anwickjeff headboard-ad (Full Size)

anwickjeff Wood Headboard Full Size Bed Instruction Manual

Model: headboard-ad (Full Size)

1. Safety Information

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Ensure all parts are present and undamaged before beginning assembly. Do not use if any parts are missing or broken.
- Assemble the headboard on a soft, clean surface to prevent scratches.
- Tighten all screws and bolts securely. Periodically check and re-tighten fasteners to ensure stability.
- Do not allow children to climb on or play with the headboard.
- This headboard is designed for use with a full-size bed frame. Ensure compatibility with your existing bed frame.

2. Package Contents

Verify that all components listed below are included in your package:

- Wooden Headboard Panel
- Metal Frame Components (Left and Right Vertical Supports, Horizontal Bars)
- Hardware Pack (Screws, Bolts, Washers, Allen Wrench)
- Assembly Instructions

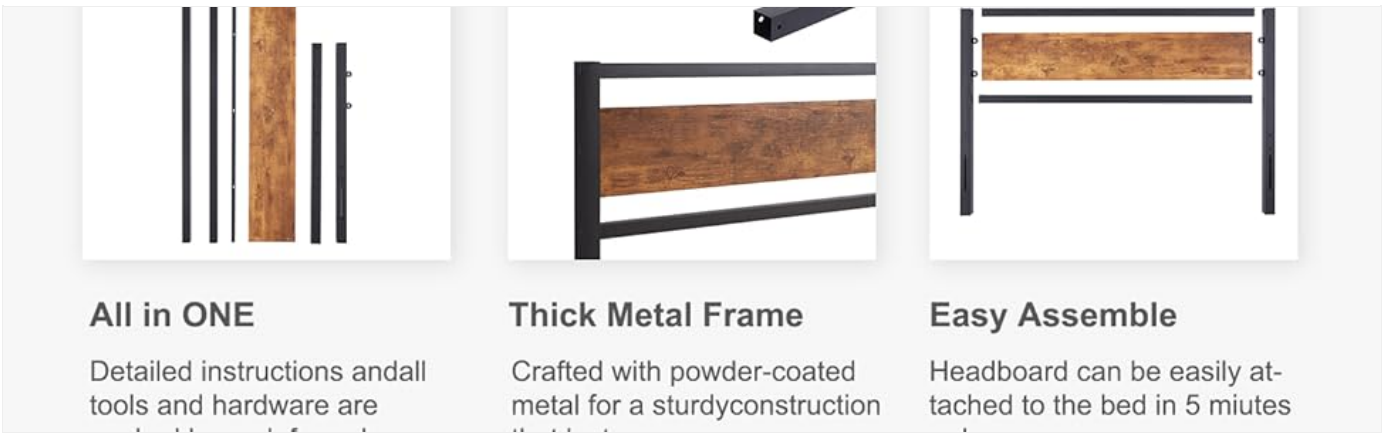

Figure 2.1: All components included in the package.

3. Setup and Assembly

Follow these steps to assemble your anwickjeff Wood Headboard:

1. **Attach Metal Frame to Wooden Headboard:** Align the pre-drilled holes on the metal frame components with the corresponding holes on the wooden headboard panel. Insert the provided screws and tighten them using the Allen wrench.
2. **Assemble the Metal Frame:** Connect the vertical and horizontal metal frame components as indicated in the assembly diagram. Ensure all connections are secure.
3. **Attach to Bed Frame:** Position the assembled headboard against your full-size bed frame. The headboard features U-shaped holes for compatibility with most bed frames. The range for these holes is approximately 6.50 inches. Use appropriate bolts (not included) to secure the headboard to your bed frame. If your bed frame requires a different attachment method, a connecting sheet adapter may be necessary (contact support if needed).

