Maxitoc RC813/RC813B Remote Silicone Protective Cover

Maxitoc Silicone Protective Cover for TCL RC813/RC813B Smart TV Remote - Glow Green

Model: RC813/RC813B Remote Silicone Protective Cover

Product Overview

The Maxitoc Silicone Protective Cover is specifically designed for TCL RC813 and RC813B Smart TV Remotes. This cover offers enhanced protection, improved grip, and a unique glow-in-the-dark feature to help you easily locate your remote.

- **Easy to Find:** The glow-in-the-dark material allows you to quickly locate your remote in low-light conditions, eliminating the frustration of searching.
- **Comprehensive Protection:** An all-inclusive design provides full coverage, protecting your remote from drops, impacts, and daily wear and tear.
- **Precise Drilling:** Each button hole is meticulously aligned to ensure full functionality and an optimal user experience.
- **Convenient & Safe:** Equipped with a durable lanyard for easy storage and to prevent misplacement. The textured silicone back offers a secure, non-slip grip.
- **Excellent Quality:** Made from trusted, environmentally friendly, non-toxic silicone materials, ensuring durability and safety for households with pets or children.

Setup Instructions

1. **Prepare Your Remote:** Ensure your TCL RC813 or RC813B remote control is clean and free of debris before installation.
2. **Install the Cover:** Gently slide the silicone cover onto your remote, starting from the top (power button end). Ensure all buttons align correctly with the cutouts on the cover. Adjust as necessary for a snug fit.
3. **Attach the Lanyard:** Thread the included lanyard through the designated loop hole on the bottom of the silicone cover. Secure the lanyard firmly.
4. **Activate Glow Feature:** For optimal glow-in-the-dark performance, expose the cover to bright light (natural or artificial) for a few minutes before use in dark environments.

Operating Instructions

Once the protective cover is installed, your TCL RC813/RC813B remote will function as usual, with added benefits:

- **Enhanced Grip:** The textured silicone material provides a comfortable and secure grip, reducing the chance of accidental drops.
- **Button Accessibility:** The precise cutouts ensure all buttons, including power, volume, channel, and app shortcuts, remain fully accessible and responsive.
- **Glow-in-the-Dark Functionality:** In dark rooms, the cover will emit a soft green glow, making your remote easy to spot on a couch, table, or floor.
- **Lanyard Use:** Utilize the lanyard to hang your remote in a convenient location or secure it to prevent loss.

Maintenance

To keep your Maxitoc Silicone Protective Cover in optimal condition:

- **Cleaning:** Wipe the cover regularly with a soft, damp cloth to remove dust and grime. For tougher stains, a mild soap solution can be used, followed by rinsing and air-drying.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or harsh chemicals, as these may damage the silicone material or affect the glow-in-the-dark properties.
- **Storage:** Store the remote with the cover in a cool, dry place when not in use.

Troubleshooting

Problem	Possible Cause	Solution
Cover does not glow brightly.	Insufficient light exposure.	Expose the cover to bright light (sunlight or artificial light) for at least 5-10 minutes to charge the glow material.
Buttons are stiff or unresponsive.	Cover not properly aligned.	Remove the cover and re-install, ensuring all button cutouts are perfectly aligned with the remote's buttons.
Remote feels loose inside the cover.	Incorrect remote model.	Verify that your remote is a TCL RC813 or RC813B model. This cover is specifically designed for these models.
