1. SAFETY INSTRUCTIONS

Please read and understand all safety instructions before assembling or using the HLR Kitchen Island. Failure to follow these instructions may result in injury or product damage.

- **Secure all parts:** Ensure all parts are properly secured before use.
- **Children safety:** Do not allow children to play on, with, or around the cart.
- **Weight capacity:** Do not exceed the weight capacity of 103 pounds.
- **Movement caution:** Use caution when moving the island on uneven surfaces to prevent tipping.
- **Sharp edges:** Be careful around sharp edges during assembly and use.
- **Small parts:** Keep small parts out of reach of children to prevent choking hazards.

2. PRODUCT OVERVIEW AND FEATURES

The HLR Grey Rolling Kitchen Island is designed to provide versatile storage and workspace in your kitchen. Its features include a space-saving drop-leaf countertop, ample storage options, and mobile design for convenient rearrangement.

2.1. Space-Saving Drop-Leaf Countertop

This kitchen island features a drop-leaf design, ideal for smaller kitchens. The leaf can be lifted to provide additional countertop and prep space or seating, and folded down to create more floor space when not in use.

3. ASSEMBLY INSTRUCTIONS

The HLR Kitchen Island is designed for straightforward assembly. All necessary accessories and detailed installation instructions are included in the packaging. We recommend reviewing the entire manual before beginning assembly.

- 1. Unpack Components:** Carefully unpack all parts and hardware. Verify that all components listed in the parts list are present and undamaged.
- 2. Identify Parts:** Refer to the included diagrams to identify each part.
- 3. Follow Step-by-Step Guide:** Assemble the island by following the step-by-step instructions provided in the manual. Pay close attention to diagrams and hardware usage.
- 4. Secure Connections:** Ensure all screws, bolts, and fasteners are tightened securely, but do not overtighten to avoid damaging the material.
- 5. Install Shelves:** Position adjustable shelves according to your storage needs.
- 6. Attach Wheels:** Securely attach the universal wheels, ensuring the locking mechanisms are functional.

If you encounter any difficulties during assembly, please refer to the "Warranty & Support" section for professional

guidance.

4. OPERATING INSTRUCTIONS

4.1. Using the Drop-Leaf Countertop

- **To Extend:** Gently lift the drop-leaf section of the countertop until it is level with the main surface. Ensure the support mechanism is fully engaged for stability.
- **To Fold Down:** Disengage the support mechanism and carefully lower the drop-leaf until it rests against the side of the island.

4.2. Moving the Kitchen Island

- **Unlock Wheels:** Before moving, ensure that the locking mechanisms on the wheels are disengaged (in the "OFF" position).
- **Move Carefully:** Push the island gently to its desired location. Avoid sudden movements or pushing over uneven surfaces to prevent tipping.
- **Lock Wheels:** Once the island is in place, engage the locking mechanisms on the wheels (in the "ON" position) to secure it and prevent accidental movement.

4.3. Utilizing Storage

- **Drawers:** Use the smooth-sliding drawers for cutlery, utensils, or other small kitchen items.
- **Cabinets:** The main cabinet area with adjustable shelves is suitable for larger items, pots, pans, or pantry staples.
- **Side Racks:** The integrated spice rack and towel bar provide convenient access to frequently used items.

5. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your HLR Kitchen Island.

- **Cleaning the Tabletop:** Wipe the rubberwood tabletop with a damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Cleaning the Frame:** Clean the engineered wood frame with a soft, damp cloth. Dry immediately to prevent moisture damage.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Wheel Maintenance:** Keep the wheels free of debris to ensure smooth movement. Lubricate if necessary.
- **Avoid Excessive Moisture:** Do not expose the island to excessive moisture or direct sunlight for prolonged periods.

6. TROUBLESHOOTING

If you encounter any issues with your HLR Kitchen Island, please refer to the following common solutions:

- **Island is unstable/wobbly:**
 - Ensure all assembly screws and fasteners are securely tightened.
 - Verify that the wheels are locked when the island is stationary.
 - Check that the drop-leaf support mechanism is fully engaged when extended.
- **Drawers are stiff or not sliding smoothly:**

- Check for any obstructions in the drawer slides.
- Ensure the drawer slides were installed correctly during assembly.
- **Wheels are not rolling smoothly:**
 - Check for debris (hair, lint, etc.) caught in the wheels.
 - Ensure the wheel locks are fully disengaged.

For issues not covered here, or if problems persist, please contact customer support as detailed in the "Warranty & Support" section.
