Tangkula AM10537HM

Tangkula 9-Piece Acacia Wood Patio Dining Set Instruction Manual

Model: AM10537HM

INTRODUCTION

Thank you for choosing the Tangkula 9-Piece Acacia Wood Patio Dining Set. This set is designed for outdoor use, featuring a durable acacia wood table, weather-resistant PE wicker chairs, and comfortable cushions. This manual provides essential information for safe assembly, proper use, and effective maintenance of your new dining set.

Image: The Tangkula 9-Piece Acacia Wood Patio Dining Set, featuring a square table, four armchairs, and four ottomans, arranged around a pool with an umbrella providing shade. Note: Umbrella and weighted base are not included.

SAFETY INFORMATION

- Avoid dragging furniture to prevent floor damage.
- Use a weighted umbrella base to prevent tip-over risk when using an umbrella with the table.
- Do not exceed weight limits: Table (170 lbs), Chairs (400 lbs each), and Ottomans (400 lbs each).
- Follow assembly instructions carefully to ensure safety and structural integrity.
- Keep furniture clean and dry for longevity.
- Keep sharp edges away from children.

PACKAGE CONTENTS

Before assembly, ensure all components are present. The package typically includes:

- 1 x Dining Table

- 4 x Armchairs
- 4 x Ottomans
- 12 x Cushions (4 for chairs, 4 for ottomans, 4 for chair backrests)
- 1 x Instruction Manual
- Hardware Pack (screws, bolts, Allen key)

Note: This set may arrive in multiple boxes. Please ensure all boxes are received before beginning assembly.

SETUP AND ASSEMBLY

Assembly is required for this dining set. It is recommended to have two people for assembly to ensure ease and safety. Follow the detailed instructions provided in the included manual. Below are general guidelines and tips:

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a soft, clean surface to prevent scratches. Identify each part using the provided parts list in your manual.
2. **Initial Fastening:** When assembling, insert all screws and bolts loosely first. **Do not fully tighten any fasteners until all pieces are correctly aligned and connected.** This allows for flexibility to align holes and prevents misalignment.
3. **Table Assembly:** Assemble the dining table frame and attach the acacia wood tabletop. Ensure the umbrella hole is correctly oriented if you plan to use an umbrella.
4. **Chair Assembly:** Assemble the four armchairs. Pay attention to the backrest components.
5. **Ottoman Assembly:** Assemble the four ottomans.
6. **Final Tightening:** Once all components are assembled and aligned, gradually tighten all screws and bolts securely. Avoid over-tightening.
7. **Cushion Placement:** Place the cushions on the chairs and ottomans.

OURS

Solid one piece acacia wood table top,
170 lbs weight capacity and smooth surface

OTHERS

Connect with screws,
sometimes not in level or wobble

"X" frame and triangle design of
corners add stability of chair

Normal frame,
without any other support in corner

Image: A visual comparison demonstrating the solid one-piece acacia wood tabletop and the 'X' frame and triangle design for enhanced chair stability, contrasting with less stable alternatives.

OPERATING INSTRUCTIONS

This dining set is designed for comfortable outdoor dining and relaxation. Here are some operational features:

- **Dining Use:** Arrange the armchairs and ottomans around the table for dining. The spacious acacia wood tabletop provides ample space for food and drinks.
- **Umbrella Hole:** The table features a 2.16-inch diameter umbrella hole. Insert a patio umbrella (not included) to provide shade during sunny weather. Always use a weighted umbrella base for stability.
- **Space-Saving Storage:** For compact storage when not in use, the backrests of the armchairs are foldable. The ottomans and armchairs can be neatly tucked under the dining table. This design helps save space and protects the furniture from elements.

Space-saving Design for Compact Storage

Foldable Backrest

MAINTENANCE

Proper maintenance will extend the life and appearance of your patio dining set.

- **General Cleaning:** Wipe down the PE wicker and steel frame with a soft cloth and mild soap and water. Rinse thoroughly and dry completely to prevent water spots and mildew.
- **Acacia Wood Care:** The acacia wood tabletop may experience drying and fading due to sun exposure and moisture. To maintain its appearance, regularly apply wood polish or oil with a soft cloth. This helps restore its glossy finish and protects the wood.
- **Cushion Care:** The cushions have removable covers for easy cleaning. Hand wash or machine wash on a gentle cycle with cold water and mild detergent. Air dry thoroughly. Store cushions indoors during inclement weather or when not in use for extended periods.
- **Seasonal Storage:** During off-seasons or prolonged periods of non-use, it is recommended to store the furniture

indoors or cover it with a weather-resistant furniture cover to protect it from harsh weather conditions.

TROUBLESHOOTING

If you encounter any issues with your dining set, refer to the following common solutions:

- **Wobbly Furniture:** If any part of the furniture feels wobbly, check all bolts and screws. Loosen them slightly, adjust the component to ensure it is level, and then re-tighten securely. Ensure all parts are correctly aligned as per the assembly instructions.
- **Missing Parts:** If you find any parts missing upon unboxing, please refer to the contact information in your original product packaging or contact Tangkula customer support for assistance.
- **Difficulty Assembling:** Review the assembly instructions carefully. Ensure you are using the correct hardware for each step. Remember to keep fasteners loose until all parts are connected. If issues persist, consider seeking assistance from another person.

SPECIFICATIONS

Feature	Detail
