Kaidi KD 951

Kaidi KD 951 10000mAh Power Bank User Manual

Your guide to setting up, operating, and maintaining your portable power bank.

1. PRODUCT OVERVIEW

The Kaidi KD 951 is a compact and portable 10000mAh power bank designed to charge your mobile devices on the go. It features integrated cables with both Micro USB and Lightning connectors, making it compatible with a wide range of smartphones and tablets.

Image 1: The Kaidi KD 951 Power Bank and its retail packaging. The power bank is black with a textured surface, and a red integrated cable is visible. The packaging highlights the 10000mAh capacity.

2. SETUP AND INITIAL CHARGE

2.1 Unboxing and Inspection

Carefully remove the power bank from its packaging. Inspect the device for any visible damage. Ensure all integrated cables and ports are intact.

2.2 Charging the Power Bank

Before first use, fully charge your Kaidi KD 951 power bank. Connect a standard USB wall adapter (not included) to the power bank's Micro USB input port using the integrated Micro USB cable or a separate USB-A to Micro USB cable. The LED indicators will illuminate to show the charging status.

Image 2: Detailed diagram of the Kaidi KD 951 Power Bank showing its components. Labels include LED Indicator, USB output interface, Built-in slot for connectors, 8 Pin connector (Lightning), Micro USB connector, and Charge interface of PN-951 (Micro USB input).

3. OPERATING INSTRUCTIONS

3.1 Charging Your Device

1. Identify the correct connector for your device: either the integrated Micro USB or the Lightning adapter.
2. Pull out the integrated cable from its storage slot.
3. If your device uses a Lightning port (e.g., iPhone), attach the Lightning adapter to the Micro USB connector.
4. Connect the appropriate connector to your mobile device's charging port.
5. The power bank will automatically begin charging your device. If not, press the power button (if available) to initiate charging.

Image 3: The Kaidi KD 951 Power Bank connected to a smartphone, demonstrating a device being charged. The integrated cable with a red connector is plugged into the phone.

3.2 Checking Battery Level

The Kaidi KD 951 power bank features LED indicators to display its remaining battery capacity. Press the power button once to activate the indicators. The number of lit LEDs corresponds to the charge level:

- **4 LEDs:** 75-100% charged
- **3 LEDs:** 50-75% charged
- **2 LEDs:** 25-50% charged
- **1 LED:** 0-25% charged (recharge soon)

4. MAINTENANCE

- **Storage:** Store the power bank in a cool, dry place away from direct sunlight and extreme temperatures.
- **Cleaning:** Use a soft, dry cloth to clean the exterior of the power bank. Do not use harsh chemicals or abrasive materials.
- **Battery Care:** To prolong battery life, fully charge the power bank at least once every three months, even if not in regular use. Avoid completely draining the battery frequently.
- **Handling:** Avoid dropping the power bank or subjecting it to strong impacts.

5. TROUBLESHOOTING

- **Power bank not charging:** Ensure the charging cable is securely connected to both the power bank's input port and the power source. Try a different USB wall adapter or cable.
- **Device not charging from power bank:** Ensure the integrated cable is correctly and securely connected to your device. Check if the power bank has sufficient charge. Try pressing the power button on the power bank.
- **Slow charging:** Ensure you are using a compatible charging cable and adapter. Some devices may charge slower if they require higher current than the power bank can provide, or if the cable is damaged.
- **LED indicators not working:** The power bank might be completely discharged or damaged. Try charging it for an extended period. If the issue persists, contact customer support.

6. SPECIFICATIONS

Feature	Detail
Model Number	KD 951
Capacity	10000 mAh
Input	Micro USB
Output	Integrated Micro USB, Integrated Lightning Adapter
Dimensions	18 x 10 x 2 cm (approximately)

7. WARRANTY AND SUPPORT

7.1 Warranty Information

This product typically comes with a manufacturer's warranty against defects in materials and workmanship. Please refer to your purchase documentation or contact your retailer for specific warranty terms and duration. Extended warranty options may be available from your seller.

7.2 Customer Support

For technical assistance, troubleshooting beyond this manual, or warranty claims, please contact the retailer or the manufacturer's customer service. Keep your purchase receipt or proof of purchase handy.
