# Merax Twin Size Platform Bed with Storage Headboard and LED Light Instruction Manual

Model: B0F13SCSLY

### INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, and maintenance of your Merax Twin Size Platform Bed. This bed frame features a versatile headboard with storage, two under-bed drawers, integrated LED lighting, and convenient charging ports. Constructed from high-quality solid pine wood and MDF, it offers a sturdy and safe sleeping solution. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

### SETUP AND ASSEMBLY

---

The Merax Twin Size Platform Bed is designed for straightforward assembly. All necessary hardware and step-by-step instructions are included in your package. It is recommended to assemble the bed with two people.

- Unpack All Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Verify that all parts listed in the hardware and parts list are present.
- Identify Hardware:** Separate and identify all screws, bolts, and other hardware components.
- Follow Step-by-Step Instructions:** Refer to the included assembly guide for detailed diagrams and instructions. Assemble the headboard first, then the side rails, and finally the bed base and drawers.
- Secure All Fasteners:** Ensure all screws and bolts are tightened securely. Do not overtighten to avoid damaging the wood.
- Install Slats:** Place the wooden slats evenly across the bed frame and secure them according to the instructions.

## OPERATING INSTRUCTIONS

### LED Lighting

The integrated LED light strip in the headboard provides gentle illumination. To operate, locate the power switch on the headboard. Press the switch to turn the LED light on or off.

### Charging Ports (USB & Type-C)

The headboard includes built-in USB and Type-C ports for convenient charging of your electronic devices. Simply plug your device's charging cable into the appropriate port. Ensure the bed is connected to a power source for the charging ports to function.

## MAINTENANCE

- **Cleaning:** Wipe all surfaces with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or solvents, as these may damage the finish.
- **Regular Inspection:** Periodically inspect all fasteners (screws, bolts) to ensure they remain tight. Retighten any loose connections to maintain stability and safety.
- **Drawer Care:** Keep the drawer tracks clean and free of debris to ensure smooth operation.
- **Weight Capacity:** Do not exceed the recommended weight capacity of 300 lbs for the bed frame.

## TROUBLESHOOTING

- **Bed Frame Feels Wobbly:**  
**Solution:** Check all assembly points and ensure that every screw and bolt is securely tightened. Over time, fasteners can loosen, requiring re-tightening.
- **LED Light Not Working:**  
**Solution:** Verify that the bed's power cord is properly plugged into a functional wall outlet. Ensure the LED light switch on the headboard is in the 'on' position. Check for any visible damage to the LED strip or wiring.
- **Charging Ports Not Functioning:**  
**Solution:** Confirm the bed is connected to a power source. Test with a different device and charging cable to rule out device-specific issues.
- **Drawers Are Sticking or Difficult to Open/Close:**  
**Solution:** Ensure the drawers are correctly aligned on their tracks. Check for any obstructions or debris in the drawer slides. Verify that the drawer components were assembled correctly.
- **Missing or Damaged Parts:**  
**Solution:** If you discover any missing or damaged parts upon unpacking, do not proceed with

assembly. Contact Merax customer support immediately for assistance and replacement parts.
