Maintenance

Cleaning and Storage

Proper care will ensure the longevity of your QISHOUTING Mini Cats Building Blocks.

- **Cleaning:** To clean the blocks, gently wipe them with a soft, dry cloth. For more stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled figures or loose blocks in a clean, dry place away from direct sunlight and extreme temperatures. Keep small parts in a container to prevent loss.

Troubleshooting

Common Issues and Solutions

- **Missing Pieces:** If you find a piece missing from a new, unopened package, carefully check all packaging materials. If still missing, contact customer support with details of the specific cat model and the missing piece.
- **Loose Connections:** Ensure that each block is firmly pressed into place during assembly. If a connection feels loose, try re-attaching the pieces with more pressure.
- **Difficulty Assembling:** Double-check the instruction sheet for the specific step you are on. Sometimes rotating a piece or ensuring correct orientation can resolve the issue.
