BANDAI GD01

BANDAI Gundam Card Game: Newtype Rising (GD01) Booster Box Instruction Manual

Model: GD01 | Brand: BANDAI

INTRODUCTION

This manual provides essential information for the BANDAI Gundam Card Game: Newtype Rising (GD01) Japanese Booster Box. It covers details regarding the product contents, handling, and general care to ensure the best experience with your collectible cards.

SETUP AND UNBOXING

The Gundam Card Game: Newtype Rising Booster Box (GD01) contains 24 individual booster packs. Each booster pack contains 7 cards. Follow these steps to unbox your product:

- Inspect the Box:** Before opening, carefully inspect the booster box for any signs of damage or tampering. The box may not come shrink-wrapped from the manufacturer, but should be sealed with tape on the opening flaps.
- Open the Box:** Gently open the sealed flaps of the booster box.
- Remove Booster Packs:** Carefully remove the 24 individual booster packs from inside the box.
- Open Booster Packs:** Tear open each booster pack to reveal the 7 cards inside. Handle cards by their edges to prevent damage.

OPERATING AND GAME INTEGRATION

The cards obtained from this booster box are designed for the Gundam Card Game. This particular product is a Japanese edition. Key considerations for game integration include:

- **Deck Building:** Integrate new cards into your existing Gundam Card Game decks to enhance strategies and discover new synergies.
- **Japanese Language:** All cards in this booster box are in Japanese. Players should be familiar with the Japanese language or utilize translation resources to understand card effects and rules.
- **Tournament Play:** Verify with official tournament organizers regarding the eligibility of Japanese-language cards in local or international events, as rules may vary.

MAINTENANCE AND STORAGE

Proper care and storage will preserve the condition and value of your collectible cards:

- **Card Sleeves:** Use protective card sleeves for individual cards, especially rare or valuable ones, to prevent scratches and wear.
- **Deck Boxes:** Store sleeved cards in sturdy deck boxes to protect them during transport and storage.
- **Booster Box Storage:** Keep the booster box in a cool, dry place away from direct sunlight and extreme temperatures to prevent warping or fading.
- **Handling:** Always handle cards by their edges to avoid leaving fingerprints or creasing the card surface.

TROUBLESHOOTING

This section addresses common concerns related to the product packaging and contents.

Issue	Possible Cause	Solution
Damaged or Opened Box: The booster box appears bent, torn, or previously opened.	Shipping damage, handling during transit, or manufacturer's sealing method (Japanese boxes may not be shrink-wrapped, relying on tape).	Inspect the individual booster packs inside. If packs are sealed and intact, the cards are likely unaffected. If individual packs are damaged or missing, contact the retailer for assistance.
Missing Cards/Packs: Fewer than 24 packs or 7 cards per pack.	Manufacturing error or tampering.	Document the issue with photos and contact the retailer or BANDAI customer support immediately.
Language Barrier: Cards are in Japanese, and translation is needed.	This product is explicitly a Japanese edition.	Utilize online translation tools, fan-made translation guides, or consult with other players familiar with the Japanese version of the game.

PRODUCT SPECIFICATIONS

Feature	Detail
Brand Name	BANDAI
Model Number	GD01
Set Name	Newtype Rising
Language	Japanese
Unit Count	24 Packs
Cards Per Pack	7 cards
Total Cards in Set	130 types + 6 types
