VECELO KHD-BTJ-RT02-BLU-BC06

VECELO Upholstered Platform Bed Frame Instruction Manual

Model: KHD-BTJ-RT02-BLU-BC06 (Twin Size)

1. PRODUCT OVERVIEW

This manual provides instructions for the assembly, operation, maintenance, and troubleshooting of your VECELO Upholstered Platform Bed Frame. Please read all instructions carefully before assembly and use to ensure safe and correct operation.

The VECELO Upholstered Platform Bed Frame is designed for comfort and stability, featuring an adjustable headboard, wooden slat support, and a sturdy metal frame. It eliminates the need for a box spring.

2. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact customer support for assistance.

- Bed Frame Components (Headboard, Side Rails, Footboard, Center Support Beam)
- Wooden Slats
- Assembly Hardware (Screws, Bolts, Washers, Allen Wrench)
- Instruction Manual (This document)

3. SETUP AND ASSEMBLY

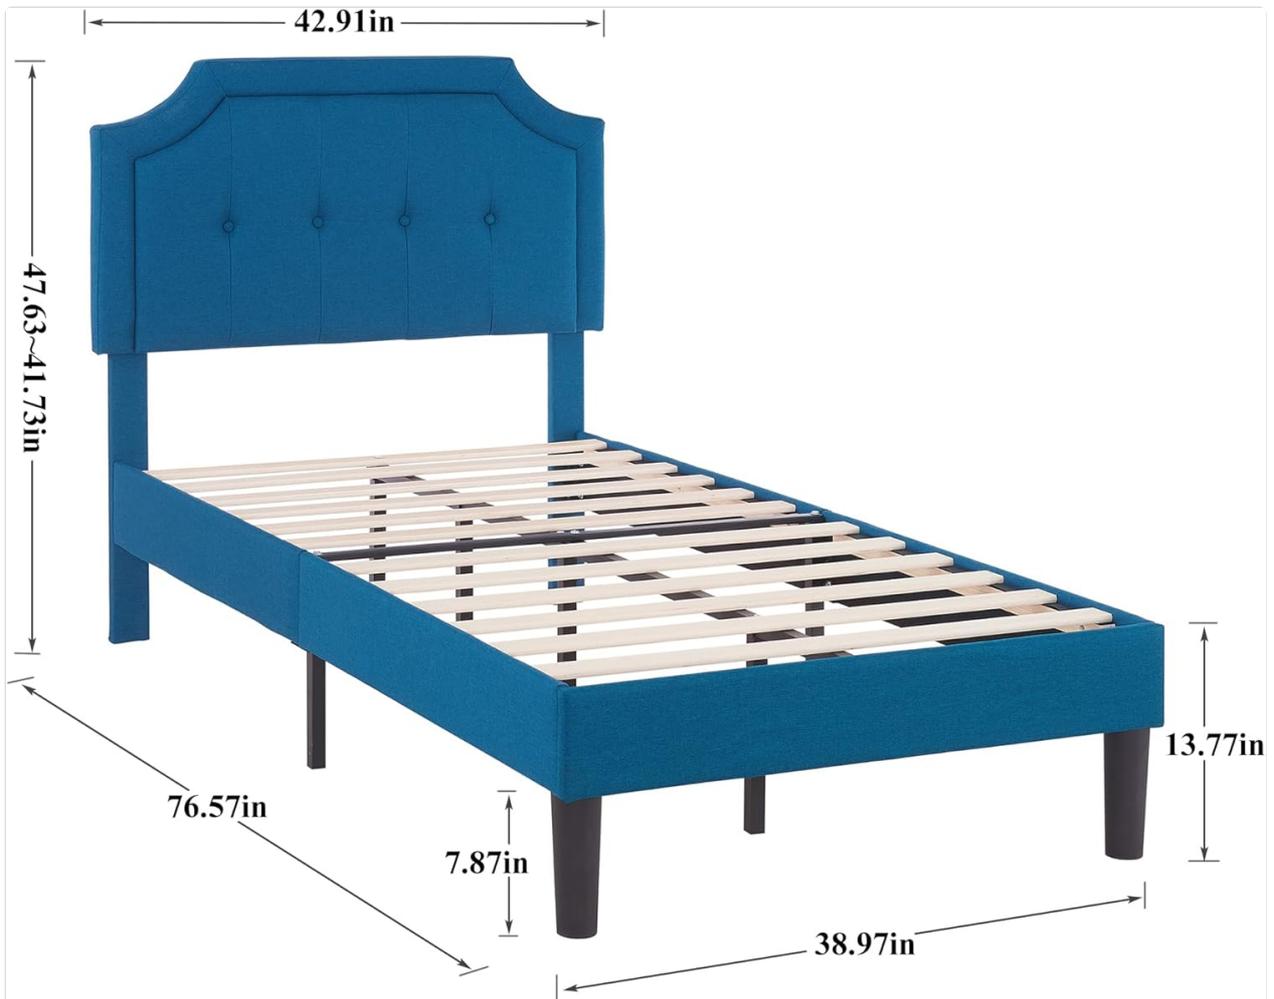

Assembly typically takes approximately 30 minutes. It is recommended to have two people for easier assembly. Ensure you have enough clear space to work.

