VINGLI SC02FDT

VINGLI Fluted Shoe Cabinet SC02FDT Instruction Manual

Model: SC02FDT | Brand: VINGLI

1. PRODUCT OVERVIEW

The VINGLI Fluted Shoe Cabinet (Model SC02FDT) is a stylish and functional storage solution designed for entryways, hallways, and living rooms. Featuring a mid-century modern aesthetic with a dark walnut finish and unique fluted panels, this cabinet offers discreet storage for your footwear while enhancing your home decor. Its compact design is ideal for smaller spaces, maximizing storage efficiency without compromising on style. The cabinet includes two fluted flip drawers and additional space beneath for up to 17-19 pairs of shoes, depending on size and style. Constructed from high-quality engineered wood with sturdy metal support legs, it ensures durability and stability.

Beyond shoe storage, the versatile top surface can be used for displaying decorative items, plants, or photo frames, making it a multi-purpose addition to your home.

2. IMPORTANT SAFETY INFORMATION

WARNING:

- Always ensure the cabinet is stable and level before use.
- Do not place heavy items on the top surface.
- Keep fingers away from the drawer opening when closing to prevent pinching.
- Always supervise children when using the cabinet.
- To reduce the risk of furniture tipover, ALWAYS install the tipover restraint provided.
- NEVER put a TV on this product.
- NEVER allow children to stand, climb, or hang on drawers, doors, or shelves.
- NEVER open more than one drawer at a time.
- Place heaviest items in the lowest drawers.
- Do not defeat or remove the drawer interlock system. This is a permanent label. Do not remove!

Tip-Resistant & DIY-Confident

Included Safety Kit, Installed in 3 Steps

3. COMPONENTS AND HARDWARE

Before beginning assembly, verify that all components and hardware listed in your product's specific instruction manual are present. The installation kit typically includes screws, washers, plastic anchors, L-shaped brackets, cam locks, cam bolts, and wooden dowels. Some models may have pre-installed plastic embedded nuts or may not require wooden dowels.

Tools required for assembly (not included): Electric drill, hammer, screwdriver, pen/pencil.

4. ASSEMBLY INSTRUCTIONS

Follow the detailed step-by-step instructions provided in your product's specific manual. General steps include:

1. **Unpack and Identify:** Carefully unpack all components and verify against the parts list.
2. **Install Dowels and Cam Bolts:** Insert wooden dowels and cam bolts into the designated holes on the panels. Ensure cam bolts are tightened with a screwdriver. (Refer to Video 3.2)
3. **Connect Panels:** Join the panels using cam locks, ensuring they are correctly oriented and tightened.
4. **Assemble Drawers:** Construct the two fluted flip drawers.
5. **Attach Metal Support Legs:** Secure the sturdy metal support legs to the base of the cabinet.
6. **Install Anti-Tipping Kit:** For safety, install the provided anti-tipping kit to secure the cabinet to the wall. (Refer to Video 3.1)

For detailed visual guidance, please refer to the specific assembly diagrams and instructions included with your product packaging.

5. OPERATING THE SHOE CABINET

The VINGLI Fluted Shoe Cabinet is designed for easy access and efficient storage.

5.1. Using the Flip Drawers

The cabinet features two fluted flip drawers. Gently pull the golden metal handle to open each drawer. The drawers are designed to tilt forward, allowing easy placement and retrieval of shoes.

5.2. Adjustable and Removable Partition Panels

Each flip drawer contains partition panels that can be adjusted or removed to accommodate different shoe sizes and styles, including high-top shoes. This flexibility allows for optimal space utilization.

