BIDIUTOY Titanic Model Set (2022 Pieces)

BIDIUTOY Titanic Model Kit (2022 Pieces) - Instruction Manual

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your BIDIUTOY Titanic Model Kit. This 2022-piece building block set allows you to construct a historically accurate replica of the Titanic, featuring intricate details and interactive elements. Designed for enthusiasts aged 15 and up, this model offers an engaging building experience and serves as an impressive display piece.

2. SAFETY INFORMATION

This product contains small parts and is not suitable for children under 3 years of age due to choking hazards. Adult supervision is recommended during assembly, especially for younger builders. Please ensure all pieces are handled carefully to avoid injury. No specific safety warnings beyond general toy safety are provided by the manufacturer.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all components are present. Your BIDIUTOY Titanic Model Kit package should contain:

- 2022 durable building blocks, individually packaged by stage.
- Detailed step-by-step instruction manual.
- Display stand components.

If any pieces are missing or damaged, please refer to the 'Warranty and Support' section for assistance.

4. ASSEMBLY INSTRUCTIONS

Follow the detailed, step-by-step instructions provided in the included manual to assemble your Titanic model. The building blocks are designed for seamless assembly, enhancing fine motor skills and providing an engaging challenge.

4.1 General Assembly Tips

- Organize your pieces: Blocks are often packaged by assembly stage. Open packages as needed to avoid mixing small parts.
- Follow the sequence: Adhere strictly to the numbered steps in the instruction manual.
- Press firmly: Ensure blocks are securely connected to prevent the model from becoming unstable.
- Take breaks: Building a complex model can be time-consuming. Take regular breaks to maintain focus.

6. CARE AND MAINTENANCE

To ensure the longevity and appearance of your BIDIUTOY Titanic Model Kit, follow these care guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. Avoid using abrasive cleaners or harsh chemicals, which can damage the plastic.
- **Storage:** If disassembling for storage, keep all pieces in a secure container to prevent loss. Store in a cool, dry place away from direct sunlight to prevent discoloration or warping of plastic components.
- **Handling:** Handle the model carefully, especially when moving it, to prevent pieces from detaching.

7. TROUBLESHOOTING

This section addresses common issues you might encounter during assembly or with the completed model.

7.1 Missing or Damaged Pieces

If you find any pieces are missing or damaged upon opening the kit, please contact BIDIUTOY customer service immediately. Refer to the 'Warranty and Support' section for contact information. Provide details of the missing or damaged parts, ideally with reference to the instruction manual's part list.

7.2 Difficulty Connecting Blocks

Ensure that you are applying firm, even pressure when connecting blocks. If a connection feels unusually tight, double-check the instruction manual to confirm you are using the correct pieces and orientation. Small pieces may require more precise alignment.

7.3 Model Instability

If your assembled model feels unstable, review the most recently completed steps in the instruction manual. Ensure all connections are secure and that no steps were skipped. Pay particular attention to the base and core structural elements.
