5. SETUP AND ASSEMBLY

The Tribesigns Conference Table is designed for user-friendly assembly. It is recommended that two people assemble this table to ensure stability and ease of handling. All necessary assembly tools are included.

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Refer to the included parts list and diagrams to identify each component (tabletop sections, pedestal bases, hardware).
3. **Assemble Pedestal Bases:** Follow the specific instructions to connect the individual pieces of each pedestal base using the provided hardware. Ensure all connections are secure.
4. **Attach Bases to Tabletop:** Carefully align the assembled pedestal bases with the pre-drilled holes on the underside of the tabletop sections. Secure them using the designated screws and the included screwdriver/hex key.
5. **Connect Tabletop Sections (if applicable):** If your table consists of multiple tabletop sections, align them and connect them using the provided joining hardware.

6. **Final Tightening:** Once all components are in place, gently tighten all screws and bolts to ensure maximum stability. Do not overtighten.
7. **Positioning:** With assistance, carefully lift and move the assembled table to its desired location.

7. MAINTENANCE

Proper care will extend the life and appearance of your conference table.

- **Cleaning:** Wipe the table surface with a damp cloth. Avoid harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Spills:** Clean spills immediately to prevent staining, especially for liquids.
- **Protection:** Use coasters for drinks and placemats for hot items to protect the surface from heat and moisture damage.
- **Inspection:** Periodically check all hardware connections and tighten any loose screws to maintain structural integrity.

8. TROUBLESHOOTING

If you encounter any issues with your Tribesigns Conference Table, refer to the following common solutions:

- **Wobbling Table:** Ensure the table is placed on a level surface. Check all assembly screws and bolts to confirm they are securely tightened. Re-tighten if necessary.
- **Scratches/Dents:** Minor scratches can sometimes be touched up with furniture repair markers matching the table's finish. For significant damage, contact customer support for advice.
- **Missing Parts:** If you discover any missing parts during assembly, do not proceed. Contact Tribesigns customer support immediately for assistance.
