Haier 65S800QT-P

Haier 65S800QT-P 65-inch 4K Ultra HD Smart QLED Google TV User Manual

Model: 65S800QT-P

INTRODUCTION

This manual provides essential information for the proper setup, operation, and maintenance of your Haier 65S800QT-P 65-inch 4K Ultra HD Smart QLED Google TV. Please read these instructions thoroughly before using the television and retain them for future reference.

PACKAGE CONTENTS

Verify that all items listed below are included in your package:

- 1 LED TV
- 2 Table Stand Bases
- 1 Remote Control
- 1 AV IN Adapter
- 1 AC Cord
- 2 AAA Batteries

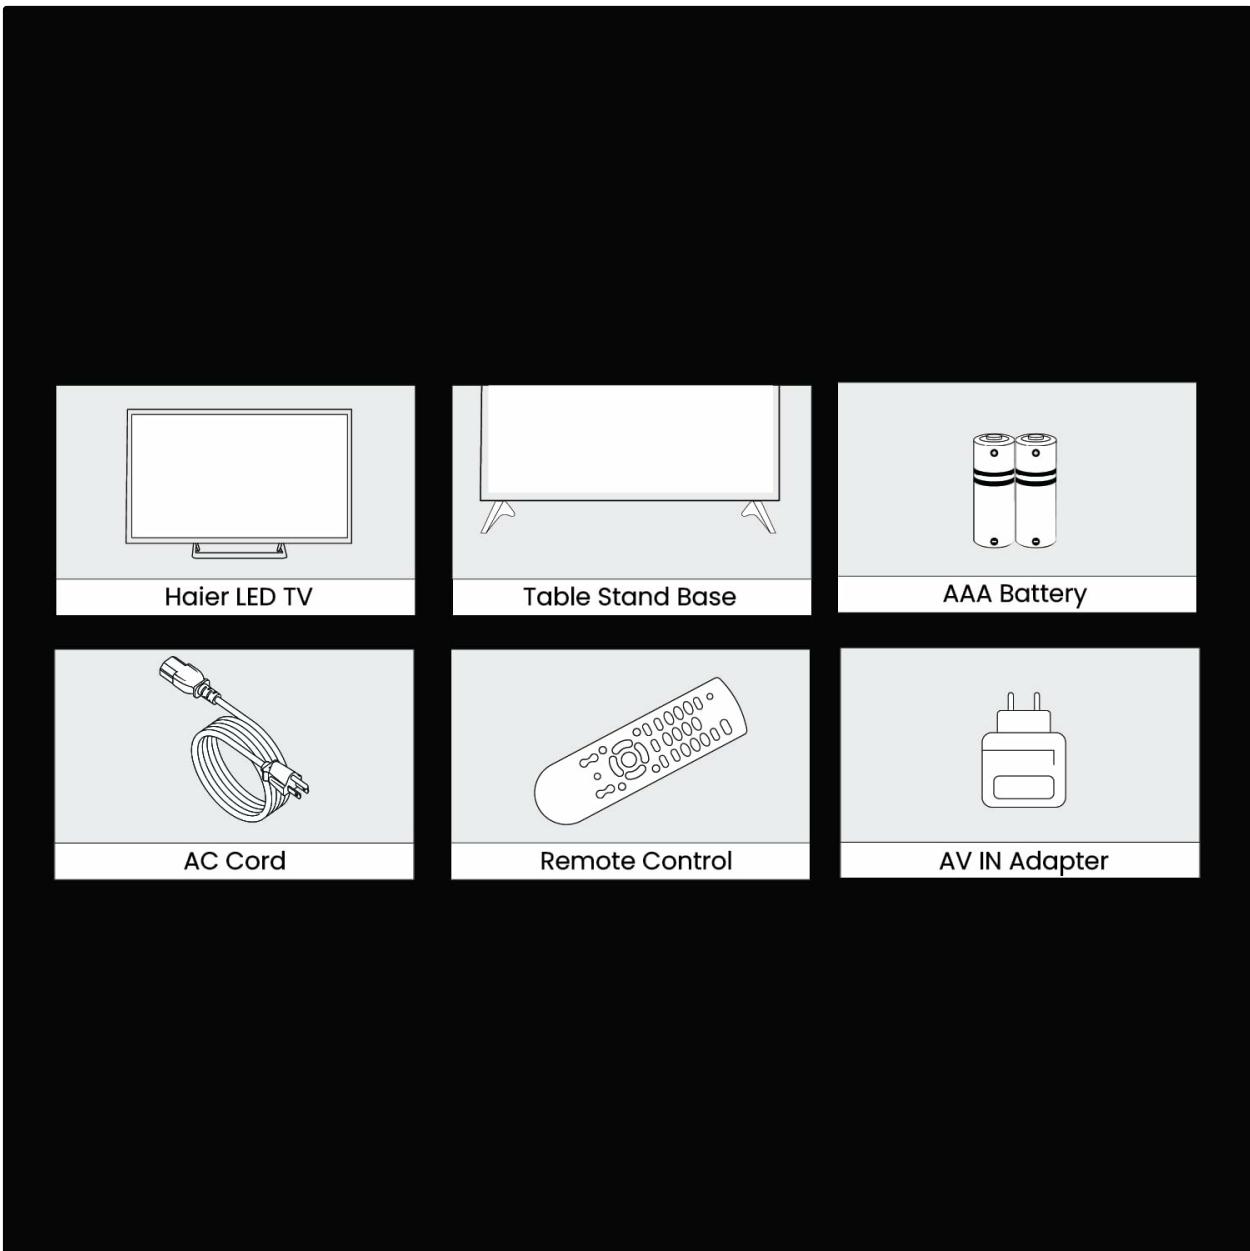

Image: Contents of the Haier 65S800QT-P TV package, including the television unit, stand, remote, power cord, AV adapter, and batteries.

