BORNOON Standard 9-Drawer

BORNOON 9-Drawer Dresser Instruction Manual

Model: Standard 9-Drawer | Brand: BORNOON

1. INTRODUCTION AND OVERVIEW

Thank you for choosing the BORNOON 9-Drawer Dresser. This modern wooden storage chest is designed to provide ample storage and enhance the aesthetic of your living space. Its versatile design allows it to function as a clothing organizer, a TV stand for up to a 65-inch television, or a general storage unit for various rooms.

This manual provides essential information for the safe assembly, operation, and maintenance of your new dresser. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

2. SAFETY INFORMATION

To ensure safe use of your dresser, please observe the following precautions:

- **Two-Person Assembly:** Due to the weight and size of the dresser (approximately 108.25 pounds), assembly and moving should ideally be performed by two adults to prevent injury.
- **Anti-Tip Kit:** Always install the included anti-tip kit to secure the dresser to the wall. This is crucial to prevent accidental tipping, especially in households with children or pets.
- **Weight Distribution:** Distribute items evenly across drawers and on the top surface. Avoid placing excessively heavy objects on the top or in a single drawer.
- **Stable Surface:** Place the dresser on a flat, level, and stable surface to prevent wobbling or instability.
- **Drawer Safety:** Do not allow children to climb on or play with the drawers. Keep drawers closed when not in use.

3. PACKAGE CONTENTS

Your BORNOON 9-Drawer Dresser will arrive in two separate packages, which may be delivered on different days. Please ensure you have received both packages before beginning assembly.

Carefully unpack all components and verify that all parts are present and undamaged. Refer to the detailed parts list provided in the separate assembly instructions booklet. If any parts are missing or damaged, please contact BORNOON customer support immediately for free replacements.

4. SETUP AND ASSEMBLY

Assembly of the BORNOON 9-Drawer Dresser requires attention to detail. Follow the step-by-step instructions provided in the separate assembly manual included with your product. All parts are labeled, and necessary tools are provided for a smooth setup.

- **Preparation:** Clear a spacious area for assembly. Lay out all parts on a soft, clean surface to prevent scratches.
- **Follow Instructions:** Adhere strictly to the numbered steps in the assembly manual. Pay close attention to diagrams and orientations of parts.
- **Hardware:** Use the correct hardware for each step. Do not overtighten screws, as this can damage the engineered wood.
- **Drawer Slides:** Ensure drawer slides are installed correctly and aligned. Incorrect installation can lead to uneven drawer operation.
- **Anti-Tip Kit:** Install the anti-tip kit as the final step to secure the dresser to a wall stud.

For a visual guide, please refer to the official assembly video:

Video 4.1: Official BORNOON 9-Drawer Dresser Assembly Guide. This video provides a detailed walkthrough of the assembly process.

5. OPERATING INSTRUCTIONS

Your BORNOON 9-Drawer Dresser is designed for straightforward use:

- **Drawer Operation:** The reinforced drawer track system ensures smooth and quiet operation. Pull drawers gently to open and push firmly to close. Avoid slamming drawers.
- **Storage Capacity:** Utilize the nine spacious drawers (each 14.3" D x 18.2" W x 8.4" H) for organizing clothes, accessories, linens, or other household items.
- **TV Stand Functionality:** The wide tabletop can accommodate a television up to 65 inches. Ensure the TV's base fits securely within the dresser's top surface dimensions and that the weight capacity is not exceeded.

6. MAINTENANCE

Proper care will extend the life and appearance of your dresser:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the glossy finish.
- **Spills:** Clean spills immediately to prevent staining or damage to the engineered wood.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.
- **Humidity:** Maintain a stable room temperature and humidity level to prevent warping or cracking of the wood.
- **Hardware Check:** Periodically check and tighten all screws and fasteners to ensure structural integrity.

7. TROUBLESHOOTING

If you encounter issues with your dresser, refer to the following common solutions:

Problem	Possible Cause	Solution
Drawers do not close flush or are uneven.	Incorrect installation or alignment of drawer slides.	Review the assembly instructions for drawer slide installation. Adjust the outer drawer slides by loosening screws and repositioning them in the slotted holes to achieve proper alignment.
Dresser feels wobbly or unstable.	Not placed on a level surface; fasteners are loose.	Ensure the dresser is on a completely flat surface. Check and tighten all assembly screws. Verify the anti-tip kit is securely installed.
Missing or damaged parts upon delivery.	Shipping damage or packaging error.	Do not proceed with assembly. Contact BORNOON customer support for free replacement parts.