3.1 Important Safety Information

- Read all instructions carefully before assembly.
- Do not use power tools for assembly, as this may overtighten screws and damage the frame.
- Ensure all parts and screws are firmly attached before use. Periodically check and tighten all connections.
- Do not allow children to climb or jump on the bed frame during assembly or before it is fully secured.
- Mattress is not included.

3.2 Assembly Steps

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface (e.g., carpet or blanket) to prevent scratches.
2. **Identify Parts:** Refer to the included parts list and diagrams to identify each component.
3. **Assemble Headboard:** Attach the headboard legs to the upholstered headboard panel using the provided hardware. Do not fully tighten screws yet.
4. **Connect Side Rails:** Attach the side rails to the headboard and footboard using the appropriate bolts. Ensure the connections are secure but allow for minor adjustments.
5. **Install Center Support:** Secure the center support beam(s) to the frame, if applicable, following the diagram.
6. **Place Wooden Slats:** Lay the wooden slats across the frame, ensuring they are evenly spaced and secured according to the instructions. The quiet straps should be properly aligned to reduce noise.
7. **Final Tightening:** Once all components are in place and aligned, systematically tighten all screws and bolts until secure. Do not overtighten.
8. **Adjust Headboard Height:** Adjust the headboard to your desired height (between 41.73 - 47.63 inches) to accommodate your mattress. Secure the headboard at the chosen height.

4. OPERATING INSTRUCTIONS

The VECELO Upholstered Platform Bed Frame is designed for straightforward use with several key features:

- **No Box Spring Required:** The robust wooden slat system provides ample support for your mattress, eliminating the need for a traditional box spring.
- **Adjustable Headboard:** The headboard height can be adjusted from 41.73 inches to 47.63 inches, allowing it to accommodate mattresses ranging from 8 to 12 inches in height. This flexibility ensures a customized look and feel.
- **Noise-Free Design:** Equipped with extra quiet straps on the bed frame, this design minimizes noise and rattles, contributing to a peaceful sleeping environment.
- **Under-Bed Storage:** The frame provides approximately 8 inches of clearance underneath, offering convenient space for storing items such as shoes or small storage boxes.
- **Weight Capacity:** The heavy metal frame combined with 12 solid wood slats provides a sturdy foundation, supporting up to 500 lbs for the Twin size.

5. MAINTENANCE

Proper maintenance ensures the longevity and continued performance of your bed frame.

- **Cleaning:** Wipe the upholstered surfaces with a dry cloth to remove dust and debris. For spills, blot immediately with a clean, dry cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Hardware Check:** Periodically (e.g., every 3-6 months) inspect all bolts and screws to ensure they remain tight. Retighten any loose connections to maintain stability and prevent squeaking.
- **Slat Inspection:** Check the wooden slats for any signs of damage or wear. Replace any broken slats immediately to ensure proper mattress support.
- **Avoid Overloading:** Do not exceed the maximum weight capacity of 500 lbs for the Twin size bed frame.

6. TROUBLESHOOTING

If you encounter any issues with your VECELO bed frame, refer to the following common problems and

solutions:

Problem	Possible Cause	Solution
Bed frame is squeaking or unstable.	Loose bolts or screws; uneven floor; damaged slats.	Ensure all assembly hardware is securely tightened. Check if the bed is on a level surface. Inspect wooden slats for damage and replace if necessary.
Screw head protruding above slats, causing discomfort.	A central support screw may be slightly elevated.	Carefully inspect the central support area. If a screw head is protruding, ensure it is fully tightened and recessed. If it still protrudes, consider placing a thin, durable pad over the area or contacting customer support for guidance.
Headboard does not stay at desired height.	Headboard adjustment bolts are not sufficiently tightened.	Ensure the bolts securing the headboard at your chosen height are fully tightened.

If you are unable to resolve an issue using the troubleshooting steps above, please contact VECELO customer support.

7. SPECIFICATIONS

Feature	Detail
Model Number	KHD-BTJ-RT02-BLU-BC06
Size	Twin
Color	Blue
Product Dimensions (L x W x H)	76.57" x 42.91" x 13.77"
Adjustable Headboard Height	41.73" - 47.63"
Ground to Item Distance (Under-bed Clearance)	13.02" (approximately 8" usable space)
Item Weight	58 pounds
Maximum Weight Capacity (Twin)	500 lbs
Materials	Fabric (Flax), Metal, Wood (Slats)
Assembly Required	Yes
Care Instructions	Wipe with Dry Cloth
UPC / GTIN	810094913489

8. WARRANTY AND CUSTOMER SUPPORT
