vivo T4x

Vivo T4x 5G Smartphone User Manual

Model: T4x | Brand: vivo

1. Introduction

This manual provides essential instructions for using your Vivo T4x 5G smartphone. It covers device setup, operational guidance, maintenance tips, troubleshooting common issues, and detailed product specifications. Please read this manual thoroughly to ensure proper and safe use of your device.

2. What's in the Box

Upon unboxing your Vivo T4x 5G, verify that all the following items are included:

- Vivo T4x 5G Smartphone
- Phone Case
- Power Adapter
- SIM Tray Ejector
- Screen Protector
- USB Cable

3. Setup Guide

1. **Insert SIM Card:** Locate the SIM tray on the side of the device. Use the provided SIM tray ejector tool to open the tray. Insert your Nano SIM card(s) and ensure they are correctly seated. Close the tray securely.
2. **Apply Screen Protector:** Carefully apply the provided screen protector to the device's display, ensuring no dust or air bubbles are trapped.
3. **Attach Phone Case:** Place your Vivo T4x 5G into the provided phone case for protection.
4. **Initial Charge:** Connect the USB cable to the phone's USB Type-C port and the power adapter. Plug the adapter into a power outlet. Allow the device to charge fully before first use.

5. **Power On:** Press and hold the Power button (located on the right side of the device) until the Vivo logo appears. Follow the on-screen instructions to complete the initial setup, including language selection, Wi-Fi connection, and Google account setup.

4. Operating Your Device

Basic Operations

- **Power Button:** Press and hold to power on/off or restart. Short press to lock/unlock the screen.
- **Volume Buttons:** Located above the Power button, use to adjust media volume, call volume, and notification volume.

Display

The Vivo T4x 5G features a 6.77-inch Quad Curved AMOLED display with a 120 Hz refresh rate and 1050 nits peak brightness, offering clear visuals and smooth scrolling.

5. Maintenance

1. **Cleaning:** Use a soft, lint-free cloth to clean the screen and body. Avoid harsh chemicals or abrasive materials.
2. **Software Updates:** Regularly check for and install system updates to ensure optimal performance and security. Navigate to Settings > System > System update.
3. **Battery Care:** Avoid extreme temperatures. Do not let the battery drain completely frequently. Use the original charger for optimal charging.
4. **Storage Management:** Periodically clear unnecessary files, cache, and uninstall unused applications to free up storage space and maintain device speed.

6. Troubleshooting

This section addresses common issues you might encounter with your Vivo T4x 5G.

- **Device Not Powering On:** Ensure the battery is charged. Connect the charger and wait a few minutes before attempting to power on again. If the issue persists, contact support.
- **Charging Problems:** Verify the USB cable and power adapter are securely connected and undamaged. Try a different power outlet.
- **Network Connectivity Issues:** Check if your SIM card is properly inserted. Ensure mobile data is enabled in settings. Restart the device. If problems persist, contact your network provider.
- **Apps Crashing/Freezing:** Close and reopen the app. Clear the app's cache (Settings > Apps > [App Name] > Storage > Clear cache). Restart the phone.
- **Slow Performance:** Close background applications. Clear cache. Ensure sufficient storage space is available.
