3. PRODUCT OVERVIEW

Earbud Components

- **Earhook:** Flexible material for secure fit over the ear.
- **Multi-function Button:** For controlling playback, calls, and voice assistant.
- **LED Indicator:** Displays connection status and battery.
- **Microphone:** For calls and voice commands, featuring ENC noise cancellation.
- **Ear Tip:** Interchangeable for comfortable fit and sound isolation.

Charging Case Components

- **Charging Ports:** For earbuds.
- **USB-C Port:** For charging the case.
- **LED Digital Display:** Shows charging case battery percentage and individual earbud charging status.

4. CHARGING

Charging the Earbuds

1. Place the earbuds into the charging case, ensuring they are correctly seated in their respective L (Left) and R (Right) slots.
2. The LED indicators on the earbuds will illuminate to show they are charging. The charging case's digital display will show the charging progress for each earbud.
3. A full charge provides approximately 15 hours of continuous playback.

Charging the Charging Case

1. Connect the provided USB-C charging cable to the charging port on the case.
2. Connect the other end of the cable to a USB power adapter (not included) or a computer's USB port.
3. The digital display on the case will show the current battery percentage, indicating charging status.
4. The charging case can provide 5-6 full charges for the earbuds, extending total playtime to approximately 75 hours.

Image: An illustration highlighting the total battery life of 75 hours with the charging case and 15 hours on a single earbud charge.

5. WEARING THE EARBUDS

For optimal sound quality and a secure fit, follow these steps:

1. **Choose Ear Tips:** Select the ear tips (S, M, L) that best fit your ear canal. A good seal is crucial for bass response and noise isolation.
2. **Position Earbud:** Gently insert the earbud into your ear canal.
3. **Adjust Earhook:** Rotate the earbud backward until the flexible earhook sits comfortably and securely over your ear.
4. **Final Adjustment:** Adjust the earbud to a comfortable and secure angle, ensuring it feels stable during movement.

6. PAIRING AND CONNECTIVITY

The Aptkdoe HD65 earbuds utilize advanced Bluetooth 5.4 technology for stable and efficient connections.

Initial Pairing

1. **Power On:** Open the charging case. The earbuds will automatically power on and enter pairing mode. The LED indicators on the earbuds will flash.
2. **Enable Bluetooth:** On your device (smartphone, tablet, laptop), enable Bluetooth.
3. **Select Device:** Search for available Bluetooth devices and select "HD65" from the list.
4. **Confirm Connection:** Once connected, the earbud LED indicators will stop flashing, and a voice prompt will confirm the connection.

Automatic Reconnection

After initial pairing, the earbuds will automatically connect to the last paired device when removed from the charging case, provided Bluetooth is enabled on the device and it is within range.

Compatibility

The earbuds are compatible with most Bluetooth-enabled devices, including iOS, Android, and Windows operating systems.

ENC Noise Cancelling Mic for Clear Calls

Eliminate disruptive background noise to ensure clear calls

7. OPERATING THE EARBUDS (BUTTON FUNCTIONS)

The Aptkdoe HD65 earbuds feature physical buttons for easy control of music playback, calls, and voice assistant functions.

Earbud Button Controls

Function	Action (Left Earbud)	Action (Right Earbud)
Play/Pause	One tap	One tap
Volume +	N/A	Long press (2s)
Volume -	Long press (2s)	N/A
Previous Track	Double tap	N/A
Next Track	N/A	Double tap
Answer Call	One tap	One tap
End Call	One tap	One tap
Reject Call	Long press (2s)	Long press (2s)
Activate Voice Assistant	Triple tap	Triple tap

8. SOUND AND CALL QUALITY

The Aptkdoe HD65 earbuds are engineered to deliver a clear audio experience.

- **Hi-Fi Stereo Sound:** Equipped with 14.2mm dynamic drivers, these earbuds produce balanced audio with clear highs, rich mids, and deep bass.
- **ENC Noise Cancelling Mic:** The integrated Environmental Noise Cancellation (ENC) microphones reduce background noise during calls, ensuring your voice is transmitted clearly to the other party.

