## 1. INTRODUCTION

Thank you for choosing the JUMMICO WD0489-33 5-Drawer Dresser. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

### Product Overview

The JUMMICO WD0489-33 is a versatile 5-drawer dresser designed to provide spacious storage and a modern aesthetic for various rooms in your home. Its robust construction ensures durability, while the smooth-gliding drawers offer convenient access to your belongings. The flat top surface can also serve as a TV stand or display area.

### Key Features:

- **Spacious Storage Capacity:** Features 5 drawers for organizing clothes, accessories, and other essentials.
- **Elegant Modern Design:** Combines minimalist style with practical storage, suitable for various home decors.
- **Sturdy Construction:** Built with high-quality wood materials, designed for stability and daily use.
- **Smooth-Gliding Drawers:** Drawers operate effortlessly on robust runners for quiet and easy access.
- **Anti-Tip Device:** Includes a safety device to prevent accidental tipping.

- **Effortless Assembly:** Designed for quick and straightforward setup.

## 2. SAFETY INFORMATION

---

**WARNING: Serious or fatal crushing injuries can occur from furniture tip-over. To help prevent tip-over:**

- Always install the anti-tip device provided with the dresser.
- Never allow children to climb or hang on drawers, doors, or shelves.
- Never open more than one drawer at a time.
- Place the heaviest items in the lowest drawers.
- Do not place a television or other heavy objects on top of this product unless it is specifically designed to accommodate them. The top of this dresser can hold up to 101 lbs.
- Each drawer has a load-bearing capacity of 20 pounds. Do not exceed this limit.

Failure to follow these warnings may result in death or serious injury.

## 3. PACKAGE CONTENTS

---

Before beginning assembly, ensure all parts listed below are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact customer support for assistance.

### Expected Components:

- Dresser panels (top, bottom, sides, back, drawer fronts, drawer sides/back)
- 5 Drawer knobs
- Drawer slides/runners
- Assembly hardware (screws, dowels, cam locks, etc.)
- Anti-tip device kit
- Assembly instructions manual

*Note: The exact number and type of hardware pieces will be detailed in the included assembly guide.*

## 4. ASSEMBLY INSTRUCTIONS

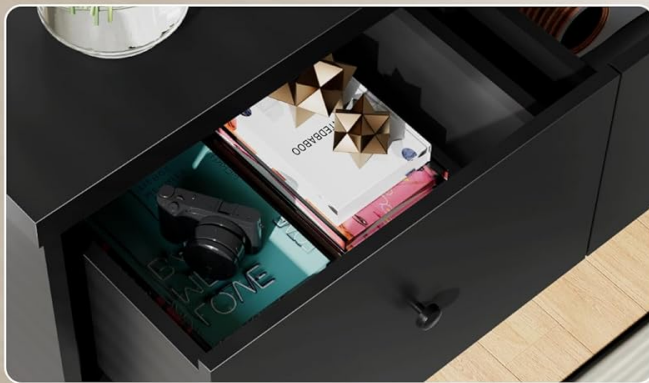

---

Assembly is designed to be straightforward and typically takes 2 hours or less. We recommend having a Phillips head screwdriver and possibly a power drill (on a low torque setting) for faster assembly. Work on a soft, clean surface to prevent scratching the furniture.

### General Assembly Steps:

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out. Compare them against the parts list in the separate assembly guide to ensure everything is present.
2. **Assemble the Main Frame:** Follow the step-by-step diagrams in the provided assembly guide to construct the main frame of the dresser. Ensure all connections are secure.
3. **Assemble the Drawers:** Each of the 5 drawers will be assembled individually. Attach the sides, back, and bottom to the drawer front. Install the drawer knobs.
4. **Install Drawer Slides:** Attach the drawer slides to both the dresser frame and the assembled drawers according to the instructions. Ensure they are correctly aligned for smooth operation.
5. **Insert Drawers:** Carefully slide the assembled drawers into their respective slots in the dresser frame. Test each drawer for smooth movement.
6. **Install Anti-Tip Device:** Securely attach the anti-tip device to the back of the dresser and to a wall stud, following the specific instructions provided with the kit. This is a critical safety step.

For detailed, step-by-step visual instructions, please refer to the separate assembly manual included in your package.

## 5. SETUP

### Choosing a Location:

- Select a flat, level surface to place the dresser to ensure stability.
- Avoid placing the dresser in direct sunlight or near heat sources to prevent material damage or discoloration.
- Ensure adequate space around the dresser for opening drawers fully.

## Keep Your Space Neat and Tidy

Image: The JUMMICO dresser shown in different home environments, including a living room, bedroom, and entryway, demonstrating its versatility.

### Installing the Anti-Tip Device:

The anti-tip device is crucial for safety. Follow these general steps, referring to the specific instructions provided with the device:

1. Position the dresser in its final desired location.
2. Mark the wall where the anti-tip strap will attach, ensuring it aligns with a wall stud for maximum security.
3. Drill pilot holes if necessary and secure the bracket to the wall stud using the provided screws.
4. Attach the other end of the strap to the back of the dresser using the provided hardware.
5. Ensure the strap is taut and securely fastened, preventing the dresser from tipping forward.

## 6. OPERATION

## Using the Drawers:

The JUMMICO dresser features smooth-gliding drawers designed for easy opening and closing. To operate:

- Grasp the drawer knob firmly.
- Pull the drawer straight out to open.
- Push the drawer straight in to close. Avoid forcing drawers if they feel stiff.

### Important:

- Do not overload drawers. Each drawer has a maximum weight capacity of 20 pounds.
- Do not open multiple drawers simultaneously, as this can affect stability and increase the risk of tipping.

Image: Open drawers of the JUMMICO dresser, illustrating its large storage capacity for items like socks, underwear, t-shirts, and jeans.

## Top Surface Usage:

The sturdy top surface of the dresser can support up to 101 lbs, making it suitable for:

- Displaying decorative items, lamps, or books.
- Serving as a TV stand for appropriately sized televisions.

Ensure weight is distributed evenly on the top surface.

## 7. MAINTENANCE

Proper care will help maintain the appearance and longevity of your JUMMICO dresser.

### Cleaning:

- Wipe surfaces with a soft, damp cloth.
- Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the painted finish.
- Immediately wipe up spills to prevent staining or water damage.

### General Care:

- Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- Avoid dragging the dresser when moving it; always lift it to prevent damage to the feet and frame.
- Keep the dresser away from extreme temperature changes and humidity.

## 8. TROUBLESHOOTING

If you encounter any issues with your dresser, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Drawers do not slide smoothly or stick.	Misaligned drawer slides, loose hardware, obstruction.	Check that drawer slides are correctly installed and aligned. Ensure all screws on the slides and drawers are tight. Remove any obstructions from the drawer runners.
Dresser feels unstable or wobbly.	Uneven floor, loose frame connections, anti-tip device not installed.	Ensure the dresser is on a level surface. Check and tighten all frame assembly screws. Verify the anti-tip device is securely installed to a wall stud.
Parts are missing or damaged upon arrival.	Shipping damage or packaging error.	Do not proceed with assembly. Contact JUMMICO customer support immediately for replacement parts.
Drawers do not close completely.	Overloaded drawer, obstruction, misaligned slides.	Reduce the weight in the drawer. Check for items blocking the drawer from closing. Re-check drawer slide alignment.
