HOGOKIDS HG1028

HOGOKIDS City Wharf Building Set with Crane - Instruction Manual

Model: HG1028

[Introduction](#) [Safety Information](#) [What's in the Box](#) [Setup & Assembly](#) [Operating Instructions](#) [Maintenance](#) [Troubleshooting](#) [Specifications](#) [Warranty & Support](#)

1. INTRODUCTION

Welcome to the HOGOKIDS City Wharf Building Set with Crane. This comprehensive construction toy allows you to build a bustling harbor scene complete with a container crane, cargo ship, train, truck, and four specialized containers. Designed for ages 6 and up, this set provides an engaging and educational building experience, fostering creativity and strategic thinking.

2. SAFETY INFORMATION

WARNING: This product contains small parts. Not suitable for children under 3 years due to choking hazard. Adult supervision is recommended during assembly and play, especially for younger users.

- Ensure all pieces are securely connected to prevent accidental detachment.
- Keep packaging materials away from children to avoid suffocation risks.
- Inspect the set periodically for any damaged or loose parts. Discontinue use if damage is found.
- This product is made from non-toxic ABS plastic, ensuring a safe play experience.

3. WHAT'S IN THE BOX

Your HOGOKIDS City Wharf Building Set includes the following:

- 1373 Building Pieces (various shapes and colors)
- Instruction Manual (this document)
- Sticker Sheet (for detailing)
- Components for:
 - Container Crane

- Cargo Ship
- Train
- Truck
- 4 Specialized Cargo Containers (mini yacht, car, gas tank, vegetables)
- Harbor Dock elements

4. SETUP & ASSEMBLY

Follow the step-by-step instructions provided in the included manual to assemble your City Wharf. The building process is divided into numbered bags for ease of assembly. It is recommended to sort pieces by color and type before starting each section.

4.1. General Assembly Tips

- **Organize:** Open one numbered bag at a time and lay out the pieces on a clean, flat surface.
- **Follow Instructions:** Refer to the detailed visual instructions in the manual for each step.
- **Secure Connections:** Ensure all building blocks fit tightly and securely.
- **Patience:** Building complex sets requires patience. Take breaks if needed.

4.2. Key Structures

The set includes instructions for building a large dock, a functional container crane, a cargo ship, a train, and a truck. Each vehicle is designed with realistic details to enhance play.

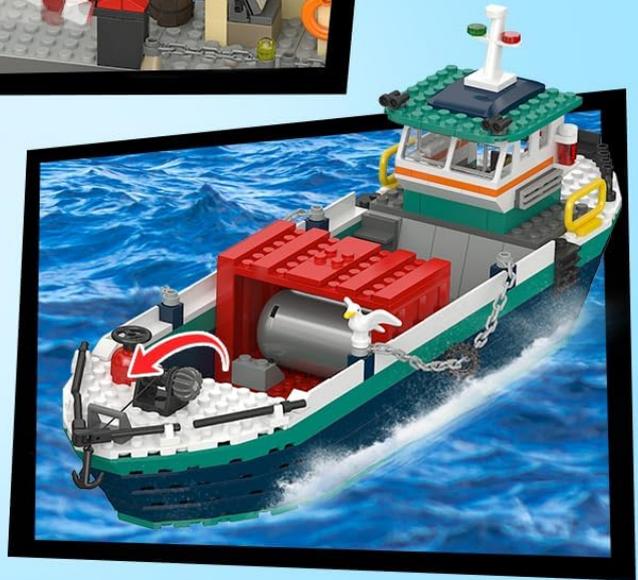

**TURN THE BUTTON TO ADJUST THE LIFT
DRAG LEFT AND RIGHT TO TRANSPORT THE GOODS**

Image: Display of the four specialized cargo containers, each carrying different items like a mini yacht, car, gas tank, and vegetables, ready for transport.

RICH AND INTERESTING DETAILS

Image: Detailed view of the train, truck, and cargo ship, highlighting their individual features and how they interact within the harbor setting.

5. OPERATING INSTRUCTIONS

The HOGOKIDS City Wharf set is designed for interactive play, simulating a real seaport logistics experience.

5.1. Container Crane Operation

- **Lift Mechanism:** Turn the knob located on the crane's control tower to adjust the lift height of the crane hook.
- **Horizontal Movement:** Drag the crane's main beam left and right along its tracks to position the hook over the desired cargo container.
- **Cargo Transfer:** Attach the crane hook to the designated points on the cargo containers to lift and move them between the ship, train, and truck.