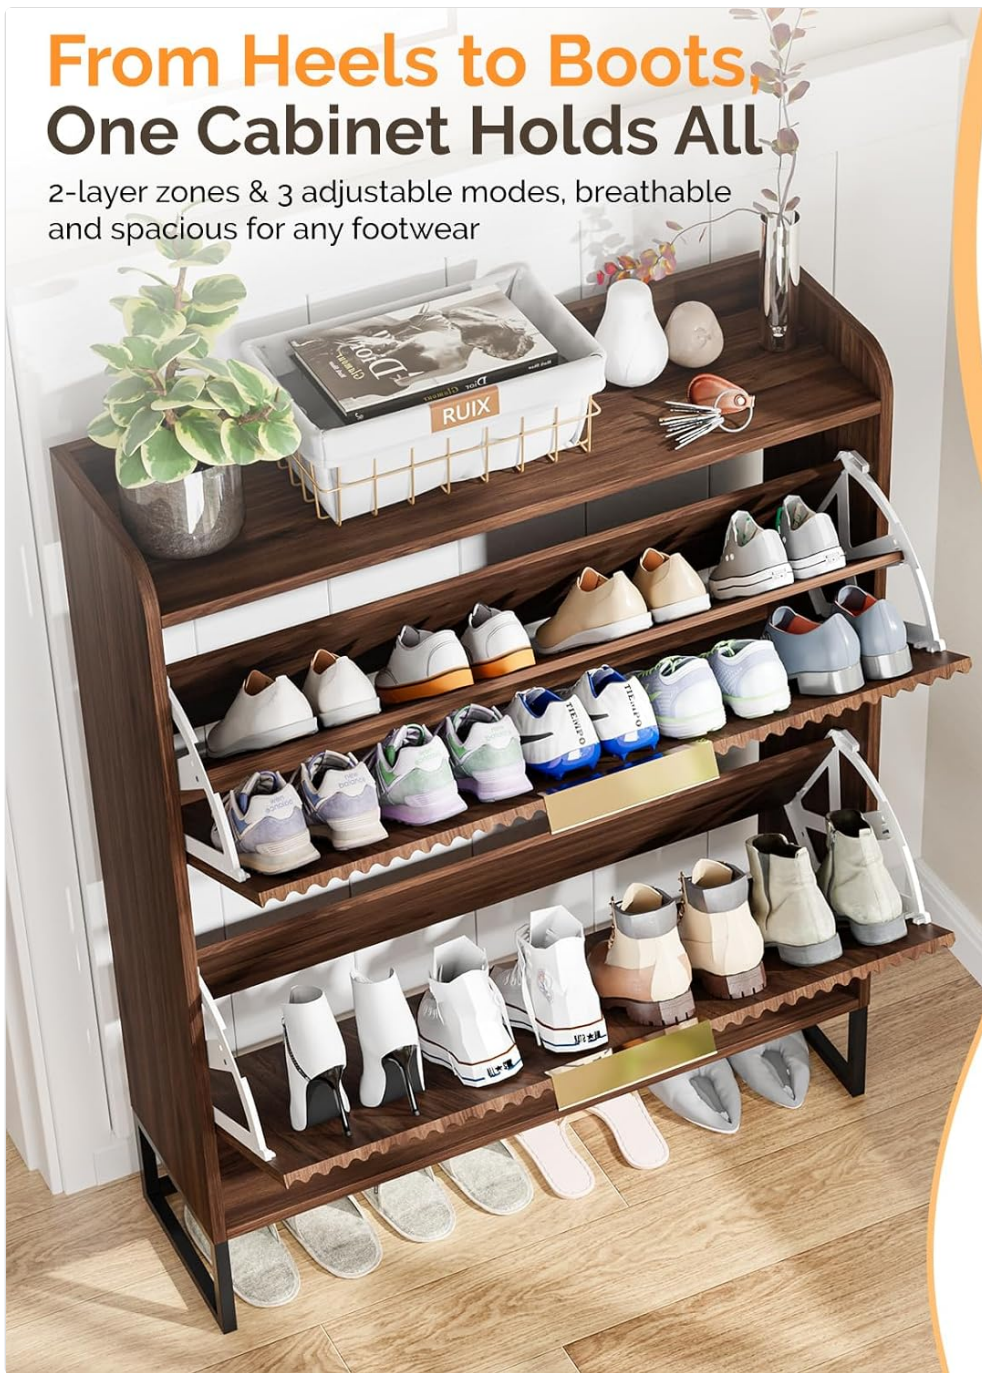

Image 5.1: Illustration of how to adjust or remove partition panels within the flip drawers to fit various shoe types.

5.3. Top Surface and Additional Storage

The spacious top surface can be used to display decorative items or store frequently used small accessories. The space created by the metal support feet at the bottom provides additional storage for slippers or other low-profile footwear.

From Heels to Boots, One Cabinet Holds All

2-layer zones & 3 adjustable modes, breathable
and spacious for any footwear

6. CARE AND MAINTENANCE

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish.
- **Dusting:** Regularly dust the cabinet to prevent buildup.
- **Spills:** Promptly clean any spills to prevent staining or damage to the engineered wood.
- **Hardware:** Periodically check all screws and fittings to ensure they remain tight. Retighten if necessary.
- **Environment:** Avoid exposing the cabinet to direct sunlight or extreme temperature changes, which can cause warping or fading.

7. TROUBLESHOOTING

- **Cabinet Wobbles:** Ensure the cabinet is placed on a level surface. Adjust the feet if necessary. Verify all assembly screws are tightened.

- **Drawers Not Closing Properly:** Check for any obstructions within the drawer mechanism. Ensure shoes are properly placed and not overfilling the compartments. Verify that the drawer assembly is correct and all fittings are secure.
- **Missing Parts:** If any parts are missing upon unpacking, please contact VINGLI customer support for assistance.
