Aoxun S-14 Pieces Set

Aoxun 14 Piece Patio Furniture Set with Coffee Table - Instruction Manual

Model: S-14 Pieces Set | Brand: Aoxun

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your Aoxun 14 Piece Patio Furniture Set. Please read all instructions carefully before assembly and use to ensure safe and proper functioning of the product. Keep this manual for future reference.

Product Overview

The Aoxun 14 Piece Patio Furniture Set is designed to enhance your outdoor living space with comfort and versatility. Key features include:

- **Waterproof Cover Included:** Equipped with a premium waterproof cover made from durable Oxford cloth with a dual-layer PVC coating for protection against rain.
- **High-Quality Material:** Constructed from powder-coated galvanized steel and PVC rattan, ensuring durability and resistance to weather conditions like sun exposure, moisture, and temperature changes.
- **Comfortable Outdoor Furniture:** Patio sofa cushions are crafted from thick, high-resilience sponges for comfort. Cushion covers are removable, washable, and easy to maintain.
- **Outdoor Sectional Sofa:** Offers various seating configurations, allowing flexible arrangement to suit different purposes such as sunbathing, dining, or conversations.
- **Modular Design:** The individual pieces can be arranged in multiple configurations, including L-shaped or separate seating units.
- **Adjustable Feet:** Each furniture piece features adjustable feet to ensure stability on uneven surfaces.

Setup

Unpacking and Initial Preparation

Your furniture set is shipped in 4 boxes and may arrive at different times. Please ensure all boxes have arrived before beginning assembly. Upon unpacking, cushions may appear compressed due to vacuum packaging. Gently patting them will accelerate their recovery to a fluffy state within 24 to 48 hours.

Image: Illustration showing vacuum-compressed cushions expanding to their original size within 24-48 hours after unpacking.

Assembly

The modular design allows for flexible arrangement. Connect the armless sofas, corner sofas, and coffee tables as desired. Ensure all connections are secure. The set includes adjustable feet to stabilize the furniture on uneven patio surfaces. Simply screw the feet in or out to achieve a level setup.

Cushion Placement

Position the seat and back cushions on the furniture frames. The cushions are designed with features to prevent them from blowing away in windy conditions. Ensure they are securely placed for optimal comfort and stability.

Operating the Fire Pit Table

The fire pit table provides warmth and ambiance. It operates using a standard propane tank (not included).

Propane Tank Installation

1. Locate the access door on the side of the fire pit table.
2. Open the door and place a standard propane tank inside the designated compartment.
3. Connect the propane tank hose to the tank, ensuring a secure fit.

Ignition

1. Ensure the fire pit cover is removed.

2. Turn the control knob to the 'ON' position and press the igniter button.
3. Adjust the flame height using the control knob to your desired level.

Converting to a Coffee Table

When not using the fire pit, place the provided cover over the fire pit opening to convert it into a full coffee table surface. This allows for versatile use for dining or holding beverages.

Maintenance

Cleaning

- **Frames:** Wipe with a damp cloth to remove dirt and debris.
- **Cushion Covers:** The cushion covers are removable and washable. Follow care instructions on the label for best results.
- **Glass Tabletop:** Easily wipe clean with a damp cloth or glass cleaner.

Protection

Utilize the included waterproof cover to protect the entire furniture set from harsh weather conditions, including rain, snow, and debris. The cover features a drawstring at the bottom for a secure fit.

Troubleshooting

If you encounter any issues with your Aoxun Patio Furniture Set, please refer to the following common solutions:

- **Unstable Furniture:** Adjust the leveling feet on each piece until the furniture is stable on your surface.
- **Cushions Blowing Away:** Ensure the cushions are properly secured to the furniture frames using the integrated fasteners.
- **Fire Pit Not Igniting:** Check that the propane tank is correctly connected and has sufficient fuel. Ensure the control knob is turned to the 'ON' position before pressing the igniter.
- **Water Accumulation on Cushions:** The cushion fabric is designed to repel water. Simply wipe off any pooled water. For prolonged wet conditions, use the provided waterproof cover.

For further assistance, please contact customer service.
