## IMPORTANT SAFETY INFORMATION

- Always ensure the chair is placed on a stable, level surface to prevent tipping.
- Do not exceed the maximum weight capacity of **350 pounds** per chair.
- Use the chair only as intended for seating. Avoid standing on the chair or using it as a step stool.
- Keep children away from the assembly area. Small parts can be a choking hazard.

- Periodically check all bolts and connections to ensure they remain tight. Retighten as necessary.
- Avoid exposing the chairs to extreme weather conditions for prolonged periods to extend their lifespan.

## ASSEMBLY INSTRUCTIONS

---

Assembly is required for these chairs. Please follow the steps below carefully. It is recommended to assemble the chairs on a soft, clean surface to prevent scratching.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out. Check against the package contents list.
2. **Assemble Chair Base:** Attach the chair legs to the circular base using the provided hardware. Do not fully tighten bolts until all components are aligned.
3. **Attach Seat Frame:** Secure the seat frame to the assembled base. Ensure the rotating mechanism is correctly aligned.
4. **Attach Backrest:** Connect the backrest to the seat frame.
5. **Tighten All Hardware:** Once all parts are loosely assembled and aligned, gradually tighten all bolts securely. Do not overtighten.
6. **Place Cushions:** Position the seat and back cushions onto the chair frame. The seat cushions feature ties and zipper closures for secure attachment and easy removal.

## OPERATING INSTRUCTIONS

---

Your MELLCOM Patio Swivel Rocker Dining Chairs are designed for comfort and versatility in outdoor settings.

### Swivel Function

The chair base allows for a smooth 360-degree rotation. Simply apply gentle pressure to turn the chair in any direction. This feature enables easy conversation and adjustment to sunlight or views without moving the entire chair.

### Rocking Function

The chair also features a gentle rocking motion. Lean back slightly to engage the rocking mechanism, providing a relaxing experience. The L-shaped gentle rocking base ensures stability during use.

## Rocking & 360 Degree Swivel

Full-rotation chairs allow you to face or leave the sun easily. The rocking motion allows you to enjoy ultimate relaxation.

## MAINTENANCE AND CARE

### Frame Care

The chair frame is constructed with a powder-coated steel frame and E-coating for rust resistance. To clean, simply wipe with a damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.

## Rust-Resistant Metal Frame

The frame uses high-strength metal material to ensure the chair has excellent durability and load-bearing capacity, and it has undergone special anti-rust treatment for a long service life.

## Cushion Care

The removable seat cushions are made from durable, waterproof, weather-resistant, and easy-to-clean olefin fabric. They feature zipper closures for convenient removal.

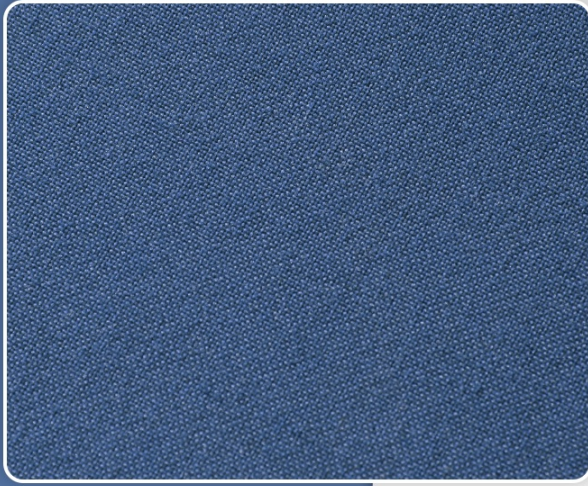

- **Cleaning:** The cushion covers can be removed and washed. Follow the care label instructions for best results.
- **Drying:** Allow cushions to air dry completely before reattaching to prevent mildew.
- **Storage:** For prolonged periods of non-use or during harsh weather, it is recommended to store cushions indoors to maintain their quality and appearance.

## Removable Covers

The cushion cover has a zipper, which can be easily removed and cleaned at any time.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Chair feels unstable or wobbly.	Loose hardware or uneven surface.	Ensure all bolts are securely tightened. Move the chair to a level surface.
Swivel or rocking mechanism is stiff.	Dirt/debris in mechanism or lack of lubrication.	Clean the mechanism area. Apply a silicone-based lubricant if necessary (avoid oil-based lubricants).
Cushions slide off the chair.	Cushion ties not secured.	Ensure cushion ties are securely fastened to the chair frame.
Rust spots appear on the frame.	Prolonged exposure to moisture or damage to protective coating.	Clean the area and apply a rust-inhibiting paint. Store chairs in a dry area when not in use.
