## HOGOKIDS SC8801

# HOGOKIDS 2-in-1 Cherry Blossom Bonsai Building Kit

Model: SC8801

## INTRODUCTION

---

Thank you for choosing the HOGOKIDS 2-in-1 Cherry Blossom Bonsai Building Kit, Model SC8801. This kit allows you to construct a beautiful artificial cherry blossom display in two distinct styles: a traditional bonsai or an elegant vase arrangement. Comprising 775 high-quality building blocks, this set is designed to provide an engaging and rewarding building experience for adults and teenagers.

Please read this manual carefully before beginning assembly to ensure proper construction and enjoyment of your finished model.

## SAFETY INFORMATION

---

- **Small Parts Warning:** This kit contains small parts and is not suitable for children under 6 years of age due to choking hazards.
- **Adult Supervision:** Use only under adult supervision for younger builders.
- **Material:** The building blocks are made from Acrylonitrile Butadiene Styrene (ABS). Do not ingest.
- **Handling:** Handle parts with care to avoid breakage.

## PACKAGE CONTENTS

---

Your HOGOKIDS Cherry Blossom Bonsai Building Kit includes:

- 775 assorted building blocks for cherry blossom flowers, branches, and base structures.
- 1 Instruction Manual (this document).

## SETUP AND ASSEMBLY

---

This kit offers two distinct display options. Follow the instructions for your preferred model. It is recommended to sort the building blocks by color and type before starting assembly.

### General Assembly Tips:

- Refer to the included printed instruction booklet for detailed step-by-step diagrams.
- Ensure each piece is firmly connected to prevent the model from falling apart.
- If a piece is difficult to connect, try gently wiggling it or applying even pressure. Do not force pieces excessively.

## Model A: Bonsai Style

This configuration creates a traditional cherry blossom bonsai tree in a rectangular pot.

1. Begin by assembling the rectangular pot base according to the instructions.
2. Construct the main trunk and branches of the cherry blossom tree.
3. Attach the assembled tree structure securely to the rectangular pot.
4. Add the individual cherry blossom flowers and decorative elements to the branches to complete the bonsai.

## Model B: Vase Arrangement Style

This configuration creates a cherry blossom floral arrangement displayed in a decorative vase.

1. Assemble the half-moon planter and the bonus base plate as instructed.

2. Construct the three individual cherry blossom branches.
3. Arrange and secure the three cherry blossom branches within the half-moon planter.
4. Place the completed planter onto the bonus base plate.

## OPERATING (DISPLAY)

---

Once assembled, your HOGOKIDS Cherry Blossom model is a static display piece. Place it on a stable, flat surface away from direct sunlight and extreme temperatures to preserve its color and structural integrity. It is intended for indoor decoration.

## MAINTENANCE

---

To keep your cherry blossom model clean and dust-free:

- Gently dust the model with a soft, dry cloth or a soft brush.
- For more stubborn dirt, lightly dampen a cloth with water and wipe the surfaces. Avoid using harsh chemicals or abrasive cleaners.
- Ensure the model is completely dry before placing it back on display.

## TROUBLESHOOTING

---

## Missing Pieces:

If you find that essential pieces are missing from your kit, please contact HOGOKIDS customer support with details of the missing parts and your purchase information. While not a LEGO product, HOGOKIDS aims to ensure customer satisfaction.

## Difficulty Fitting Pieces:

Some pieces may fit snugly. Ensure proper alignment and apply steady, even pressure. Avoid excessive force, which can damage the blocks. If a piece consistently does not fit, double-check the instruction manual to confirm you are using the correct part for that step.
