GDFStudio Full Size Floor Platform Bed with Fence and Door - Instruction Manual

Model: 326331W

[Introduction](#) [Safety Information](#) [Package Contents](#) [Setup](#) [Operating Instructions](#) [Maintenance](#) [Troubleshooting](#) [Specifications](#) [Warranty & Support](#)

1. INTRODUCTION

Thank you for choosing the GDFStudio Full Size Floor Platform Bed with Fence and Door. This manual provides detailed instructions for the assembly, operation, and maintenance of your new bed frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

2. SAFETY INFORMATION

- **Adult Assembly Required:** This product must be assembled by adults. Keep children away during assembly.
- **Read Instructions:** Ensure all instructions are read and understood before assembly and use.
- **Check All Parts:** Verify that all parts are present and undamaged before assembly. Do not use if any parts are missing or broken.
- **Use on Level Surface:** Assemble and use the bed on a flat, stable, and level surface to prevent tipping.
- **Tighten Fasteners:** Periodically check and tighten all fasteners to ensure the bed remains stable. Do not overtighten.
- **Weight Limit:** Do not exceed the recommended weight limit for a full-size bed frame.
- **No Box Spring Needed:** This platform bed is designed for use without a box spring. Using a box spring may raise the mattress height excessively.

3. PACKAGE CONTENTS

Before assembly, please ensure all components listed below are present in your package. If any parts are missing or damaged, please contact customer support.

Image: Detailed diagram illustrating all components and their respective dimensions for the bed frame.

Components List:

- Headboard/Footboard Panels
- Side Rails with Fence
- Door Panel
- Support Slats
- Center Support Legs (if applicable)
- Hardware Pack (screws, bolts, Allen wrench)
- Instruction Manual

4. SETUP AND ASSEMBLY

Follow these steps carefully for a smooth assembly process. It is recommended to assemble the bed with two adults.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface (like a carpet) to prevent scratches.
2. **Assemble Side Rails:** Attach the side rails to the headboard and footboard panels using the

provided hardware. Ensure all connections are secure but do not fully tighten until the frame is complete.

3. **Install Door:** Attach the door panel to the designated opening on the side rail using the hinges and latch provided. Ensure the door swings freely and latches securely.

