SAFETY INFORMATION

WARNING: This product contains Formaldehyde. For more information, please visit www.p65warnings.ca.gov.

- Always ensure the unit is placed on a stable, level surface.
- For taller units, it is recommended to use a wall anchor kit (if provided) to prevent tipping, especially in households with children or pets.
- Do not overload shelves; adhere to the maximum weight capacity of 25 pounds per shelf.

- Keep small parts away from children during assembly.

ASSEMBLY INSTRUCTIONS

Assembly of the Sauder Miscellaneous Storage Library requires careful attention to detail. It is recommended to have a second person assist with certain steps. Ensure all parts are present before beginning.

2. Step 2: Secure Top Panel

Once the side panels are in place, secure the top panel to complete the main frame of the library.

3. Step 3: Install Adjustable Shelves

Insert the two adjustable shelves into your desired positions. Ensure they are level and securely seated on the support pins.

4. Step 4: Attach Drawers

Assemble the drawers according to the specific instructions for the T-lock drawer system. Attach the drawer slides to both the drawer box and the main unit, ensuring they operate smoothly.

OPERATING INSTRUCTIONS

Your Sauder Miscellaneous Storage Library is designed for versatile storage and display.

Adjustable Shelves

The two upper shelves are adjustable, allowing you to customize the storage space to fit various items. To adjust, first remove all items from the shelf. Then, lift the shelf and reposition the support pins in the desired holes along the side panels. Ensure all four pins are securely in place before placing items back on the shelf.

MAINTENANCE

Proper care will help maintain the appearance and longevity of your Sauder Miscellaneous Storage Library.

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid harsh chemicals, abrasive cleaners, or polishes containing silicone, as these can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the wood finish.
- **Dusting:** Regularly dust with a soft, dry cloth to prevent buildup.
- **Placement:** Avoid placing the unit in direct sunlight or near heat sources, which can cause fading or warping.

TROUBLESHOOTING

If you encounter any issues with your storage library, refer to the following common solutions:

- **Wobbly Unit:** Ensure all cam locks and screws are tightened. Verify the unit is on a level surface. Adjust leg levelers if present.
- **Drawers Not Sliding Smoothly:** Check that the drawer slides are correctly installed and free from obstructions. Ensure all screws on the slides are tightened. Refer to the 'Adjust Drawer Using Slides with Cams' video for guidance.
- **Missing or Damaged Parts:** If any parts are missing or damaged upon arrival, do not proceed with assembly. Contact Sauder customer support immediately for replacements.
