IRONCK QR-988

IRONCK Dog Crate Furniture Model QR-988 Instruction Manual

Model: QR-988

Brand: IRONCK

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your IRONCK Dog Crate Furniture Model QR-988. This product is designed to serve as both a comfortable enclosure for your pet and a functional piece of furniture for your home. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

2. SAFETY INFORMATION

Always prioritize safety when assembling and using the dog crate furniture. Failure to follow these guidelines may result in injury or damage to the product.

- **Adult Assembly Required:** This product requires adult assembly. Keep small parts away from children and pets during assembly.
- **Weight Capacity:** The top surface of the furniture can support up to 180 lbs (approximately 81 kg). Do not exceed this weight limit to prevent damage or instability.
- **Proper Placement:** Place the crate on a flat, stable surface. Ensure it is not placed near heat sources, open flames, or in areas with excessive moisture. This product is intended for indoor use only.
- **Pet Suitability:** Ensure the crate size is appropriate for your dog. Your dog should be able to stand up, turn around, and lie down comfortably inside.
- **Regular Inspection:** Periodically check all screws, bolts, and connections to ensure they remain tight and secure.

- **Ventilation:** The design includes ventilation for your pet's comfort. Do not obstruct the ventilation openings.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Wooden panels (various sizes)
- Metal frame components and door
- Hardware kit (screws, bolts, cam locks, dowels, etc.)
- 4 Metal hooks
- Assembly tools (e.g., Allen wrench)
- Instruction manual

4. ASSEMBLY INSTRUCTIONS

Assembly of the IRONCK Dog Crate Furniture is designed to be straightforward with the included detailed instructions and tools. For optimal ease and safety, it is recommended to have two adults for the assembly process.

1. **Unpack and Identify:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Identify each part by comparing it to the parts list in the separate assembly guide.
2. **Follow Step-by-Step Guide:** Refer to the dedicated assembly guide provided with your product. Each step is illustrated and clearly described.
3. **Secure Connections:** Ensure all screws, bolts, and cam locks are tightened securely at each step. Do not overtighten.
4. **Install Metal Frame:** Attach the thickened metal iron frame components as instructed, ensuring the door operates smoothly.
5. **Attach Storage Shelf and Hooks:** Secure the upper storage shelf and the four metal hooks according to the instructions.
6. **Final Check:** Once assembled, gently shake the unit to confirm stability. Re-tighten any loose connections if necessary.

Thickened Metal Iron Frame Design

Ensure that naughty dogs cannot destroy

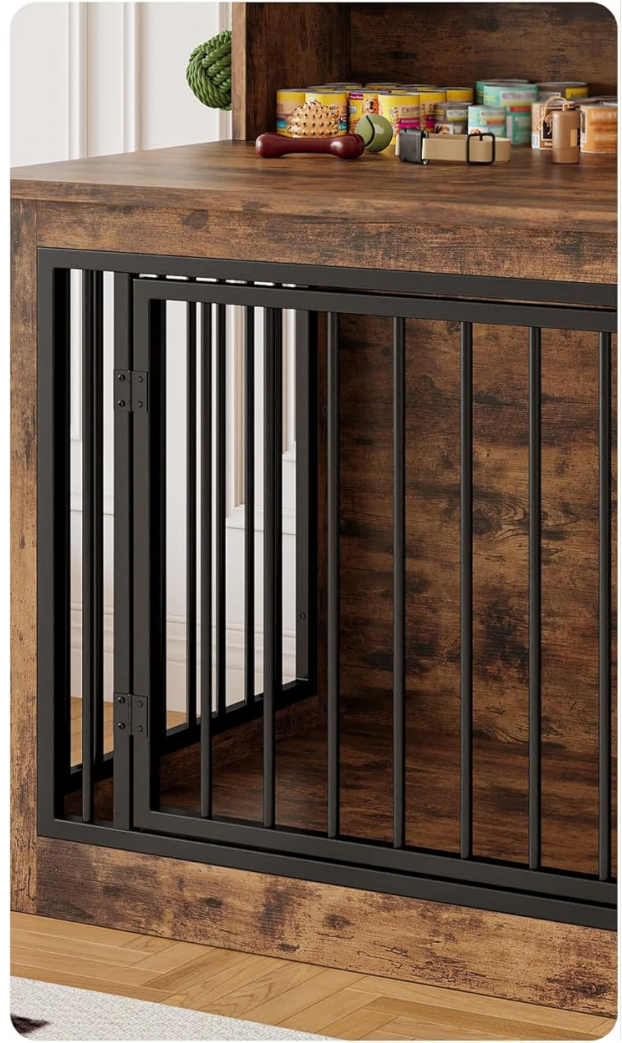

Image 4.2: Detail showing the thickened metal iron frame design, which contributes to the crate's durability.

5. OPERATING INSTRUCTIONS

The IRONCK Dog Crate Furniture is designed for ease of use and versatility.

- **Crate Door Operation:** The metal door features a heavy-duty secure latch. To open, slide the latch mechanism and pull the door outwards. To close, push the door shut and engage the latch firmly.
- **Storage Shelf:** The upper shelf provides additional storage space for pet supplies such as food, treats, or toys.
- **Metal Hooks:** Utilize the four metal hooks located on the side of the upper shelf for hanging leashes, collars, or small accessories.
- **Furniture Top:** The sturdy top surface can be used as an end table or coffee table, suitable for displaying decorative items, photo frames, or plants.

6. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your IRONCK Dog Crate Furniture.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish. Promptly clean any spills, especially pet accidents, to prevent staining or damage to the engineered wood.
- **Dusting:** Regularly dust the furniture with a dry, soft cloth.
- **Hardware Check:** Periodically inspect all hardware (screws, bolts, latches) and tighten if necessary to maintain structural integrity.
- **Avoid Moisture:** Do not expose the furniture to excessive moisture or humidity, as this can cause warping or damage to the wood.

Easy to Clean **Heavy-duty secure door latch** **Rounded corner design**

7. TROUBLESHOOTING

If you encounter issues with your dog crate furniture, refer to these common troubleshooting tips.

- **Instability:** If the crate feels wobbly, re-check all connections and ensure screws are tightened. Make sure the unit is on a level surface.
- **Door Not Closing/Latching:** Verify that the door is properly aligned within its frame. Check for any obstructions or bent metal components. Ensure the latch mechanism is free of debris and operates smoothly.
- **Missing Parts:** If parts are missing upon unboxing, do not attempt to assemble. Contact customer support immediately for replacement parts.
- **Damage During Assembly:** If a component is damaged during assembly, stop and contact customer support. Do not force parts together.
