IKT A10

IKT A10 Wireless Earbuds User Manual

Model: A10 | Brand: IKT

1. INTRODUCTION

Thank you for choosing the IKT A10 Wireless Earbuds. These earbuds are designed to provide a superior audio experience with advanced features such as Bluetooth 5.4 connectivity, Environmental Noise Cancellation (ENC) for clear calls, deep bass, and IP7 waterproofing. This manual will guide you through the setup, operation, and maintenance of your new earbuds to ensure optimal performance and longevity.

2. WHAT'S INCLUDED

Please check the package contents to ensure all items are present:

- IKT A10 Wireless Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- User Manual

3. GETTING STARTED

3.1 Initial Charging

Before first use, fully charge the earbuds and the charging case. The dual LED display on the charging case indicates the battery level of both the case and the individual earbuds.

1. Place both earbuds into the charging case.
2. Connect the USB charging cable to the charging port on the case and to a power source.
3. The LED display will show charging progress. A full charge typically takes approximately 1.5 hours.

3.2 First-Time Pairing

The IKT A10 earbuds feature one-step pairing for quick and easy connection.

1. Ensure the earbuds are charged and placed inside the charging case.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device (phone, tablet, laptop), enable Bluetooth and search for available devices.
4. Select "A10" from the list of discovered devices.
5. Once connected, the earbuds will automatically pair with your device whenever you open the charging case.

4. OPERATING YOUR EARBUDS

The IKT A10 earbuds are equipped with sensitive touch controls for easy management of audio and calls.

4.1 Touch Controls

The following table outlines the touch control functions:

Action	Function
Tap 2 times (x2)	Play/Pause Music, Answer/End Call
Tap and hold for 2 seconds (x2S)	Next Track (Right Earbud), Previous Track (Left Earbud), Reject Call
Tap 1 time (x1)	Volume Up (Right Earbud), Volume Down (Left Earbud)
Tap 3 times (x3)	Activate Voice Assistant (Siri, Google Assistant, etc.)

Note: To use the voice assistant, please pause the music first.

Image: Visual guide to the touch control gestures and their corresponding functions.

4.2 Power On/Off

- **Power On:** Open the charging case, and the earbuds will automatically power on and connect to the last paired device.
- **Power Off:** Place the earbuds back into the charging case and close the lid. They will automatically disconnect and power off.

4.3 Music Playback

- **Play/Pause:** Tap either earbud twice.
- **Next Track:** Tap and hold the Right earbud for 2 seconds.
- **Previous Track:** Tap and hold the Left earbud for 2 seconds.
- **Volume Up:** Tap the Right earbud once.
- **Volume Down:** Tap the Left earbud once.

4.4 Call Management

- **Answer/End Call:** Tap either earbud twice.

- **Reject Call:** Tap and hold either earbud for 2 seconds.

4.5 Voice Assistant

- **Activate:** Tap either earbud three times. Ensure music is paused for optimal performance.

5. KEY FEATURES

5.1 Enhanced Audio Quality and Deep Bass

Experience immersive sound with the IKT A10 earbuds, featuring a 14.2mm graphene diaphragm. This advanced driver technology delivers an 85% boost in bass, providing rich, deep low-frequency performance for an enhanced listening experience across all genres of music.

Image: Illustration highlighting the 14.2mm graphene driver for enhanced bass.

5.2 ENC Noise Cancelling for Clear Calls

Equipped with dual hybrid ENC (Environmental Noise Cancellation) microphones, these earbuds effectively

eliminate up to 90% of background noise. This ensures crystal-clear voice transmission during phone calls, video conferences, and real-time streaming, making your conversations private and distinct.

5.4 IP7 Waterproofing

With IP7 nano-coating technology, the earbuds are protected against sweat and humidity. This makes them suitable for use during sports activities, workouts, or in light rain, ensuring durability and reliability in various environments.

5.5 Extended Playtime

Enjoy prolonged listening sessions with up to 8 hours of playtime on a single charge. The compact charging case provides an additional 50 hours of battery life, ensuring your earbuds are ready for extended travel or daily use without frequent recharging.

6. MAINTENANCE AND CARE

Proper care will extend the life and performance of your earbuds.

6.1 Cleaning Instructions

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Gently remove any earwax or debris from the earbud mesh using a small, soft brush or cotton swab.
- Ensure charging contacts on both earbuds and case are clean and dry.

6.2 Storage Guidelines

- Always store the earbuds in their charging case when not in use to protect them and keep them charged.
- Store in a cool, dry place, away from extreme temperatures and direct sunlight.
- Avoid exposing the earbuds to excessive moisture or corrosive materials.

7. TROUBLESHOOTING

If you encounter any issues with your IKT A10 Wireless Earbuds, please refer to the following common problems and solutions:

Problem	Possible Solution
Earbuds not pairing with device	◦ Ensure earbuds are charged. ◦ Place earbuds back in case, close lid, then open to re-enter pairing mode. ◦ Turn off and on Bluetooth on your device. ◦ Forget/remove "A10" from your device's Bluetooth list and try pairing again.
Only one earbud working	◦ Ensure both earbuds are charged. ◦ Place both earbuds in the charging case, close the lid, wait a few seconds, then open. ◦ Clean the charging contacts on both earbuds and inside the case.
Low volume or poor sound quality	◦ Adjust volume on both your device and the earbuds. ◦ Clean the earbud mesh to remove any obstructions. ◦ Ensure earbuds are properly seated in your ears. ◦ Move closer to your connected device to avoid interference.

Problem	Possible Solution
Charging case not charging	◦ Check the USB cable and power adapter. Try a different cable or adapter. ◦ Ensure the charging port on the case is clean and free of debris.

If the issue persists after trying these solutions, please contact customer support.

8. TECHNICAL SPECIFICATIONS