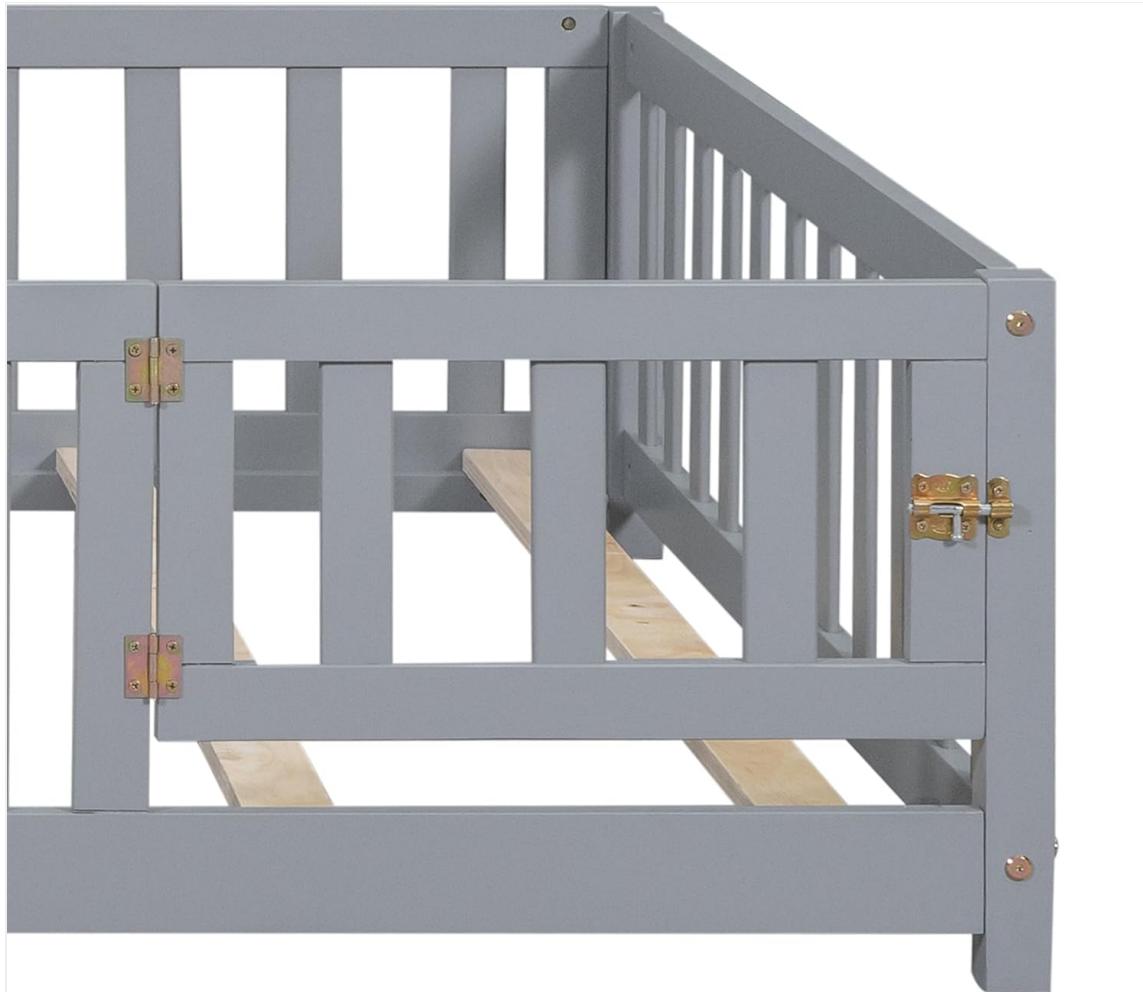

Image: Detail of the door's hinge and latch for secure closure.

4. **Place Support Slats:** Lay the wooden support slats across the bed frame. Ensure they are evenly spaced and secured to the side rails as per the instructions. These slats provide mattress support and eliminate the need for a box spring.

Image: View of the sturdy wooden slats providing mattress support.

5. **Final Tightening:** Once all parts are assembled, go back and fully tighten all screws and bolts. Do not overtighten to avoid damaging the wood.
6. **Position Bed:** Carefully move the assembled bed frame to its desired location.

5. OPERATING INSTRUCTIONS

This floor platform bed is designed for direct mattress placement. No box spring is required. The integrated fence and door provide a secure and enclosed sleeping area.

- **Mattress Placement:** Place your full-size mattress directly onto the wooden support slats.
- **Door Functionality:** The small door allows for easy entry and exit. Ensure the latch is properly engaged when the door is closed to keep it secure.
- **Low Profile Design:** The low height of the bed makes it easily accessible.

6. MAINTENANCE

- **Cleaning:** Wipe the wood frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Regular Inspection:** Periodically check all bolts and screws to ensure they are tight. Retighten if necessary.
- **Avoid Moisture:** Keep the bed away from excessive moisture or direct sunlight to prevent warping or fading of the wood.

7. TROUBLESHOOTING

Common Issues and Solutions:

- **Bed feels wobbly:** Ensure all bolts and screws are fully tightened. Check that the bed is on a level surface.
- **Slats are not fitting:** Double-check that the side rails are correctly installed and that the slats are oriented properly.

- **Door not closing properly:** Inspect hinges and latch for any obstructions or misalignment. Adjust if needed.

8. SPECIFICATIONS

Feature	Detail
Product Dimensions	78.1"L x 55.7"W x 16.5"H
Size	Full
Color	Grey
Material	Wood (Pine)
Finish Type	Stained
Item Weight	51.8 pounds
Special Feature	No Box Spring Needed, Guardrails, Door
Assembly Required	Yes
Model Number	326331W
UPC	194798199364

9. WARRANTY AND SUPPORT

GDFStudio products are manufactured with quality and care. For any questions regarding assembly, missing parts, or product defects, please contact GDFStudio customer support. Please have your model number (326331W) and purchase information ready when contacting support.

For specific warranty details, please refer to the documentation provided at the time of purchase or visit the official GDFStudio website.