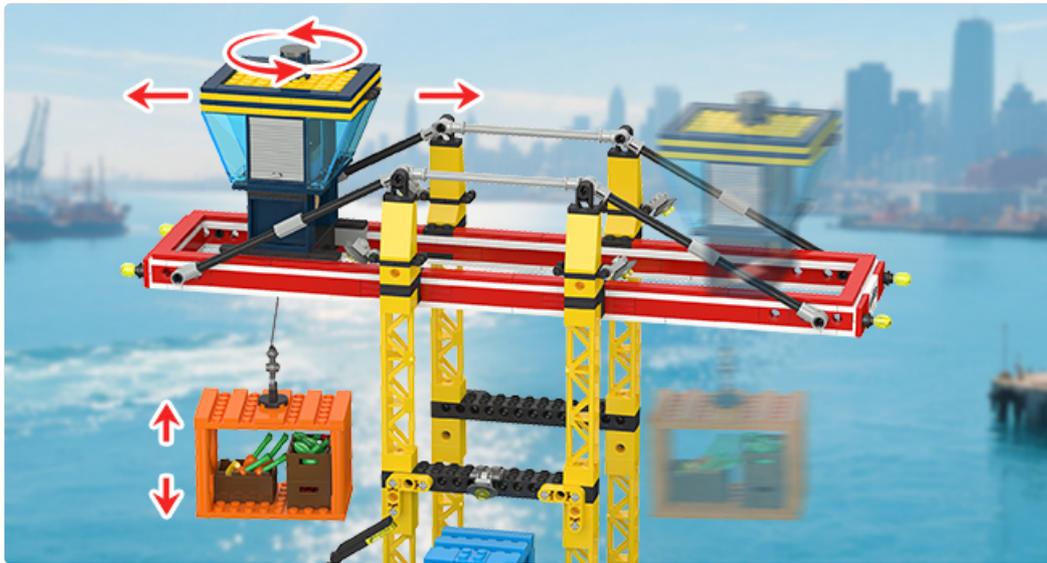

Image: A close-up demonstrating how to turn the knob to adjust the crane's lift and drag it horizontally to transport goods.

5.2. Vehicle Interaction

- **Cargo Ship:** Load and unload containers from the ship using the crane. The ship is approximately 15 inches long and 4 inches wide.
- **Train:** Position the train on the tracks next to the dock to receive or deliver containers.
- **Truck:** Drive the truck under the crane to load or unload containers for road transport.

Video: This video demonstrates the interactive features of a similar city fishing boat and wharf building set, showcasing how the boat floats and how elements like the crane and fishing gear operate. While not the exact model, it illustrates the play patterns and functionality of HOGOKIDS building sets.

Your browser does not support the video tag.

Video: This video highlights the STEM educational aspects of a container port building blocks toy, showing the assembly and interactive play of a crane and containers. It provides a good visual of the type of engagement offered by the HOGOKIDS City Wharf set.

6. MAINTENANCE

To ensure the longevity and cleanliness of your HOGOKIDS City Wharf Building Set, follow these simple maintenance guidelines:

- **Cleaning:** Wipe down the building blocks with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic. Keep small parts in a container to avoid loss.
- **Inspection:** Periodically check for any loose or damaged pieces. Replace any broken parts to maintain structural integrity and safety.

7. TROUBLESHOOTING

If you encounter any issues during assembly or play, refer to the following common solutions:

- **Missing Pieces:** Double-check all packaging and the surrounding area. If a piece is genuinely missing, contact HOGOKIDS customer support for assistance.
- **Difficulty Connecting Pieces:** Ensure pieces are correctly oriented and apply firm, even pressure. Some

connections may require a bit more force.

- **Structural Instability:** Review the assembly steps for the section that is unstable. Ensure all connections are tight and that no steps were skipped or incorrectly performed.
- **Crane Mechanism Not Working:** Verify that all gears and connecting rods are correctly assembled and free from obstruction. Ensure the knob is fully engaged.

8. SPECIFICATIONS

Feature	Detail
Brand	HOGOKIDS
Model Number	HG1028
Number of Pieces	1373
Recommended Age	6 years and up
Material	Non-toxic ABS Plastic
Dock Dimensions (L x W x H)	Approx. 25 x 13 x 18 inches
Ship Dimensions (L x W)	Approx. 15 x 4 inches
