vidaXL Bird Aviary Instruction Manual

Model: 4100924

INTRODUCTION

This manual provides essential instructions for the assembly, operation, and maintenance of your vidaXL Grey Bird Aviary, Model 4100924. Please read these instructions carefully before beginning assembly or use to ensure safe and correct installation and to maximize the lifespan of your product.

The rectangular bird aviary in anthracite color combines modern design with practical use. The galvanized steel structure ensures the aviary maintains its appearance in all weather conditions, making it perfect for gardens and terraces while providing security for your feathered friends. With ample space and modern style, this aviary is an excellent choice for bird enthusiasts.

This aviary features an animal-friendly galvanized steel frame, ensuring durability and weather resistance. Designed for outdoor use, it provides ample space for birds to feel comfortable.

SETUP AND ASSEMBLY

Important Assembly Instructions: Three people are required for assembly. You will need simple tools such as scissors and a drill. This ensures proper assembly, enhancing durability and stability. Each component is crucial for creating a functional habitat for your feathered pets.

Components Included: 1 bird aviary (all necessary cage assembly components).

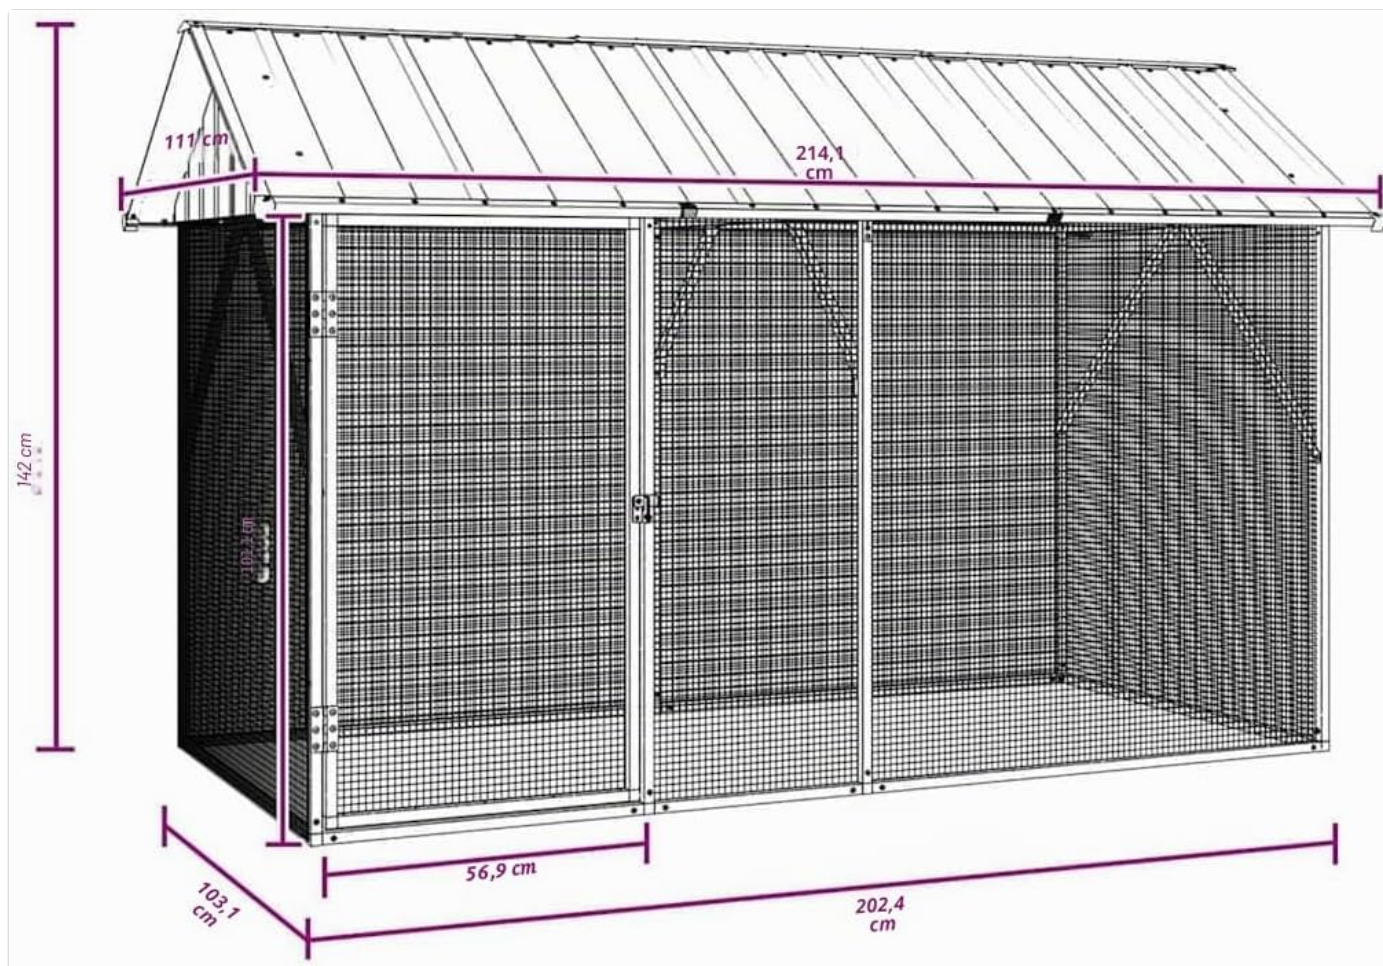

Figure 2: Technical diagram showing the dimensions of the aviary. Total length is 202.4 cm (79.7 inches), total depth is 103.1 cm (40.6 inches), and total height at the peak is 142 cm (55.9 inches).

Figure 3: Close-up of the roof and frame connection, illustrating the galvanized steel construction.

1. **Unpack Components:** Carefully unpack all components and verify against the parts list (refer to packaging for detailed list). Ensure no parts are missing or damaged.
2. **Prepare Tools:** Gather necessary tools: scissors and a drill.
3. **Team Assembly:** Due to the size and complexity, assembly requires at least three people for safety and stability.
4. **Frame Construction:** Begin by assembling the galvanized steel frame according to the provided diagrams. Ensure all connections are secure and tightened appropriately.
5. **Panel Installation:** Attach the mesh panels to the frame. Pay attention to the orientation of panels, especially those with door openings.

6. **Roof Installation:** Secure the roof panels to the top of the frame. Ensure proper alignment for weather resistance and secure fastening.
7. **Door Attachment:** Install the door(s) and ensure they open and close smoothly and securely latch.
