

Pipishell AMDC06N-US

Pipishell Fluted 5-Drawer Dresser Instruction Manual

Model: AMDC06N-US | Brand: Pipishell

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Pipishell Fluted 5-Drawer Dresser. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

The Pipishell Fluted 5-Drawer Dresser is designed to maximize storage in various living spaces, including bedrooms, nurseries, and hallways. It features five deep drawers with pre-installed slides for smooth operation and a durable, eco-friendly construction.

2. SAFETY INFORMATION

Your safety is paramount. Please adhere to the following safety guidelines:

- **Anti-Tip Kit:** Always install the included anti-tip kit to prevent accidental tipping, especially in homes with children and pets. Secure the dresser to a wall stud using the provided hardware.
- **Weight Capacity:** Do not exceed the maximum load capacities. The desktop supports up to 176 lbs (80 kg), and each drawer supports up to 22 lbs (10 kg). Overloading can compromise stability and cause damage.
- **Rounded Edges:** The dresser features rounded corners to minimize the risk of injury from accidental bumps.
- **Stable Placement:** Place the dresser on a flat, level surface to ensure stability.

Anti-Tipping Design

3. PARTS LIST

Before beginning assembly, verify that all components are present and undamaged. Refer to the packing list included with your dresser for a complete inventory of parts and hardware. If any parts are missing or damaged, please contact customer support immediately.

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this dresser. Follow the step-by-step instructions provided in the separate assembly guide included in your packaging. Key features designed to simplify assembly include:

- **Pre-Installed Drawer Slides:** The drawer slides come pre-installed, significantly reducing assembly time and complexity.
- **Precisely Drilled Holes:** All holes are precisely drilled for accurate alignment of components.
- **Clear Instructions:** A detailed, easy-to-follow instruction manual is included.

For optimal ease of assembly, particularly when installing the drawers, it is recommended to have two people. Typical assembly time is approximately 2 hours.

Pre-Installed, Pull-Out Rails

Smooth rails that don't snag

Figure 4.1: The pre-installed drawer slides simplify assembly compared to traditional methods, ensuring smooth operation without snagging.

5. OPERATION

The Pipishell 5-Drawer Dresser is designed for intuitive use and efficient storage.

- **Drawer Functionality:** The five drawers glide smoothly on durable metal tracks, ensuring quiet and effortless opening and closing. Utilize them to organize clothing, bedding, accessories, and other household items.
- **Top Surface:** The spacious top surface can be used for displaying decorative items, lamps, or frequently accessed personal belongings. Ensure items placed on top do not exceed the 176 lbs (80 kg) weight limit.

Optimize Your Storage

6. MAINTENANCE AND CARE

To ensure the longevity and appearance of your dresser, follow these care instructions:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Scratch and Water Resistance:** The dresser is designed with scratch-resistant and waterproof properties for enhanced durability. However, it is advisable to promptly wipe up spills and avoid dragging sharp objects across the surface.
- **Regular Checks:** Periodically check all hardware connections to ensure they remain tight. Retighten if necessary.

7. TROUBLESHOOTING

If you encounter any issues with your dresser, refer to the following common solutions:

- **Drawers Not Sliding Smoothly:** Ensure the dresser is on a level surface. Check that the drawer slides are free of obstructions and that all screws securing the slides are tightened. The pre-installed slides are designed for smooth operation, so persistent issues may indicate a misalignment during assembly or a damaged slide.
- **Missing or Extra Parts:** While quality control is maintained, occasional discrepancies can occur. If you find you have missing or extra parts, or if any components are damaged, please contact customer support with your product model number and a description of the issue.
- **Dresser Wobbles:** Verify that all assembly hardware is securely tightened. Ensure the dresser is placed on a flat, even floor. Adjust furniture levelers if applicable (not explicitly stated for this model, but general advice).

8. SPECIFICATIONS

Feature	Detail
Brand	Pipishell
Model Name	AMDC06N-US
Product Dimensions	15.6"D x 23.6"W x 40.5"H
