nanoblock NBCC-241 Demon Slayer Shinazugawa Genya Building Kit Instruction Manual

Model: NBCC-241 | Brand: nanoblock

1. INTRODUCTION

This instruction manual provides comprehensive guidance for assembling your nanoblock NBCC-241 Demon Slayer Shinazugawa Genya building kit. This micro-sized building set allows you to construct a detailed representation of Genya Shinazugawa from Demon Slayer: Kimetsu no Yaiba. The finished model is designed to fit in the palm of your hand and is suitable for display. Please read all instructions carefully before beginning assembly.

2. SAFETY INFORMATION

- **Choking Hazard:** This kit contains very small parts. Keep out of reach of children under 3 years of age.
- **Age Recommendation:** This building set is suitable for individuals aged 12 years and above.
- **Material:** The blocks are made from ABS plastic. Do not ingest.
- **Supervision:** Adult supervision is recommended for younger builders.

3. PACKAGE CONTENTS

Please verify that all components are present before starting assembly:

- Approximately 180 micro-sized building blocks (various colors including black, charcoal, beige, white, maroon, brown)
- Illustrated step-by-step instruction manual

4. ASSEMBLY INSTRUCTIONS

Follow the included illustrated guide for detailed, step-by-step assembly. No tools or glue are required for construction. The nanoblock system uses interlocking blocks for a secure fit.

General Assembly Tips:

1. **Organize Blocks:** Sort blocks by color and size before starting to simplify the building process.
2. **Follow Steps Carefully:** Each step in the instruction manual builds upon the previous one. Ensure each layer is correctly placed before proceeding.
3. **Press Firmly:** Apply gentle but firm pressure to ensure blocks interlock securely.

4. **Patience is Key:** Due to the micro size of the blocks, assembly requires concentration and patience.

Refer to the dedicated instruction booklet provided in the package for specific building sequences and diagrams.

5. USAGE AND DISPLAY

Once assembled, your nanoblock Shinazugawa Genya figure is ready for display. The finished model is designed to be compact and includes a display baseplate for stability. Place it on a flat, stable surface away from direct sunlight or extreme temperatures to preserve its colors and structural integrity.

6. MAINTENANCE

To keep your nanoblock model in optimal condition:

- **Cleaning:** Gently dust the model with a soft brush or a can of compressed air. For stubborn dirt, lightly dampen a cloth with water and wipe carefully. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** If disassembling or storing, keep all blocks in a sealed container to prevent loss of small pieces.
- **Handling:** Handle the assembled model with care to prevent accidental detachment of blocks.

7. TROUBLESHOOTING

If you encounter any issues during assembly or with the product:

- **Missing Pieces:** Carefully check the packaging and surrounding area. Due to their small size, blocks can be easily overlooked. If pieces are genuinely missing, contact nanoblock customer support.
- **Difficulty Interlocking Blocks:** Ensure blocks are correctly oriented and aligned. Apply even pressure. If a block seems too tight, try a different one or gently adjust its position.
- **Model Instability:** Recheck previous steps to ensure all blocks are firmly interlocked and placed according to the instructions. Ensure the display baseplate is used on a flat surface.

8. SPECIFICATIONS

Brand	nanoblock
Model Name	Demon Slayer Shinazugawa Genya
Set Name / Model Number	NBCC-241 / NAN95451
Material	Plastic (ABS)
Number of Pieces	180
Approximate Item Dimensions (L x W x H)	7.5 x 8.5 x 7.2 cm
Approximate Item Weight	65 Grams
Recommended Minimum Age	12 years (144 months)
Educational Objective	Concentration, Construction Skills, Hand-Eye Coordination, Spatial Reasoning, Stacking Skills

Assembly Required	Yes
Power Source	Manual (No batteries required)

9. WARRANTY AND SUPPORT

Specific warranty information for this nanoblock product is typically provided at the point of purchase or within the product packaging. Please retain your proof of purchase for any warranty claims.

For further assistance, missing parts, or product inquiries, please contact nanoblock customer support through their official website or the retailer where the product was purchased. When contacting support, please provide the model number (NBCC-241 or NAN95451) and a detailed description of your issue.
