MAINTENANCE

Chenille Fabric Care:

- **Regular Cleaning:** Vacuum the chenille fabric regularly using a soft brush attachment to remove dust and loose debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain. For tougher stains, use a mild fabric cleaner specifically designed for chenille, testing on an inconspicuous area first. Follow the cleaner's instructions carefully.
- **Avoid Harsh Chemicals:** Do not use bleach or abrasive cleaners, as these can damage the fabric.

- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading of the fabric.
- **Pillow Care:** The included pillows have removable covers for easier cleaning. Refer to the care label on the pillow covers for specific washing instructions.

- Periodically check and tighten all bolts and screws to ensure the sofa remains stable.
- Keep the sofa away from heat sources and excessive moisture.
