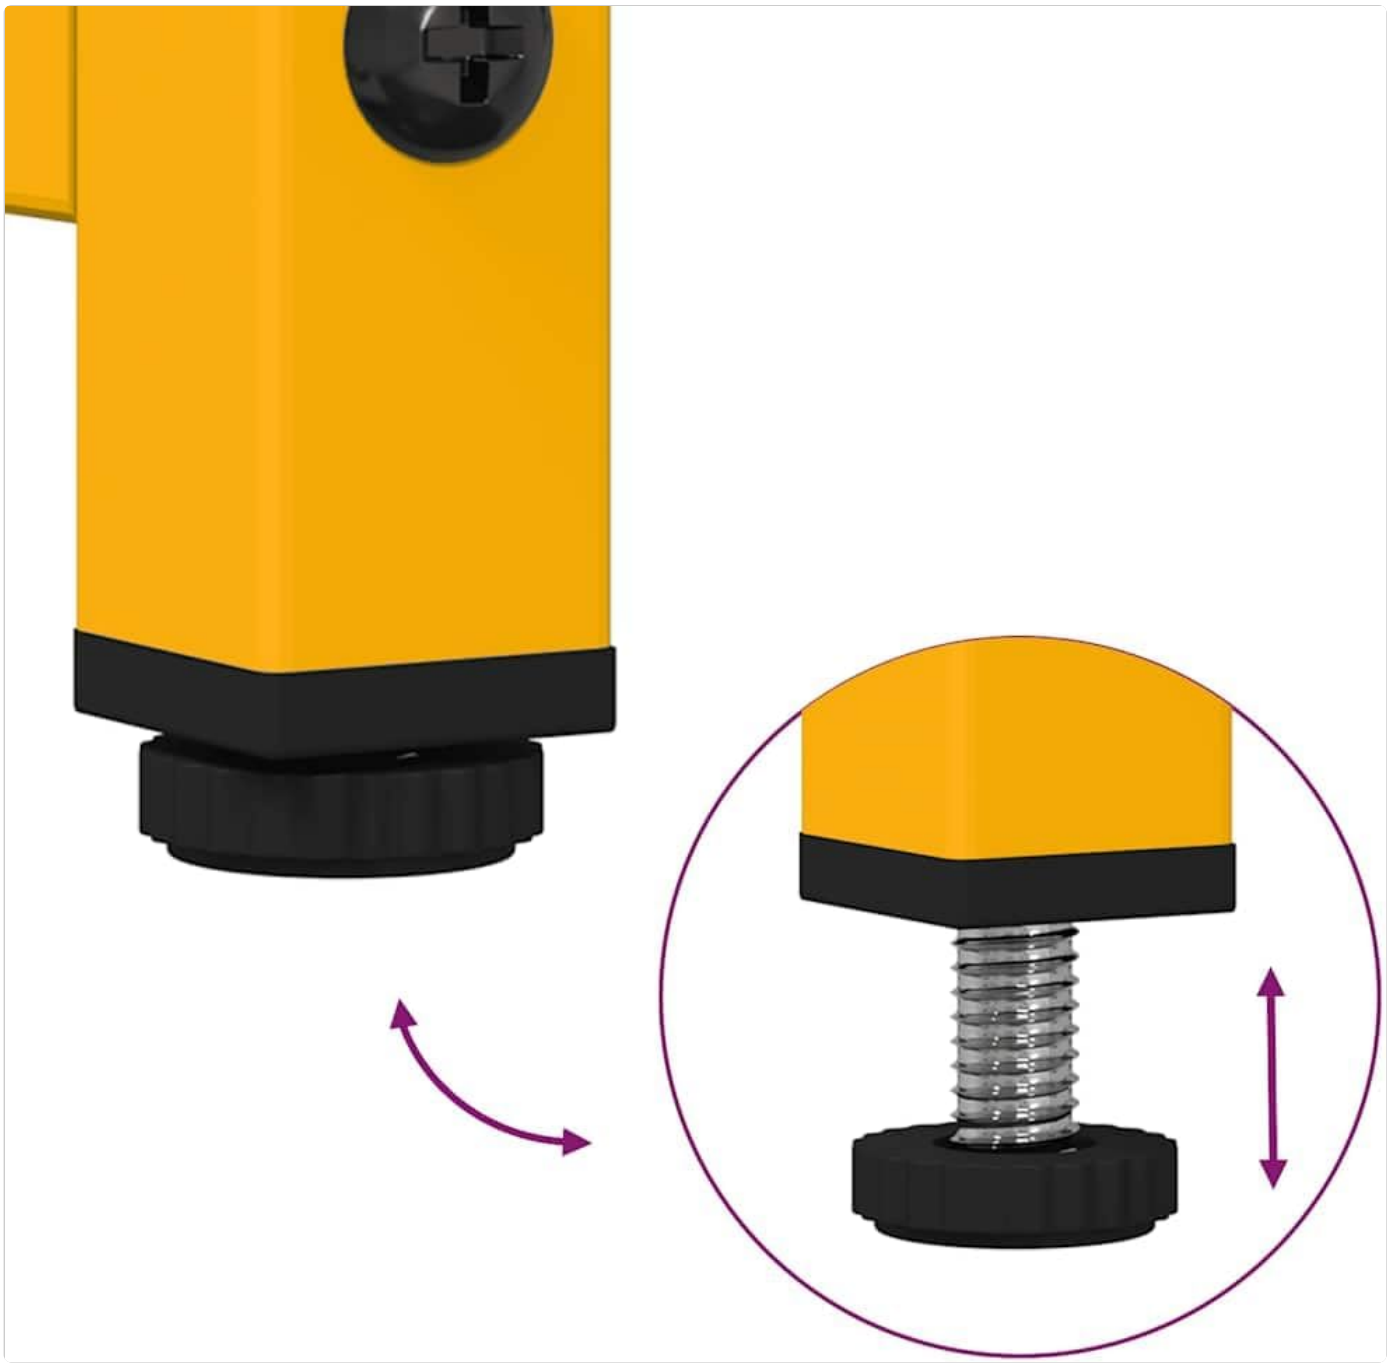

Image 3.2: A detailed view of the adjustable foot, illustrating how to rotate it to level the highboard on uneven floors.

4. Operating Instructions

The Generisch Kangmusi 853359 Highboard is designed for straightforward use.

- **Opening and Closing Doors:** Gently pull the handles to open the doors. Push the doors firmly until they close completely. Avoid slamming the doors to prevent damage to hinges and the cabinet structure.
- **Utilizing Storage:** The six compartments provide organized storage. Place heavier items on lower shelves to maintain stability. Distribute items evenly to prevent overloading any single section.

5. Maintenance

Proper maintenance will ensure the longevity and appearance of your highboard.

- **Cleaning:** Wipe the steel surfaces with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner specifically designed for metal surfaces, then dry thoroughly with a clean cloth. Avoid harsh chemicals or abrasive cleaning tools that

can scratch the finish.

- **Dusting:** Regularly dust the surfaces with a dry, soft cloth to prevent dust buildup.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten any loose fasteners to maintain structural integrity.
- **Avoid Moisture:** Do not expose the highboard to excessive moisture or direct sunlight for prolonged periods, as this may affect the finish and material integrity.

6. Troubleshooting