8. **Final Check:** Double-check all screws, bolts, and connections to ensure the aviary is stable and secure before placing birds inside.

OPERATION

This aviary is designed for outdoor use and provides a secure and spacious environment for various bird species. Ensure the aviary is placed on a level, stable surface in your garden or terrace.

- **Placement:** Choose a location that offers appropriate sunlight and shade throughout the day, protecting birds from extreme weather conditions.
- **Access:** Use the easy-open door for feeding, cleaning, and interacting with your birds. Always ensure the door is securely latched after use to prevent escapes.
- **Enrichment:** Provide perches, toys, and water/food dishes suitable for the bird species housed within the aviary.

MAINTENANCE

Regular maintenance will ensure the longevity and hygiene of your bird aviary.

- **Cleaning:** Regularly clean the aviary interior, including the floor and perches, to maintain a healthy environment for your birds. Use bird-safe cleaning products.
- **Inspection:** Periodically inspect the galvanized steel frame and mesh panels for any signs of wear, rust, or damage. Address any issues promptly to maintain structural integrity and bird safety.
- **Weather Protection:** While weather-resistant, consider additional protection during severe weather conditions, such as heavy snow or strong winds, to prevent damage.

TROUBLESHOOTING

This section addresses common issues you might encounter with your aviary.

Problem	Possible Cause	Solution
Aviary feels unstable after assembly.	Connections not fully tightened; uneven ground.	Ensure all screws and bolts are securely tightened. Verify the aviary is on a level surface. If necessary, disassemble and reassemble with care, ensuring all parts are correctly aligned.
Door does not close or latch properly.	Misalignment during assembly; bent components.	Check door hinges and latch mechanism for proper alignment. Adjust if possible. If components are bent, contact customer support for replacement parts.
Signs of rust on galvanized steel.	Surface damage exposing raw steel; prolonged exposure to harsh conditions.	Clean affected areas and apply a rust-inhibiting primer and paint suitable for galvanized steel. Regular inspection and cleaning can prevent this.

SPECIFICATIONS

Brand	vidaXL
Model Number	4100924
Product Dimensions (L x D x H)	202.4 cm x 103.1 cm x 142 cm (79.7" x 40.6" x 55.9")
Material	Galvanized Steel
Item Weight	26.23 Kilograms (57.8 lbs)
Special Features	Durable, Weather-resistant
Recommended Use	Outdoor Living, Bird Enclosure
Pet Type	Bird
