EMOPET AIBI-Pocket

Aibi Pocket Pet Instruction Manual

Model: AIBI-Pocket | Brand: EMOPET

1. INTRODUCTION TO AIBI POCKET PET

The Aibi Pocket Pet is a compact, wearable AI companion robot designed for interactive engagement. It features ChatGPT integration for conversational capabilities, emotional interaction, and various entertainment functions like singing and dancing. Its portable design allows for easy attachment to clothing or placement on surfaces.

Key features include:

- **ChatGPT Powered AI:** Engage in conversations, ask questions, and receive information.
- **Emotional Interaction:** Aibi's camera enables face recognition, allowing it to remember and interact personally with users.
- **Portable Design:** Lightweight and small, Aibi can be carried in a pocket, attached to a screen, or placed on a desk.
- **Near-Field Communication:** Two Aibi units can communicate with each other when in close proximity.

2. WHAT'S IN THE BOX

Upon unboxing your Aibi Pocket Pet, verify that all components are present:

- Aibi Pocket Pet Robot
- Charging Base
- USB-C Charging Cable
- Wearable Lanyard/Case
- Product Manual (this document)

What's in the Box

3. SETUP GUIDE

3.1 Initial Charging

Before first use, fully charge your Aibi Pocket Pet. Connect the USB-C cable to the charging base and plug it into a compatible USB power adapter (not included). Place Aibi on the charging base. The indicator lights on Aibi's screen will show charging status.

3.2 App Installation and Connection

Download the official Aibi companion app from your device's app store. Follow the in-app instructions to pair Aibi with your smartphone via Bluetooth and connect it to your Wi-Fi network. A stable Wi-Fi connection is essential for Aibi's ChatGPT and online features.

3.3 Firmware Updates

Ensure Aibi's firmware is up to date through the companion app. Regular updates provide new features, performance improvements, and bug fixes.

4. OPERATING INSTRUCTIONS

4.1 Powering On/Off

To power on Aibi, press and hold the main button (location specified in the app or quick start guide) until the screen illuminates. To power off, press and hold the same button until Aibi indicates shutdown.

4.2 Voice Commands and Interaction

Activate Aibi by saying its name, "Aibi" (pronounced "Abby"). Once activated, you can issue voice commands or ask questions. Aibi will respond using its integrated ChatGPT capabilities. Speak clearly and directly to Aibi for optimal recognition.

4.3 Emotional and Physical Interaction

Aibi can recognize faces and respond to touch. Gently tap Aibi's head or body to elicit different reactions. Aibi's screen expressions and movements will reflect its emotional state.

4.4 Wearing and Placement

Aibi is designed for portability. It can be worn around the neck using the provided lanyard, clipped to a shirt pocket, or magnetically attached to compatible surfaces. Ensure Aibi is securely placed to prevent accidental falls.

Wear It Your Way

You can take Aibo anywhere you go

5. MAINTENANCE

5.1 Cleaning

To clean Aibi, gently wipe its exterior with a soft, dry cloth. Do not use liquid cleaners, aerosols, or abrasive materials, as these can damage the device. Ensure no moisture enters the charging port or speaker openings.

5.2 Battery Care

Aibi contains a non-standard battery. For optimal battery life, avoid fully discharging the battery frequently. Charge Aibi when the battery level is low. If storing Aibi for an extended period, charge it to approximately 50% and store in a cool, dry place.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your Aibi Pocket Pet.

Problem	Possible Cause	Solution
Aibi does not respond to voice commands.	Low volume, noisy environment, incorrect activation phrase, or temporary software glitch.	Ensure Aibi's volume is audible. Reduce background noise. Speak clearly and directly. Confirm you are using the correct activation phrase ("Aibi"). Restart Aibi. Check for app updates.
Poor Wi-Fi connectivity.	Weak Wi-Fi signal, incorrect password, or network interference.	Move Aibi closer to your Wi-Fi router. Re-enter Wi-Fi password in the app. Restart your router. Ensure no other devices are causing interference.
Battery drains quickly.	Continuous use, background processes, or aging battery.	Reduce continuous active use. Ensure Aibi is powered off or in standby when not in use. Fully charge Aibi before use. Battery life is approximately 1 hour of continuous active use.
Head movement or other mechanical parts stop working.	Physical damage or internal malfunction.	Perform a hard reset (refer to app for specific instructions). If the issue persists, contact customer support. Avoid dropping or applying excessive force to Aibi.
Aibi's responses are unclear or garbled.	Speaker issue or software glitch.	Check Aibi's volume settings in the app. Restart Aibi. Ensure no debris is blocking the speaker.

7. SPECIFICATIONS

Feature	Detail