- **Wobbly Highboard:** If the highboard feels unstable, ensure it is placed on a level surface. Use the adjustable feet (refer to Section 3.3) to stabilize and level the unit. Check that all assembly screws are tightened.
- **Doors Not Aligning:** If the doors do not close properly or appear misaligned, check the hinge adjustments. Most hinges allow for minor adjustments to align the doors. Refer to the assembly guide for specific hinge adjustment instructions. Ensure the highboard is level.
- **Scratches on Surface:** Minor scratches on the steel surface can sometimes be minimized with a touch-up paint pen matching the mustard yellow color. For deeper scratches, professional repair may be required.

7. Specifications

Brand	Generisch
Model	Kangmusi 853359
Material	Cold-rolled Steel
Color	Mustard Yellow
Dimensions (W x D x H)	68 cm x 39 cm x 123 cm
Number of Compartments	6
Number of Doors	2
Maximum Load Capacity (Total)	90 kg
Assembly Required	Yes
Mounting Type	Floor Standing
Base Type	Legs

8. Warranty Information

For specific warranty terms and conditions, please refer to the documentation provided at the time of purchase or contact your retailer. Warranty coverage typically includes manufacturing defects under normal use.

9. Support

If you encounter any issues or have questions not covered in this manual, please contact the retailer from whom you purchased the Generisch Kangmusi 853359 Highboard. They will be able to provide assistance or direct you to the manufacturer's support services.

Ask a question about this manual

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