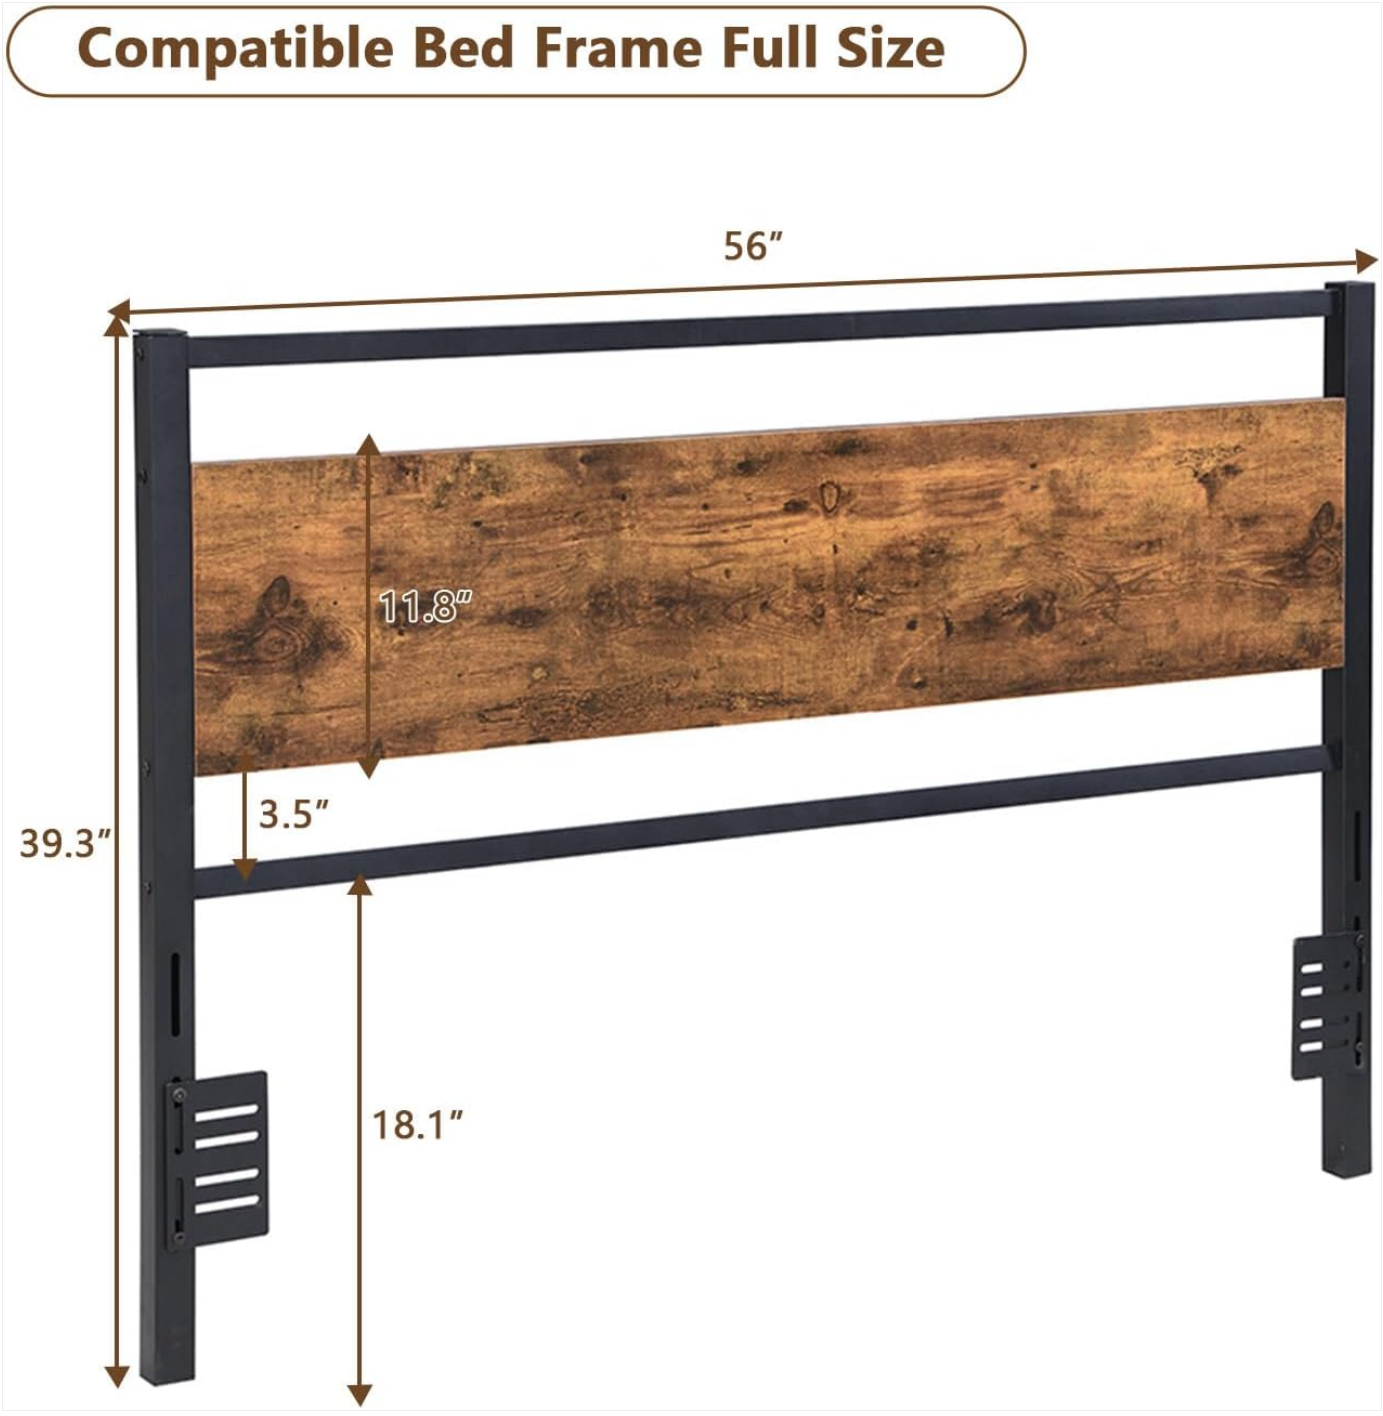

Figure 3.1: Full Size Headboard Dimensions and Mounting Points. Overall dimensions: 56" W x 39.3" H. The bottom of the headboard is 18.1" from the floor to the lowest horizontal bar, and the wooden panel is 11.8" high.

Figure 3.2: Detail of mounting holes for bed frame attachment.

4. Operating and Usage

The anwickjeff Wood Headboard provides back support and enhances the aesthetic of your bedroom. Once securely attached to your bed frame, it functions as a stable and decorative element.

- Ensure the headboard is always firmly attached to the bed frame to prevent movement or instability.
- Avoid leaning heavily on the headboard or applying excessive force, as this may compromise its stability or cause damage.

Figure 4.1: Headboard providing back support.

5. Maintenance

Proper care will help maintain the appearance and longevity of your headboard.

- **Cleaning:** The manufacturer recommends dry cleaning only for the wooden and metal surfaces. Use a soft, dry cloth to wipe away dust. For stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Inspection:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten as necessary.
- **Protection:** Avoid exposing the headboard to excessive moisture or direct sunlight for prolonged periods, as this may cause damage or fading.

6. Troubleshooting

If you encounter issues during assembly or use, refer to the following common problems and solutions:

- **Difficulty with Bolt Holes:** If a bolt hole appears too small or misaligned, carefully verify you are using the correct bolt for that specific hole. If the issue persists, ensure the components are correctly oriented. Do not force bolts, as this can strip threads or damage parts.
- **Missing Bolts for Bed Frame Attachment:** The headboard package does not include bolts to attach it to your bed frame. You will need to source appropriate bolts, nuts, and washers that are compatible with your specific bed frame.
- **Headboard is Wobbly:** Ensure all assembly screws and the bolts connecting the headboard to the bed frame are fully tightened. Check that the headboard is properly aligned with the bed frame.
- **Incompatible with Bed Frame:** The headboard is designed with U-shaped holes for broad compatibility. If your bed frame's mounting points do not align, a universal headboard bracket or adapter may be required.

7. Specifications

Brand	anwickjeff
Model Number	headboard-ad
Size	Full
Material	Metal, Wood
Style	Modern, Rustic
Color	Brown
Item Dimensions (W x H)	56 inches x 39.3 inches
Item Weight	28 pounds
Special Features	Adjustable Height, Easy To Assemble
Mounting Type	Bed Frame Mount
UPC	712974636214
