

Drsaec J55

Drsaec J55 Wireless Earbuds User Manual

Model: J55 | Brand: Drsaec

1. INTRODUCTION

Thank you for choosing the Drsaec J55 Wireless Earbuds. These earbuds are designed to provide a superior audio experience with advanced features for daily use. Equipped with Bluetooth V5.4 technology, they offer stable connectivity, immersive stereo sound, and clear calls thanks to ENC noise-cancelling microphones. The compact design ensures comfort, while the IP7 waterproof rating provides durability for various activities.

Key features include:

- **Innovative Bluetooth V5.4 Technology:** Ensures stable connection, low latency, and low power consumption with a range of up to 15m.
- **Immersive 9D Stereo Sound:** Features high-resolution decoder and dual 14.2mm dynamic drivers for powerful bass and crisp treble.
- **Superior Clear Call:** Four ENC (Environmental Noise Cancelling) microphones effectively reduce background noise for clear conversations.
- **Extended 56H Playtime:** 8 hours on a single charge, with the charging case providing up to 56 hours total playtime.
- **LED Power Display:** Dual LED indicators on the charging case show battery status for both the case and individual earbuds.
- **Comfortable Design and IP7 Waterproof:** Ergonomic, pressure-free fit and resistance to sweat, rain, and splashes.
- **Smart Touch Control:** Conveniently manage calls, music playback, volume, and voice assistant with simple touch gestures.

2. WHAT'S IN THE BOX

The Drsaec J55 Wireless Earbuds package includes the following components:

- Wireless Earbuds (2)
- Charging Case (1)
- Type-C Charging Cable (1)
- User Manual (1)

3. SETUP GUIDE

3.1 Charging the Earbuds and Case

Before first use, ensure both the earbuds and the charging case are fully charged. Connect the provided Type-C charging cable to the charging port on the case and to a USB power source. The LED display on the charging case will indicate the charging status and battery level. The earbuds will charge automatically when placed inside the case.

3.2 Initial Pairing

The Drsaec J55 earbuds feature one-step pairing for convenience:

1. Ensure the earbuds are in the charging case and the case has power.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, computer), enable Bluetooth and search for available devices.
4. Select "J55" from the list of found devices to connect.
5. Once connected, the earbuds will automatically pair with this device in the future when taken out of the case.

5. CARE AND MAINTENANCE

5.1 Waterproofing

The Drsaec J55 earbuds are IP7 waterproof, meaning they are protected against temporary immersion in water. This makes them suitable for use during workouts, light rain, and protection against accidental splashes. However, they are not designed for swimming or prolonged submersion.

5.2 Cleaning

To maintain optimal performance and hygiene, regularly clean your earbuds and charging case:

- Use a soft, dry, lint-free cloth to wipe the earbuds and charging case.
- For stubborn dirt, slightly dampen the cloth with water or a mild, non-abrasive cleaner.
- Avoid getting moisture into any openings.
- Do not use abrasive materials, alcohol, or chemical cleaners.

6. TROUBLESHOOTING

If you encounter any issues with your Drsaec J55 Wireless Earbuds, please refer to the following common solutions:

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Place them back in the case, close, then reopen. Delete "J55" from your device's Bluetooth list and try pairing again.
Only one earbud working	Place both earbuds back in the charging case, close the lid, wait a few seconds, then open again. Ensure both earbuds have sufficient charge.
Low volume or poor sound quality	Check device volume and earbud volume. Ensure earbuds are clean and properly seated in your ears. Try cleaning the speaker mesh.
Earbuds not charging	Ensure the charging cable is securely connected and the power source is active. Clean the charging contacts on both the earbuds and the case.
Touch controls unresponsive	Ensure your fingers are clean and dry. Try restarting the earbuds by placing them in the case and taking them out again.

If the issue persists, please contact Drsaec customer support for further assistance.
