2. SAFETY INFORMATION

To prevent serious injury or death from furniture tip-over, this dresser must be permanently attached to the wall using the anti-tipping device provided. Always ensure the anti-tipping device is correctly installed before placing items in the drawers or on the dresser top.

- Do not allow children to climb on the dresser.
- Do not open more than one drawer at a time.
- Place heavier items in the lowest drawers.
- Always follow assembly instructions carefully.

5 Sturdy Legs

Metal legs offer superior pressure resistance, one more leg in the middle add firmness and stability.

5. OPERATING INSTRUCTIONS

LED Lighting System

The dresser features integrated RGB LED lights to enhance ambiance. Use the provided remote control to adjust colors, brightness, and lighting modes. The system offers over 60,000 lighting colors for customization.

The LED lighting system offers a wide range of colors and modes, controllable via remote.

Integrated Charging Station

The dresser includes a built-in charging station for your convenience. It features:

- 2 AC Outlets (125V/12A)

- 1 USB Port (5V/2A)
- 1 Type-C Port (5V/2A)

Simply plug your devices into the appropriate ports for charging. Ensure the dresser is connected to a power source.

Built-in Charging Station

125V/12A
2 AC Outlets

5V /2A
1 USB Port

5V /2A
1 Type-C Port

The convenient charging station allows you to power multiple devices directly from the dresser top.

6. MAINTENANCE

To maintain the appearance and longevity of your LOUVIXA dresser, follow these simple care instructions:

- Wipe with a dry cloth to remove dust and debris.
- Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish.
- Keep the dresser away from direct sunlight and excessive moisture.
- Regularly check and tighten any loose screws or fittings.

7. TROUBLESHOOTING

LED Lights Not Working:

- Ensure the dresser's power cord is securely plugged into a working outlet.
- Check the connection of the LED strip to the power adapter.
- Verify the remote control batteries are functional and correctly inserted.

Charging Station Not Functioning:

- Confirm the dresser is plugged into a live power outlet.
- Check if the charging station's power switch (if present) is in the 'ON' position.
- Test with different devices and cables to rule out device-specific issues.

Drawers Not Sliding Smoothly:

- Ensure the drawer slides are correctly aligned and free of obstructions.
- Verify that the drawer is not overloaded.