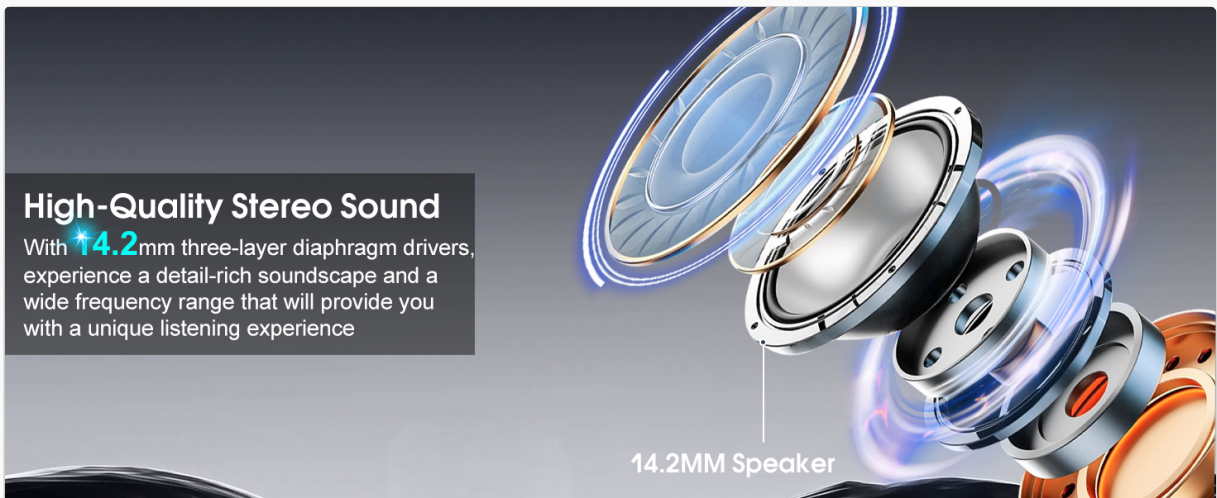

Image: An exploded view diagram illustrating the components of the 14.2mm audio driver, emphasizing its role in delivering high-fidelity stereo sound.

Bluetooth 5.4

Bluetooth 5.4 allows for fast pairing and a more stable connection, ensuring uninterrupted streaming within a 15-meter range. It is also compatible with most Bluetooth devices.

More stable connection Lower power consumption Lower latency Longer transmission range

Image: A graphic highlighting the ENC Noise Cancelling Microphone on the earbud, designed to eliminate disruptive background noise for clear calls.

9. WATER RESISTANCE

The Aptkdoe HD65 Wireless Earbuds are rated IPX7 waterproof, making them suitable for sports and outdoor activities.

- **IPX7 Rating:** This rating means the earbuds can withstand sweat, splashes, and rain. They are protected against immersion in water up to 1 meter for up to 30 minutes.
- **Usage:** Ideal for jogging, gym workouts, yoga, and other sports where exposure to moisture is common.
- **Caution:** The charging case is not waterproof. Do not expose the charging case to water or moisture. Ensure earbuds are dry before placing them back into the charging case.

Comfy & Secure Fit

Steps to Wear

- ① Choose suitable earplugs and insert them into ear canal.
- ② Rotate backward until the earhook sits nicely.
- ③ Adjust earbuds to a comfortable and secure angle.

10. SPECIFICATIONS

Technical Specifications

Feature	Detail
Model Name	HD65
Connectivity Technology	Wireless (Bluetooth)
Bluetooth Version	5.4
Bluetooth Range	Up to 15 meters (33 feet)
Noise Control	Environmental Noise Cancellation (ENC)
Audio Driver Size	14.2 mm
Earbud Battery Life	Up to 15 hours (single charge)
Total Playtime (with case)	Up to 75 hours
Water Resistance Level	IPX7 Waterproof
Control Type	Push Button (Media Control)
Earpiece Shape	Hook (Over Ear)
Item Weight	0.16 Kilograms (5.6 ounces)

11. TROUBLESHOOTING

If you encounter any issues with your Aptkdoe HD65 Wireless Earbuds, please refer to the following common solutions:

- **No Sound:**
 - Ensure earbuds are charged.
 - Check device volume and earbud volume.
 - Verify earbuds are correctly paired and connected to your device.
 - Try restarting your device and re-pairing the earbuds.
- **Cannot Pair:**
 - Ensure earbuds are in pairing mode (LEDs flashing).
 - Turn off Bluetooth on other nearby devices to avoid interference.
 - Move earbuds closer to your device.
 - Forget "HD65" from your device's Bluetooth list and try pairing again.
- **Intermittent Connection:**
 - Ensure there are no obstructions between the earbuds and your device.
 - Stay within the 15-meter Bluetooth range.
 - Avoid environments with strong Wi-Fi or other wireless interference.
- **Earbuds Not Charging:**
 - Ensure the charging case has sufficient battery.
 - Check that the earbuds are properly seated in the charging case.
 - Verify the USB-C cable and power adapter are working correctly.

- Clean the charging contacts on both the earbuds and the case with a dry cotton swab.

12. MAINTENANCE

Proper maintenance helps extend the lifespan of your earbuds:

- **Cleaning:** Regularly wipe the earbuds and charging case with a soft, dry cloth. For ear tips, remove them and clean with mild soap and water, then dry thoroughly before reattaching.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Avoid Extreme Conditions:** Do not expose the earbuds or case to extreme temperatures, direct sunlight for prolonged periods, or corrosive liquids.
- **Water Exposure:** While the earbuds are IPX7 waterproof, always ensure they are completely dry before placing them back into the charging case to prevent damage to the charging contacts.

13. WARRANTY AND SUPPORT

Warranty Information

Aptkdoe provides a **2-year warranty** for the HD65 Wireless Earbuds, covering manufacturing defects from the date of purchase. This warranty does not cover damage caused by misuse, accidents, unauthorized modifications, or normal wear and tear.

Customer Support

For technical assistance, warranty claims, or any other inquiries, please contact Aptkdoe customer support through the retailer where the product was purchased or refer to the official Aptkdoe website for contact information.