SETUP

1. Physical Installation

Your Haier TV can be installed using the included table stand or a compatible wall mount (sold separately). Ensure the installation surface is stable and can support the television's weight.

Table Stand Installation:

1. Carefully place the TV screen-down on a soft, flat surface to prevent damage.
2. Attach the two table stand bases to the designated slots at the bottom of the TV, securing them with the provided screws.
3. Gently lift the TV to its upright position on a stable, level surface.

Wall Mount Installation:

For wall mounting, consult a professional installer and refer to the wall mount's specific instructions. Ensure the wall mount is compatible with VESA standards for your TV model.

2. Connecting Peripherals

Connect your external devices to the TV using the appropriate ports. The TV features multiple connectivity options:

- **HDMI Ports (x4):** For set-top boxes, laptops, gaming consoles, and other HDMI-enabled devices.
- **USB Ports (x2):** For connecting hard drives or other USB devices.
- **Ethernet:** For a wired internet connection.
- **Wi-Fi:** For wireless internet connectivity.
- **Auxiliary:** For audio input.

Image: Illustration of an HDMI 2.1 port, indicating high-speed connectivity for external devices.

3. Power Connection

Connect the AC power cord to the TV's power input and then plug it into a wall outlet. The TV is designed to operate on 240 Volts AC.

OPERATING THE TV

1. Initial Setup

Upon first power-on, the TV will guide you through the initial setup process, including language selection, network connection (Wi-Fi or Ethernet), and Google account sign-in for Google TV features.

2. Remote Control

The included remote control allows you to navigate the TV's interface and access various functions. Insert the two AAA batteries into the remote control, ensuring correct polarity.

- **Power Button:** Turns the TV on or off.
- **Navigation Pad (OK button):** For menu navigation and selection.
- **Volume Up/Down:** Adjusts the audio level.
- **Channel Up/Down:** Changes TV channels.
- **Quick Launch Buttons:** Dedicated buttons for popular streaming services like Netflix and Prime Video, and for Google Assistant.
- **Google Assistant Button:** Activates voice control.

3. Google TV Features

Your Haier TV runs on Google TV, providing access to a wide range of applications and smart functionalities:

- **Watchlist:** Organize your favorite movies and shows across different streaming services.
- **Google Assistant:** Use voice commands for search, control smart home devices, and more.
- **Chromecast Built-in:** Cast content from your smartphone, tablet, or computer directly to the TV.
- **App Access:** Download and install applications from the Google Play Store, including Prime Video, Netflix, Jio Hotstar, Sony Liv, Zee5, Apple TV, and many others.

GAMING FEATURES

The Haier 65S800QT-P is equipped with features designed to enhance your gaming experience:

- **Game Mode:** Optimizes settings for gaming, reducing input lag.
- **VRR (Variable Refresh Rate):** Synchronizes the TV's refresh rate with the game console's frame rate to eliminate screen tearing and stuttering.
- **ALLM (Auto Low Latency Mode):** Automatically switches the TV to a low-latency mode when a game console is detected, minimizing input lag.
- **HDMI 2.1:** Supports advanced gaming features like VRR and ALLM.

Game Mode

Get the edge in gaming with features like Variable Refresh Rate, Auto Low Latency Mode, next-gen Wi-Fi, and HDMI 2.1 for a seamless and responsive experience.

Maintenance

To ensure the longevity and optimal performance of your Haier TV, follow these maintenance guidelines:

- Cleaning the Screen:** Gently wipe the screen with a soft, dry, lint-free cloth. For stubborn marks, slightly dampen the cloth with water or a specialized screen cleaner. Avoid harsh chemicals or abrasive materials.
- Cleaning the Cabinet:** Use a soft, dry cloth to wipe the TV cabinet.
- Ventilation:** Ensure adequate airflow around the TV. Do not block ventilation openings.
- Power Cord:** Regularly check the power cord for any damage. Disconnect the TV from the power outlet during thunderstorms or when unused for extended periods.

Troubleshooting

If you encounter issues with your TV, refer to the following common solutions:

Problem	Possible Solution
No power	Check if the power cord is securely connected to both the TV and the wall outlet. Ensure the outlet is functioning.
No picture, but sound is present	Verify the correct input source is selected. Check cable connections to external devices.
No sound, but picture is present	Check the volume level and ensure the TV is not muted. Verify audio cable connections.
Remote control not working	Replace the AAA batteries. Ensure there are no obstructions between the remote and the TV's IR sensor.
Cannot connect to Wi-Fi	Ensure your Wi-Fi router is on and within range. Re-enter the Wi-Fi password. Try restarting the TV and router.

For further assistance, refer to the official Haier support website or contact customer service.
