General Care

- Cover the furniture during prolonged periods of non-use or severe weather to protect it from the elements.
- Store cushions indoors during heavy rain or winter months to prevent mildew and prolong their lifespan.
- Regularly check and tighten all hardware to ensure structural integrity.

TROUBLESHOOTING

If you encounter any issues with your AECOJOY patio furniture set, please refer to the following common solutions.

- **Wobbling Furniture:** Check if the furniture is on an even surface. Adjust the leveling feet on each piece until stable. Ensure all bolts are securely tightened.
- **Difficulty with Assembly:** Review the included assembly instructions carefully. Ensure all parts are correctly oriented and that you are using the correct hardware for each step. Do not force parts together. If a part seems ill-fitting, double-check the instructions and part numbers.
- **Cushions Flattening:** Over time, cushions may compress. Rotate and fluff cushions regularly to maintain their shape and loft.
- **Fading or Discoloration:** While the PE wicker and fabric are designed for outdoor use, prolonged exposure to direct sunlight can cause some fading. Use furniture covers when not in use to minimize sun exposure.

If you are unable to resolve an issue, please contact customer support for further assistance.
