## INTRODUCTION

---

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your ONBRILL 55-inch Black Sideboard Buffet Cabinet. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of your product. Retain this manual for future reference.

The ONBRILL 55-inch Black Sideboard Buffet Cabinet is designed with curved edges and features smooth-gliding sliding doors. It offers versatile storage solutions with adjustable shelving, suitable for various rooms such as the kitchen, dining room, living room, or entryway.

## SETUP AND ASSEMBLY

---

Assembly of the ONBRILL Sideboard Buffet Cabinet is designed to be straightforward. All parts and accessories are clearly numbered, and detailed instructions are provided to guide you through each step.

### Before You Begin:

- Verify all components are present by checking against the included parts list.
- Ensure you have the necessary tools (e.g., screwdriver, hammer).
- Assemble the cabinet on a soft, clean surface to prevent scratches.
- Consider having a second person assist with lifting and positioning larger components.

### Assembly Steps:

1. Follow the step-by-step instructions provided in the assembly guide.
2. Attach the legs securely to the base of the cabinet.
3. Install the adjustable shelves into the desired height positions.
4. Carefully insert the sliding doors into their designated tracks. The unique sliding door design facilitates

easy installation.

5. For enhanced stability and safety, utilize the included wall connection fixer to secure the cabinet to the wall.

## OPERATING INSTRUCTIONS

---

The ONBRILL Sideboard Buffet Cabinet is designed for ease of use and versatility.

### Sliding Doors:

The cabinet features standard sliding groove tracks for effortless door operation. Gently slide the doors left or right to access the interior compartments. The doors are designed to glide smoothly without sticking.

### Adjustable Shelves:

The interior of the cabinet includes adjustable shelves with three height options. To adjust a shelf, remove any items, lift the shelf, and reposition it into the desired slots. This allows for flexible storage configurations to accommodate various item sizes.

## MAINTENANCE

---

Proper care will help maintain the appearance and structural integrity of your ONBRILL Sideboard Buffet Cabinet.

### Cleaning:

- Wipe surfaces with a soft, damp cloth.
- Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- Promptly clean up spills to prevent staining or moisture damage.

### General Care:

- Avoid placing hot items directly on the surface; use coasters or protective pads.
- Keep the cabinet away from direct sunlight and heat sources to prevent warping or fading.
- Regularly check and tighten any loose screws or fittings to ensure stability.

- The smooth and rounded design helps prevent accidental bumps, but exercise caution during movement.

## TROUBLESHOOTING

---

If you encounter any issues with your ONBRILL Sideboard Buffet Cabinet, refer to the following common solutions:

### **Problem: Doors do not slide smoothly.**

- **Solution:** Check the sliding tracks for any obstructions or debris. Ensure the doors are properly seated in the tracks. Verify that the cabinet is level on the floor.

### **Problem: Cabinet feels unstable or wobbly.**

- **Solution:** Ensure all assembly screws and fasteners are securely tightened. Confirm that the cabinet is placed on a flat, even surface. Utilize the wall connection fixer provided to anchor the cabinet to the wall for added stability.

### **Problem: Parts are missing or damaged.**

- **Solution:** Refer to the parts list in your assembly guide. Contact ONBRILL customer support for assistance with replacement parts.
