OPERATING INSTRUCTIONS

Using the Storage Headboard

The integrated headboard features two open compartments for convenient storage. These can be used to store books, small decorative items, or other essentials, keeping them easily accessible from the bed.

Utilizing Under-Bed Drawers

Two spacious drawers are located beneath the bed frame. These drawers glide smoothly on casters, allowing for easy access to stored items such as clothes, toys, or bedding. To open, gently pull the drawer front. To close, push until fully recessed under the bed.

MAINTENANCE

- **Cleaning:** Wipe the bed frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the wood finish.
- **Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary to maintain stability and safety.
- **Wood Care:** Protect the wood from direct sunlight and extreme temperature changes to prevent warping or fading.

TROUBLESHOOTING

Issue: Bed frame feels wobbly or unstable.

Solution: Check all assembly points. Ensure all screws, bolts, and fasteners are securely tightened. Over time, fasteners can loosen, requiring periodic retightening.

Issue: Drawers do not slide smoothly.

Solution: Inspect the casters on the bottom of the drawers for any obstructions or damage. Ensure the drawers are properly aligned within their tracks. Clean any dust or debris from the drawer pathways.

Issue: Missing or damaged parts upon delivery.

Solution: Contact Bellemave customer support immediately with your purchase details. They will assist in resolving the issue by providing replacement parts.
