BDYDT D1315

BDYDT Animal Magic Owl Flower Building Blocks Set D1315

Instruction Manual

INTRODUCTION

This manual provides detailed instructions for assembling your BDYDT Animal Magic Owl Flower Building Blocks Set, Model D1315. This intricate 1239-piece set is designed for enthusiasts aged 8 and up, offering a rewarding building experience that culminates in a beautiful decorative piece.

SAFETY INFORMATION

- **Small parts:** Not suitable for children under 3 years due to choking hazards.
- Adult supervision recommended for younger builders.
- Keep all packaging materials away from children.

PACKAGE CONTENTS

Your BDYDT Animal Magic Owl Flower Building Blocks Set includes:

- 1239 building block pieces, sorted into numbered bags (1-4).
- 1 Instruction Manual.
- 1 Brick Separator tool.

Please verify all contents upon opening. If any pieces are missing or damaged, refer to the "Troubleshooting" section for support.

ASSEMBLY INSTRUCTIONS

Follow the steps below to construct your Animal Magic Owl. The instruction manual provided with your set features large, clear illustrations for each step. Pieces are organized into numbered bags corresponding to sections of the build.

Step 1: Base and Perch Assembly (Bags labeled '1')

Begin by assembling the base and the tree perch for the owl. This forms the foundation of your model.

1239+PCS

Magic Owl Flower Building Blocks Set

Image: The initial brown brick base and tree perch, partially assembled, with green vine elements and small pink and yellow flowers.

Step 2: Owl Body Structure (Bags labeled '2' and '3')

Proceed to build the main body of the owl, incorporating various colorful flower and plant elements as indicated in the manual.

Image: The owl's body under construction, showing a mix of purple, blue, pink, and white flower-shaped bricks forming its intricate texture.

Step 3: Facial Features and Crown (Bags labeled '4')

Attach the distinctive sunflower eyes and the floral crown to complete the owl's head. Ensure all pieces are firmly connected for stability.

Image: A close-up of the owl's face, highlighting the large, yellow and orange sunflower eyes and the blue and green floral crown on its head.

Final Assembly

Once all sections are complete, carefully connect the owl's body to its perch. The finished model is designed for 360-degree display.

OPERATING / DISPLAY

This building set is primarily a display model. Once assembled, it can be placed on any flat surface as a decorative art piece. The model is designed to be visually appealing from all angles.

MAINTENANCE

- To clean, gently wipe with a dry, soft cloth. Avoid using harsh chemicals or abrasive materials.
- Store in a cool, dry place away from direct sunlight to prevent discoloration or damage to the plastic.

TROUBLESHOOTING

Missing or Damaged Pieces

If you find any missing or damaged pieces, please contact BDYDT customer support. Refer to the contact

information in the "Support" section.

Difficulty with Assembly

The included brick separator tool can assist in disassembling incorrectly placed bricks. Ensure you are following the step-by-step instructions carefully. Building can be a patient process; take breaks if needed.
