Aptkdoe HD65

Aptkdoe HD65 Wireless Earbuds User Manual

Model: HD65

1. INTRODUCTION

Thank you for choosing the Aptkdoe HD65 Wireless Earbuds. These earbuds are designed to provide a superior audio experience with advanced features such as Bluetooth 5.4 connectivity, Hi-Fi stereo sound, ENC noise cancellation, and IPX7 waterproofing. This manual will guide you through the setup, operation, and maintenance of your new earbuds to ensure optimal performance and longevity.

2. SAFETY INFORMATION

Please read all safety warnings carefully before using the product. Failure to follow these instructions may result in damage to the product or personal injury.

- Do not disassemble, hit, or burn the device.
- Keep away from water and high humidity environments when not in use, despite IPX7 rating, prolonged submersion is not recommended.
- Avoid extreme temperatures.
- Use only the provided charging cable and a compatible power adapter. The power delivered by the charger must be between min 0.24 Watts and max 2.64 Watts to achieve maximum charging speed.
- Keep out of reach of children.

3. PACKAGE CONTENTS

Ensure all items are present in the package:

- 2 x Wireless Earbuds (Left and Right)
- 1 x Fast Charging Case
- 1 x USB-C Charging Cable
- 3 x Pairs of Earplugs (S, M, L)
- 1 x Instruction Manual

4. SETUP

4.1 Charging the Earbuds and Case

Before first use, fully charge both the earbuds and the charging case. Connect the USB-C charging cable to the charging port on the case and a power source. The dual LED display on the case will show the charging progress and remaining battery percentage.

- Earbuds provide up to 15 hours of continuous use on a single charge.
- The portable charging case can recharge the earbuds 5-6 times, offering a total playtime of up to 75 hours.
- Fast charging takes approximately 1.5 hours for the earbuds and 2 hours for the charging case.

4.2 Pairing with Your Device

The earbuds feature advanced Bluetooth 5.4 technology for instant pairing and stable transmission.

1. Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for "HD65" in the list of available Bluetooth devices and select it to connect.
4. Once connected, the earbuds will automatically pair with your device in the future when the case is opened.

4.3 Wearing the Earbuds

The HD65 earbuds are designed with ergonomic ear hooks for a secure and comfortable fit, especially during sports activities.

1. Choose the suitable earplugs (S, M, L) that best fit your ear canal for optimal sound and comfort.
2. Insert the earbud into your ear canal.
3. Rotate the earbud backward until the earhook sits securely over your ear.
4. Adjust the earbud to a comfortable and secure angle.

Volume Up	N/A	Long press 2s
Volume Down	Long press 2s	N/A
Previous Track	Double tap	N/A
Next Track	N/A	Double tap
Answer Call	One tap (L/R)	One tap (L/R)
Hang Up Call	One tap (L/R)	One tap (L/R)
Play/Pause	One tap (L/R)	One tap (L/R)
Voice Assistant	Quick triple tap (L/R)	Quick triple tap (L/R)

6. MAINTENANCE

6.1 Cleaning

Regular cleaning helps maintain sound quality and hygiene. Use a soft, dry, lint-free cloth to wipe the earbuds and charging case. Do not use abrasive cleaners or solvents.

6.2 Water Resistance (IPX7)

The HD65 earbuds are IPX7 waterproof, meaning they can withstand sweat and rain. This makes them ideal for sports and outdoor activities. However, they are not designed for swimming or prolonged submersion in water. Ensure the earbuds are dry before placing them back in the charging case to prevent damage.

Image: A visual representation of the earbuds being splashed with water, illustrating their IPX7 waterproof and sweat-resistant capabilities.

6.3 Storage

When not in use, store the earbuds in their charging case to protect them and keep them charged. Store the case in a cool, dry place away from direct sunlight.

7. TROUBLESHOOTING

If you encounter any issues, please refer to the following common solutions:

Troubleshooting Guide

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget "HD65" from your device's Bluetooth list and re-pair.
Only one earbud working	Place both earbuds back in the charging case, close the lid, wait a few seconds, then open and try again. Ensure both earbuds are charged.
Low volume or poor sound quality	Adjust volume on both earbuds and your device. Ensure ear tips are properly sealed in your ear canal. Clean any debris from the earbud speakers.
Earbuds falling out	Try different sizes of ear tips (S, M, L) to find the best fit. Ensure the ear hooks are properly positioned over your ears.

Problem	Possible Solution
Charging case not charging	Check the USB-C cable and power adapter. Ensure the charging port is clean and free of debris.
