4. ASSEMBLY INSTRUCTIONS

The WLIVE TV Stand is designed for straightforward assembly. All necessary accessories and tools are included in the package. Follow the step-by-step instructions provided in the separate assembly guide that accompanies your product. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

Estimated Assembly Time: Approximately 30-60 minutes for one person.

5. OPERATING AND PLACEMENT

Once assembled, place the TV stand on a level surface in your desired location. Ensure adequate space around the unit for ventilation of electronic devices. Utilize the adjustable shelves to accommodate various media components. The cable management holes should be used to route and organize all power and signal cables to maintain a neat and safe setup.

6. CARE AND MAINTENANCE

To maintain the appearance and longevity of your TV stand, follow these care instructions:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Promptly clean any spills to prevent staining. The laminate finish is designed to be waterproof and stain-resistant.
- **Protection:** Avoid placing hot items directly on the surface. Use coasters or protective pads as needed.
- **Movement:** When moving the stand, lift it rather than dragging to prevent damage to the legs and floor.
