

Lamshaw Quick Release Sport Designed Silicone Smartwatch Band

Lamshaw Smartwatch Band Instruction Manual

Quick Release Sport Designed Silicone Band

INTRODUCTION

Thank you for choosing the Lamshaw Quick Release Sport Designed Silicone Smartwatch Band. This manual provides essential information for the proper installation, use, and maintenance of your new smartwatch band. Please read these instructions carefully to ensure optimal performance and longevity of your product.

PRODUCT FEATURES

- **High-Quality Silicone Material:** Crafted from premium silicone, ensuring durability, flexibility, and comfort for daily wear.
- **Breathable Design:** Features compression-molded perforations (air holes) to enhance airflow, keeping your wrist cool and comfortable, especially during physical activity.
- **Quick Release Mechanism:** Equipped with connectors on both ends for easy installation and removal, allowing for quick band changes without tools.
- **Secure Metal Buckle:** Designed with a robust metal buckle for a secure and adjustable fit.
- **Water and Sweat Resistant:** Ideal for sports and everyday activities, resistant to sweat and water.

COMPATIBILITY

These bands are designed for specific ALPHAGEAR Smartwatch models. Please verify your smartwatch model and lug width before installation.

- **22mm Size Band:** Compatible with ALPHAGEAR Juliet, Bravo II, Bravo XL 2, Raptor, Commander, Alpha, Bravo S2, and XL2 Smartwatches.
- **24mm Size Band:** Compatible with ALPHAGEAR Bravo XL Smartwatch.

INSTALLATION

The quick-release design allows for easy attachment and detachment of the band.

1. Locate the quick-release pins on the back of each band segment.
2. Align one end of the band with the lug of your smartwatch.
3. Push the quick-release pin inward and slide the band into place between the watch lugs.
4. Release the pin, ensuring it securely locks into the watch lug hole.
5. Repeat the process for the other side of the band.

Premium Waterproof Material

Sweat and water resistant, lightweight

Soft, comfortable Daily

OPERATING AND ADJUSTMENT

Once installed, adjust the band for a comfortable and secure fit on your wrist.

1. Place the smartwatch on your wrist.
2. Thread the end of the band through the metal buckle.
3. Adjust the band length by selecting an appropriate hole for a snug, yet comfortable, fit.
4. Secure the excess band using the two loops provided.

The band is designed to fit wrists measuring 5.9 to 8.3 inches (150mm-210mm).

Available Length

Precise multiple holes design, let you adjust to suitable length.

Fits 5.9"-8.3" (150mm-210mm)

MAINTENANCE

To maintain the quality and appearance of your silicone band, follow these simple cleaning instructions:

- Remove the band from your smartwatch.
- Wash the band with mild soap and water.
- Rinse thoroughly to remove all soap residue.
- Allow the band to air dry completely before reattaching it to your smartwatch.

TROUBLESHOOTING: ENSURING CORRECT FIT

If the band does not fit your smartwatch or wrist correctly, consider the following:

- **Verify Watch Lug Width:** Use a ruler to measure the distance between the watch lugs in millimeters. This band is available in 22mm and 24mm widths.
- **Check Current Band:** Inspect the backside of your current watch band; the width is often marked there.
- **Consult Watch Specifications:** Find the official specifications for your smartwatch model online to confirm the required band width.
- **Wrist Measurement:** Ensure your wrist circumference falls within the 5.9-8.3 inch range for optimal fit.

SPECIFICATIONS
