2. SAFETY INFORMATION

Always adhere to the following safety guidelines during assembly and use:

- Follow all assembly instructions carefully and in the specified order.
- Ensure the cabinet is securely mounted to the floor or wall (if applicable) to prevent tipping, especially in households with children or pets.
- Exercise caution when adjusting shelves, particularly when they are extended or supporting heavy items.
- Do not overload shelves or the tabletop beyond their weight capacity.
- Keep small parts and hardware away from children during assembly.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. Refer to the included parts list in your packaging. Typical components include:

- Cabinet panels (top, bottom, sides, back, shelves)
- Door panels with glass inserts
- Hardware (screws, dowels, cam locks, hinges, handles)
- Adjustable shelf pins
- Assembly tools (often an Allen wrench, screwdriver not always included)

4. ASSEMBLY INSTRUCTIONS

Assembly of the YITAHOME Farmhouse Buffet Cabinet is designed to be straightforward. It is recommended to have two people for assembly. Follow the step-by-step guide provided in your product packaging. Key steps generally include:

1. **Unpack and Identify Parts:** Lay out all components on a clean, soft surface to prevent scratches. Match each part to the corresponding label in the instruction manual.
2. **Assemble the Base Frame:** Connect the bottom panel and side panels using the provided hardware.
3. **Install Back Panel:** Secure the back panel to the assembled frame.
4. **Insert Fixed Shelves:** Place any fixed shelves into their designated slots.
5. **Attach Doors:** Mount the door hinges to the doors and then to the cabinet frame. Ensure doors align properly.
6. **Install Handles:** Attach the decorative handles to the doors.
7. **Insert Adjustable Shelves:** Place the adjustable shelf pins into the desired height holes and then rest the adjustable shelves on top.
8. **Final Adjustments:** Check all connections for tightness. Adjust door hinges if necessary for proper alignment.

6. MAINTENANCE

To maintain the appearance and structural integrity of your buffet cabinet, follow these simple maintenance tips:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or water damage.
- **Heat Protection:** Use coasters or heat-resistant mats under hot items to protect the tabletop.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure to prevent fading or discoloration.
- **Hardware Check:** Periodically check all screws and connections and tighten them if necessary to ensure stability.

7. TROUBLESHOOTING

If you encounter any issues with your YITAHOME Farmhouse Buffet Cabinet, refer to the following common problems and solutions:

- **Problem:** Doors do not align properly or rub against the frame.
Solution: Adjust the hinges. Most hinges have screws that allow for minor adjustments in height, depth, and side-to-side positioning. Refer to the hinge adjustment section in your detailed assembly manual.
- **Problem:** Shelves appear uneven or wobbly.
Solution: Ensure all shelf pins are fully inserted into the corresponding holes on both sides. Verify that the cabinet itself is on a level surface. If the floor is uneven, consider using furniture levelers under the cabinet legs. Recheck all frame connections for tightness.
- **Problem:** Cabinet feels unstable.
Solution: Confirm all assembly hardware is securely tightened. If a wall anchor kit was provided, ensure it is properly installed. Distribute weight evenly on shelves and the tabletop.
- **Problem:** Missing or damaged parts.
Solution: Do not proceed with assembly. Contact YITAHOME customer support immediately for replacement parts.
