## ScentLok 1021110

# ScentLok Ridge Midweight Hunting Jacket User Manual

### INTRODUCTION

The ScentLok Ridge Midweight Hunting Jacket is engineered for mid-season hunting conditions, offering a combination of stealth, warmth, and advanced odor control. This jacket features a quiet micro tricot fabric exterior and a warm Sherpa fleece lining. Its integrated Carbon Alloy technology, alongside Silver Alloy and Fusix, provides comprehensive odor suppression. The DWR-treated outer shell offers resistance to light moisture, while gusseted, zippered cuffs and a built-in safety harness port enhance functionality. This manual outlines the proper use and care of your ScentLok Ridge Midweight Hunting Jacket.

### SETUP AND SIZING

Before your first use, inspect the jacket for any manufacturing defects. Ensure the size selected provides adequate comfort and range of motion for hunting activities, including layering. Refer to the sizing chart below to confirm the appropriate fit.

### **Sizing Guide (US Regular)**

| Brand Size   | US Size      | Chest (in) |
|--------------|--------------|------------|
| Small        | Small        | 34 - 36    |
| Medium       | Medium       | 38 - 40    |
| Large        | Large        | 42 - 44    |
| X-Large      | X-Large      | 46 - 48    |
| XX-Large     | XX-Large     | 50 - 52    |
| XXX-Large    | XXX-Large    | 54 - 56    |
| Large Tall   | Large Tall   | 42 - 44    |
| X-Large Tall | X-Large Tall | 46 - 48    |

### OPERATING INSTRUCTIONS

The ScentLok Ridge Midweight Hunting Jacket is designed for ease of use and maximum effectiveness in the field.

- **Wearing the Jacket:** Zip the jacket fully for maximum warmth and odor control. The quiet micro tricot fabric minimizes noise during movement, crucial for stealth.
- **Utilizing Pockets:** The jacket features three secure pockets (one chest, two waist) for storing essential gear. Use these to keep items readily accessible and secure.
- **Safety Harness Access:** A dedicated port is integrated into the back of the jacket to allow for easy and secure use of a safety harness without compromising the jacket's fit or function.
- **Adjustable Cuffs:** The zippered cuffs with gussets allow for a tapered fit, which can be adjusted for comfort or to accommodate gloves, ensuring a clean and quiet draw.

## MAINTENANCE

Proper care and maintenance are essential to preserve the effectiveness of your ScentLok Ridge Midweight Hunting Jacket, especially its odor control and water repellency features.

### Washing Instructions:

- **Machine Wash:** Always follow the care label instructions. Typically, machine wash cold with a scent-free detergent.
- **Drying:** Tumble dry low or hang dry. Avoid high heat, which can damage the fabric and odor-absorbing technology.
- **Avoid Bleach and Fabric Softeners:** These products can compromise the jacket's odor control and water-repellent properties.
- **Storage:** Store the jacket in a clean, dry, and scent-free environment when not in use to maintain its odor-absorbing capabilities.

## TROUBLESHOOTING

If you encounter issues with your jacket, consider the following:

- **Reduced Odor Control:** Ensure the jacket has been properly washed and stored according to the maintenance instructions. Contaminants from other clothing or strong environmental odors can temporarily reduce effectiveness. Reactivating the Carbon Alloy technology often requires proper washing and drying.
- **Water Repellency Issues:** The DWR (Durable Water Repellent) finish can wear off over time. If water no longer beads on the surface, consider reapplying a DWR treatment specifically designed for outdoor apparel. Always follow the product's instructions.
- **Zipper Malfunction:** If a zipper becomes stiff or difficult to operate, try cleaning it with a small brush to remove dirt or debris. A silicone-based lubricant can also help. Avoid forcing the zipper.

## SPECIFICATIONS

- **Model Number:** 1021110
- **Department:** Men's
- **Fabric Type:** Polyester Blend (Micro Tricot Outer, Sherpa Fleece Lining)

- **Odor Control Technology:** Carbon Alloy, Silver Alloy, Fusix
- **Water Resistance:** DWR (Durable Water Repellent) treated outer shell
- **Pockets:** 1 Chest, 2 Waist
- **Cuffs:** Zippered with Gussets
- **Special Features:** Safety Harness Access Port
- **Care Instructions:** Machine Wash
- **Origin:** Imported
