JTF J40

JTF Sonic Electric Toothbrush Model J40 User Manual

Brand: JTF | Model: J40

1. INTRODUCTION AND OVERVIEW

The JTF Sonic Electric Toothbrush Model J40 is designed to provide an advanced oral cleaning experience for adults and children. It features upgraded sonic cleaning technology, a smart timer, multiple brushing modes, and a long-lasting rechargeable battery, making it suitable for daily use at home or while traveling.

2. SETUP

2.1 Initial Charging

Before first use, fully charge the toothbrush. The JTF Sonic Electric Toothbrush features a long-lasting battery that provides up to 45 days of use (based on 2 minutes, twice daily brushing) on a 2-hour charge. It uses a DC charging cable (adapter not included; use any 5V adapter).

Upgrade DC Charging Cable

50% Faster charging Speed

Long Battery Life

Note: Adapter is not included, you can charge it using any 5v adapter.

3.2 Brushing Modes

- **Clean:** For daily deep cleaning.
- **Sensitive:** Gentle care for sensitive teeth and gums.
- **Polish:** Brightens and polishes the front teeth.

- **Massage:** Protects and restores the health of teeth and gums.
- **White:** Removes plaque and stains for whitening.

The toothbrush features a smart memory function that automatically resumes your last used mode when restarted.

3.3 Smart Timer

The built-in 2-minute smart timer ensures you brush for the dentist-recommended duration. It pauses every 30 seconds to remind you to switch brushing zones, promoting thorough cleaning of all areas of your mouth.

Advanced Features

take the guess work out of brushing with **30-second smart timers**

and **2-minute auto shut-off**

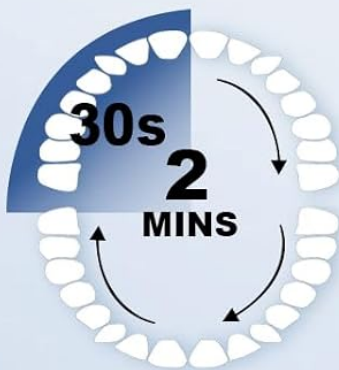

Image 3.2: A user demonstrating the JTF Sonic Electric Toothbrush, highlighting its advanced features including the 2-minute smart timer with 30-second zone reminders.

3.4 Usage Tips

- Apply a small amount of toothpaste to the brush head.
- Place the brush head against your teeth at a slight angle towards the gum line.
- Move the brush slowly across your teeth, allowing the sonic vibrations to clean each surface.
- Do not scrub aggressively; let the toothbrush do the work.

4. MAINTENANCE

4.1 Cleaning the Toothbrush

After each use, rinse the brush head thoroughly under running water. Wipe the handle with a damp cloth. The toothbrush is IPX7 waterproof, allowing for safe use in the shower or wet environments, but avoid prolonged submersion.

4.2 Replacing Brush Heads

Dental professionals recommend replacing brush heads every 3 months, or sooner if the bristles become frayed. The JTF Sonic Electric Toothbrush comes with 8 replacement brush heads, providing a 24-month supply.

4.3 Travel and Portability

The compact design and included brush head cap make the JTF Sonic Electric Toothbrush ideal for travel, ensuring

hygiene and convenience on the go.

5. TROUBLESHOOTING

- **Toothbrush not turning on:** Ensure the toothbrush is fully charged. Check the charging cable connection.
- **Weak vibrations:** The battery might be low. Recharge the toothbrush. Ensure the brush head is securely attached.

- **Indicator light not working:** If the toothbrush functions normally, this may be a minor issue. If not, contact customer support.
