MAINTENANCE

To ensure the longevity and optimal performance of your Lenovo Idea Tab Pro, follow these maintenance guidelines:

- **Cleaning:** Use a soft, lint-free cloth to clean the screen and body of the tablet. For stubborn smudges, slightly dampen the cloth with water or a screen-safe cleaner. Avoid harsh chemicals or abrasive materials.

- **Storage:** Store the tablet in a cool, dry place away from direct sunlight and extreme temperatures. When not in use, keep it in the included folio case for protection.
- **Battery Care:** To prolong battery life, avoid fully discharging the tablet frequently. It is recommended to keep the battery level between 20% and 80% when possible. Utilize the 45W quick charge feature for efficient charging.
- **Software Updates:** Regularly check for and install system updates to ensure your tablet has the latest features, security patches, and performance improvements.
- **Physical Protection:** Always use the provided folio case to protect the tablet from scratches, drops, and impacts.

TROUBLESHOOTING

If you encounter any issues with your Lenovo Idea Tab Pro, refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Tablet does not power on.	Low battery; software crash.	Charge the tablet for at least 30 minutes. Perform a force restart by holding the power button for 10-15 seconds.
Screen is unresponsive.	Temporary software glitch.	Restart the tablet. If unresponsive, perform a force restart.
Wi-Fi connection issues.	Router problem; incorrect password; software bug.	Restart your Wi-Fi router. Forget the network on your tablet and reconnect. Ensure correct password.
Apps are crashing or freezing.	Outdated app; insufficient memory; software conflict.	Update the app from the Google Play Store. Clear app cache/data. Restart the tablet.
Lenovo Tab Pen Plus not working.	Low battery; not properly paired.	Ensure the pen is charged. Re-attach the pen to the tablet's magnetic charging area to re-pair.

If the issue persists after trying these steps, please contact Lenovo customer support for further assistance.
