

HONOR HONOR Choice Earbuds Clip

HONOR Choice Earbuds Clip User Manual

Model: HONOR Choice Earbuds Clip (6936520864065)

Brand: HONOR

INTRODUCTION

The HONOR Choice Earbuds Clip are innovative open-ear Bluetooth 5.3 headphones designed for comfort and high-quality audio. Featuring advanced AI noise cancellation for clear calls, a powerful 10.8mm dual magnet driver for rich sound, and extended battery life, these earbuds provide a seamless listening experience. Their unique clip-on design ensures a secure and comfortable fit, while IP54 water and dust resistance makes them suitable for various environments. This manual provides detailed instructions on how to set up, operate, and maintain your earbuds.

SAFETY INFORMATION

Please read this safety information carefully before using your HONOR Choice Earbuds Clip to ensure proper operation and to prevent damage or injury.

- **Hearing Protection:** To prevent hearing damage, do not listen at high volume levels for long periods. Avoid using the earbuds in situations where you need to hear your surroundings, such as driving or cycling, unless it is safe to do so with open-ear design.
- **Charging:** Use only the charging case provided with the earbuds. Do not attempt to disassemble, open, or repair the charging case or earbuds.
- **Water and Dust Resistance:** The earbuds are rated IP54 for water and dust resistance. This means they are protected against limited dust ingress and water splashes from any direction. They are not designed for submersion in water. Avoid exposing them to excessive moisture or liquids.
- **Temperature:** Do not expose the earbuds or charging case to extreme temperatures (below 0°C or above 45°C).
- **Disposal:** Dispose of this product and its battery responsibly according to local regulations. Do not dispose of batteries in fire or hot ovens, or mechanically crush or cut batteries, as this may result in an explosion.

PACKAGE CONTENTS

Ensure all items are present in the package:

- HONOR Choice Earbuds Clip (Left and Right Earbuds)
- Wireless Charging Case
- User Manual (this document)
- Charging Cable (USB-C) - *Note: While not explicitly listed in "whats_in_the_box", a charging cable is typically included with wireless earbuds. Assuming standard practice.*

SETUP

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Connect the charging case to a power source using a USB-C cable. The indicator light on the case will show charging status.

- Place the earbuds into the charging case.
- Connect the USB-C charging cable to the port on the charging case and to a power adapter or computer USB port.
- A full charge provides up to 7 hours of single music playback, and up to 36 hours total with the charging case.

Ausdauerndes Zuhören Batterielaufzeit

Superlange Akkulaufzeit in Kombination mit schnellem Aufladen, für dauerhaftes Hören ohne Unterbrechung. Beseitigen Sie Akkusorgen und lassen Sie sich lange von großartiger Musik begleiten.

2. Pairing with a Device

The earbuds support Bluetooth 5.3 for stable and efficient wireless connection.

1. Open the charging case. The earbuds will automatically enter pairing mode (if it's the first time or if they are not connected to any device).
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for available Bluetooth devices and select "HONOR Choice Earbuds Clip" from the list.
4. Once connected, a confirmation sound or message may be heard/displayed.

Quick Pop-up Connection: For HONOR devices, simply open the charging case near your device for a quick pop-up pairing prompt.

Same Account Pairing: If you have multiple HONOR devices linked to the same HONOR account, the earbuds can seamlessly switch between them without re-pairing.

Anschluss von zwei Geräten

Sprachassistent

AI Call Noise Cancellation

Equipped with two high-sensitivity microphones and an AI multi-channel Deep Neural Network (DNN) algorithm, the earbuds intelligently filter out ambient noise during calls, ensuring your voice is heard crystal clear by the other party.

AI Call Noise Cancellation

Equipped with two high-sensitivity microphones, combined with AI multi-channel deep neural network (DNN) call noise reduction algorithm, it intelligently filters ambient noise, making the other side of the call hear crystal clear.

Image: Two separate images showing individuals using the HONOR Choice Earbuds Clip for calls in different environments, illustrating the effectiveness of AI call noise cancellation in filtering out background noise for clear communication.

Low Latency Mode

Activate the low latency mode, especially useful for gaming, to reduce audio delay by up to 37%. This ensures a more synchronized audio-visual experience.

enhancement through professional algorithms and improved 3D surround sound for an immersive listening experience.

MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your HONOR Choice Earbuds Clip.

- **Cleaning:** Regularly wipe the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals, cleaning solvents, or strong detergents.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage. Store in a cool, dry place away from direct sunlight and extreme temperatures.
- **Charging Contacts:** If you experience charging issues, gently clean the charging contacts on both the earbuds and inside the case with a dry cotton swab.
- **Avoid Impact:** Do not drop, hit, or subject the earbuds or case to strong impacts, as this can damage internal components.

TROUBLESHOOTING

If you encounter issues with your HONOR Choice Earbuds Clip, try the following solutions:

Problem	Possible Solution
Earbuds do not turn on.	Ensure the earbuds are charged. Place them in the charging case and connect the case to a power source.
Cannot pair with device.	Ensure Bluetooth is enabled on your device. Make sure the earbuds are in pairing mode (open the case). Move the earbuds closer to your device. Forget the device from your Bluetooth list and try pairing again. Restart your device and the earbuds (by placing them in the case and closing/opening).
No sound or low volume.	Adjust the volume on your connected device. Ensure the earbuds are properly seated in your ears. Check if the earbuds are connected to the correct device.
Call quality issues (e.g., bad microphone).	Ensure the microphones are not obstructed. Try moving to a quieter environment. Ensure the earbuds are fully charged.
Earbuds disconnect frequently.	Ensure the earbuds are within the Bluetooth range of your device. Avoid strong electromagnetic interference. Ensure the earbuds are fully charged.
